The average Increase of the Movement of property on the five Canals, in 1855 over 1854, is 8.3 per cent.

The average annual Increase of the Movement of property on the five Canals, in 1855 over 1852, is 18.4 per cent.

(A) This Table of per centages applies to the first line of Totals showing the Movement of Property.

No. 12.—STATEMENT of the Number and Tonnage of all kinds of Vessels passing on and through the Provincial Canals in the Year 1855, shewing the aggregate burthen of the Vessels in six Classes ranging from under 50 Tons to 700 Tons calculated from average Tonnage.

| CLASS. | VESSELS.                         | NUMBER. | AVERAGE TONNAGE. |
|--------|----------------------------------|---------|------------------|
| No. 1  | 250 Tons and under 700 Tons..... | 1,607   | 642,800          |
| " 2    | 200 Tons and under 250 Tons..... | 1,860   | 446,400          |
| " 3    | 150 Tons and under 200 Tons..... | 1,139   | 227,800          |
| " 4    | 100 Tons and under 150 Tons..... | 3,007   | 420,980          |
| " 5    | 50 Tons and under 100 Tons.....  | 6,889   | 620,010          |
| " 6    | Under 50 Tons each.....          | 6,348   | 253,920          |
|        | Total.....                       | 20,850  | 2,611,910        |

NOTE.—This Table is computed from the aggregate Number of Trips each Vessel made during the Season of Navigation. For the Number and Tonnage actually employed, see Table No. 14.

31

No. 13.—AN ACCOUNT of the GROSS and NET REVENUE derived from Canal Tolls for the Year 1855, as compared with the Five preceding Years.

|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| No. 1.—General Statement shewing the Quantity of each Article transported on the Welland Canal during the year 1855, and the Amount of Revenue collected thereon.....                                                                                                                                        | 2            |
| 2.—General Statement shewing the Quantity of each Article transported on the St. Lawrence Canals during the year 1855, and the Amount of Revenue collected thereon.....                                                                                                                                      | 6            |
| 3.—General Statement shewing the Quantity of each Article transported on the Chambly Canal during the year 1855, and the Amount of Revenue collected thereon.....                                                                                                                                            | 10           |
| 4.—General Statement shewing the Quantity of each Article transported through the Burlington Bay Canal during the year 1855, and the Amount of Revenue collected thereon.....                                                                                                                                | 14           |
| 5.—General Statement shewing the Quantity of each Article transported through the St. Ann's Lock Canal during the year 1855, and the Amount of Revenue collected thereon.....                                                                                                                                | 18           |
| 6.—Summary Statement of the business of the Welland, St. Lawrence, Chambly and Burlington Bay Canals, St. Ours and St. Ann's Locks, shewing the total quantity of each Species of Property passing through and on the same, and the amount of Tolls collected thereon during the year 1855.....              | 22           |
| 7.—Statement shewing the Monthly Receipts of Tolls at the different Offices of the several Canals during the year 1855.....                                                                                                                                                                                  | 26           |
| 8.—A Return of the business of the Welland, St. Lawrence, Chambly, Burlington Bay Canals, St. Ours and St. Ann's Locks, shewing the Total Revenue derived from each Class or Rate of Tolls on each Canal, during the year 1855.....                                                                          | 27           |
| 9.—Statement shewing the Number, the National Character and Tonnage of Vessels, which passed on and through the Welland, St. Lawrence, Chambly and Burlington Bay Canals, St. Ours' and St. Ann's Locks, during the year 1855, and the Amount of Tolls collected thereon.....                                | 28           |
| 10.—Comparative Statement of the Number and Tonnage of Vessels and Goods passed through and on the undermentioned Canals for the years 1852, 1853, 1854 and 1855, distinguishing the up and down Trade.....                                                                                                  | 29           |
| 11.—Comparative Statement of the Total Movement of Property, Passengers and Vessels on the Welland, St. Lawrence, Chambly (including St. Ours' Lock) and Burlington Bay Canals, and St. Ann's Lock for the year 1855, and the three preceding years,                                                         | 30           |
| 12.—Statement of the Number and Tonnage of all kinds of Vessels passing on and through the Provincial Canals in the year 1855, shewing the aggregate burthen of the Vessels in six Classes ranging from under 50 Tons to 700 Tons, calculated from Average Tonnage.....                                      | 31           |
| 13.—An Account of the Gross and Net Revenue derived from Canal Tolls for the year 1855, as compared with the five preceding years.....                                                                                                                                                                       | <i>Ibid.</i> |
| 14.—Statement of Number and Tonnage of all kinds of Vessels employed in, and which performed the Carrying Trade of the Canadian Canals during the Season of Navigation in the year 1855, and a Table showing the Number and average Tonnage in six Classes, ranging from under 50 Tons each to 709 Tons..... | 32           |

|                                                                                                                                                                                                                                                                                                                             | Pages.       |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| No. 15.—Comparative Statement shewing the Quantities of each Article transported on the Provincial Canals during the years 1854 and 1855, and also the Amount of Toll paid thereon.....                                                                                                                                     | 34           |
| 16.—An Account of the Gross Revenue derived from Canal Tolls during the year 1855.....                                                                                                                                                                                                                                      | 36           |
| 17.—An Account of the Gross and Net Revenue from all sources from the Provincial Canals of Canada, for the year 1855.....                                                                                                                                                                                                   | <i>Ibid.</i> |
| 18.—General Statement of Imports, being a Detailed Account of the principal Articles of British and Foreign Merchandise entered for Consumption in Canada, during the year ending 5th January, 1856, shewing the Quantity and Value of each Article imported at each Port, and indicating from what Country imported.....   | 38           |
| 19.—Summary Statement of the Quantity and Value of and Amount of Duty collected on the Principal Articles of British and Foreign Merchandise entered for Consumption during the year 1855, and indicating from what Country imported.....                                                                                   | 168          |
| 20.—Comparative Statement shewing in contrast the Quantities and Values of the Principal Articles of British and Foreign Merchandise, entered for consumption in Canada, during the years 1853, 1854 and 1855.....                                                                                                          | 178          |
| 21.—Return of Articles imported directly into Canada from the United Kingdom and the British North American Provinces, being the growth, produce and manufacture of the said United Kingdom and of such Provinces, for the year 1855, admitted Free of Duty under 12 Vic. Cap. 1, and 13 & 14 Vic. Cap. 3.....              | 184          |
| 22.—Statement of the Importation of the following Articles into Canada from Foreign West Indies, distinguishing whether such Importations have been direct, or through any British Possession, or Foreign Country, during the year 1855.....                                                                                | 184          |
| 23.—A Detailed Account shewing the Value of the Principal Articles imported into Canada by Sea, <i>via</i> the St. Lawrence, at each of the undermentioned Ports, during the year 1855.....                                                                                                                                 | 185          |
| 24.—Comparative Statement of the Quantity and Value of the principal Articles imported into Canada, from Sea, <i>via</i> the St. Lawrence, during the years 1854 and 1855.....                                                                                                                                              | 191          |
| 25.—Comparative Statement of Goods in Warehouse under Bond in the Province of Canada, for the years ending 5th of January, 1854, 1855 and 1856, shewing the amount of Duty chargeable thereon at that date.....                                                                                                             | 192          |
| 26.—Comparative Statement of Imports, exhibiting in contrast the Value of and Amounts of Duties collected on Goods entered for Consumption in Canada, during the years 1852, 1853, 1854 and 1855, respectively.....                                                                                                         | 194          |
| 27.—Statement of the Quantity and Value of Goods enumerated in the Reciprocity Treaty—being the growth and produce of the United States and imported into Canada during the year 1855.....                                                                                                                                  | 195          |
| 28.—Return of the Quantity and Value of Goods imported first into the United States, and from thence into Canada, distinguishing Goods passing through that Country under Bond, from those purchased in Bond or Duty paid; also, the Goods being the Produce or Manufacture of the United States, during the year 1855..... | 196          |
| 29.—Return of the Quantity and Value of Goods imported into Canada, <i>via</i> the St. Lawrence, from the Provinces of Nova Scotia, New Brunswick, Prince Edward's Island, and Newfoundland, for the year 1855.....                                                                                                         | 198          |

INDEX TO TABLES—*Continued.*

|                                                                                                                                                                                                                                                                               | Pages. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| No. 30.—General Statement of Exports, being a Detailed Account of the Principal Articles of Canadian Produce and Manufacture, Shipped during the year 1855, shewing the Quantity and Value of each Article Shipped at each Port, and indicating to what Country Exported..... | 200    |
| 31.—Summary Statement of the Quantity and Value of the Principal Articles of Canadian Produce and Manufacture, Exported during the year 1855, and indicating to what Country Exported....                                                                                     | 242    |
| 32.—Comparative Statement of the Quantity and Value of the Principal Articles of Canadian Produce and Manufacture, Exported during the years 1853, 1854 and 1855.....                                                                                                         | 247    |
| 33.—Comparative Statement shewing the Value of the principal Articles Exported from Canada Seaward <i>viâ</i> the St. Lawrence, during the years 1854 and 1855.....                                                                                                           | 252    |
| 34.—A Return of the value of the Exports of Domestic Produce and Manufactures, and the Value of Goods entered for Consumption, and Amount of Duties Collected at each Port in Canada, during the years 1852, 1853, 1854 and 1855.....                                         | 253    |
| 35.—Statistical View of the Commerce of Canada, exhibiting the Value of Exports to and Imports from Great Britain, her Colonies, and Foreign Countries, together with the Tonnage of Vessels arriving and departing during the year 1855.....                                 | 255    |
| 36.—Comparative Statement of the Value of Imports and Exports of Canada, during the Years 1854 and 1855.....                                                                                                                                                                  | 255    |
| 37.—Comparative Statement of the Number of Gallons of Proof Spirits Distilled in the Province of Canada, in the years 1852, 1853, 1854 and 1855, with the number of Stills and Amount of Revenue derived therefrom.....                                                       | 256    |
| 38.—Comparative Statement of the Gross and Net Revenue received from Customs Duties for the years 1851, 1852, 1853, 1854 and 1855.....                                                                                                                                        | 257    |
| 39.—Statement of Vessels entered Inwards, distinguishing British and Foreign, and those with Cargoes and in Ballast, at the Ports of Quebec and Montreal, during the year 1855.....                                                                                           | 258    |
| 40.—Return of the Number and Tonnage of Vessels which arrived at, and departed (for sea) from Quebec and Montreal, in the Year 1855, distinguishing the Countries to which they belonged....                                                                                  | 260    |
| 41.—Statement of British and Foreign Vessels cleared Outwards, during the Year 1855, from this Port.....                                                                                                                                                                      | 261    |
| 42.—Statement of the British and American Tonnage, Inwards and Outwards, at the undermentioned Ports, shewing the Coasting on Canadian Inland Waters, and the intercourse by Inland Navigation between Canada and the United States, during the Year 1855.....                | 262    |
| 43.—Ships Inwards.—Statement of the Number of Vessels entered Inwards from Sea, at the undermentioned Ports, shewing their Tonnage, number of Men employed, and the Countries whence they came, during the year 1855, and the two preceding years.                            | 264    |
| 44.—Ships Outwards.—Statement of the Number of Ships entered Outwards for Sea, at the undermentioned Ports, shewing their Tonnage, number of Men employed, and to what Country cleared, for the year 1855, and the two preceding years.....                                   | 265    |
| 45.—Statement shewing the Number and Tonnage of Steamers and Sailing Vessels Built and Registered, and also of Steamers and Vessels not Registered at the undermentioned Ports in Canada during the year 1855.....                                                            | 266    |

INDEX in Detail of the Imports and Exports of the Province of Canada  
for the Year 1855.

| ARTICLES.                                       | IMPORTS. | EXPORTS. |
|-------------------------------------------------|----------|----------|
