WESLEYAN

LADIES' COLLEGE

HAMILTON, CANADA.

W. H. Harvey
INGERSOLL, ONT.

The Oldest Ladies' College in the Dominion.

It has graduated 175 young ladies, and educated in part over 2,000. Has broad and symmetrical course in Philosophy, Science, Literature, English in all its branches, Mathematics and Book-Keeping. The course in Music and Art is, we believe, unequalled in the Province. Twenty-three pianos were required last year for daily use.

The Working Faculty Consists of Five Professors and Eleven Lady Teachers.

No Department is in charge of visiting teachers.

The College is Thoroughly Equipped in every respect. It has a very valuable Museum, Apparatus, Maps, Charts, Cyclopedias, a well stocked Reading Room, and all modern appliances for the instruction and comfort of the pupils.

The Building has More than 150 Rooms,

And all the conveniences of a first-class Hotel, Gas and Water, Hot and Cold Baths always accessible.

No College in the country has such halls and dormitories.

This College has always been self-sustaining, and is now in a most prosperous condition.

Although not aiming at cheapness its terms are very low, as it is entirely free from debt.

Board, Washing, Light and Tuition Cost only $40 per term in the Preparatory Department; $41 in the Academic, and $43 in the Collegiate.

The usual Discount to Ministers' Daughters, and to Sisters.

The Hamilton Commercial College

—AND—

SHORTHAND INSTITUTE,

Cor. King and James Streets,

HAMILTON, • ONTARIO,

Is the best place to secure a Practical Business Education, for the following reasons:

1ST.—That the work is practical in every department, and is carried on the same as in actual business.

2ND.—That the rates of tuition and cost of books for full Business Course does not exceed one half of that of other Business Colleges, in the Dominion.

3RD—That it has a Lady Principal, and Ladies are admitted for full course, and share all the advantages of the Institution.

4TH—That the City of Hamilton is without doubt one of the most healthy and picturesque in the province.

5TH—That the College was established in 1883, and started on an entirely new system, unlike the old Theoretical forms commonly used in Business Colleges.

6TH—That our Graduates have been successful in obtaining good positions in the city and elsewhere.

JOHN MIDDLETON,

OF HAMILTON,

HAS MADE

CRAYON PORTRAITS

Of numerous Children, Ladies and Gentlemen, in the Dominion and the United States, all of which have received universal praise.

By simply sending any description of photograph of a living or dead person, a life-size portrait will be immediately returned, and the picture will prove to be an ornament to any drawing room.

Prices Moderate. **Faithful Likeness or Contract Void.**

The Hamilton Daily *Spectator* of Thursday, June 7th, 1883, says:—"Some of the best portraits yet placed on exhibition here are the work of Mr. John Middleton, a talented Englishman. He has done a portrait of Mr. Sutherland, M.A. of the Collegiate Institute. Mr. Middleton has also made fine portraits, remarkable for fidelity to the details of expression and finish, of several friends of his in England. Mr. Middleton has a peculiar gift for Portrait work."

The *Spectator* also says, under date Nov. 14th, 1883: "Large crayons of Mr. Edison, the renowned electrician, and his beautiful wife, are exhibited in the store of Mr. Walker, King St. East. They were drawn to order by Mr. J. Middleton, of this city."

The Hamilton *Times* says under date Nov. 16, 1883:—"FINE PORTRAITS.—In addition to the numerous prizes obtained by Mr. John Middleton at the recent exhibition, he has finished Crayon Portraits of Mr. Edison, the great electrician, and Mrs. Edison. These pictures were drawn to order."

PREFACE.

In presenting to our patrons and the public, our first issue of the Brant, Halton, Waterloo and Wentworth Farmers' and Business Directory, we beg to state that we have spared neither pains or expense in collecting and compiling the information for the work and trust that it will prove to be what we intended, and believe we have succeeded in making it, viz: the best work of the kind ever published in the Province.

The Farmers' Directory will be found a very important feature of this work, as the name, post-office address, number of concession and lot, and whether freeholder or tenant, of each farmer is given. The Classified Business Directory will be found complete, giving the correct post-office address of every person carrying on business in the three counties.

Absolute freedom from errors has seldom or never been attained in Directories, or any other publications, and while we may not claim that ours is an exception to the general rule, we have no hesitation in saying that the errors and ommissions, if any are found, will be few and unimportant.

We thank those who have kindly afforded information and assistance, and the many business men who have given the work their support, and congratulate the people upon the substantial revival of business in every section of the country.

Respectfully,

UNION PUBLISHING CO.,

Publishers.

WHOLESALE IMPORTERS OF

DRY GOODS,

CARPETS, WOOLENS,

—AND—

FANCY GOODS!

TORONTO, ONTARIO.

§o§

THE REASONS WHY THEY ARE ENABLED TO SELL CHEAPLY :—

From their ability to buy for cash they are enabled to purchase from manufacturers direct, and not from dealers.

They buy at the very lowest prices, and get the cash discount.

They buy all their goods by separate departmental buyers, who buying for their special rooms only, bring to bear on all lines bought, great attention, knowledge and expertness.

Doing a large trade, they are able to make the rate of expense low, which would be impossible in a smaller trade, and selling largely, are satisfied with a small profit.

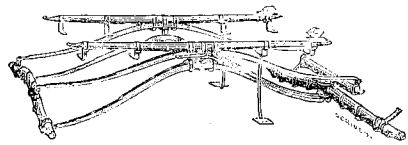
"The Paragon."

(Patented 1877 and 1882.)



MANUFACTURED BY THE ANCASTER CARRIAGE CO'Y,

ANCASTER, ONT.

The Paragon combines more points of excellence than any other Gear in the market, and the attention of the public is particularly directed to the following special features of this Gear :—

1. It consists of four springs, reaching from front to rear, together with the necessary couplings and fifth wheel. Two of these springs, the upper ones, run parallel, and two, the lower ones, reach from the collar of each of the arms of the hind axle to the centre of the front axle, where they are joined to the fifth wheel. The peculiar combination of springs, and the ingenious manner of attachment, make this the best spring reach gear over offered to the public.

2. It is entirely free from any jar, the long springs giving it an easy and gentle motion.

3. The lower springs cross beneath the upper ones in the centre, and thus do away with that objectionable feature in many gears, an unpleasant side-sway.

4. The manner in which they are fastened together in the centre makes each spring bear an equal share of the weight they are required to carry, and causes the wheels to track perfectly.

5. The couplings by means of which the springs are atttached to the axles are made of the best Lowmoor Iron, and are strong, neat and noiseless.

6. In passing over even the roughest roads the elasticity of the springs prevents any injurious strain upon the gear.

7. Every detail in the construction of this gear is based upon sound mechanical principles. The materials used, as well as the workmanship, are of the best quality. This gear is finished complete with two wrought iron steps on each side, side bars, body loops and shaft couplings.

The testimony of those who have thoroughly tested this gear by continuous use for four or five years, is that it combines with its other merits unequalled

Ease and Comfort in Riding, with Great Durability.

PETLEYS'

—THE—

LEADING CARPET HOUSE.

Ours is for many reasons the Leading Carpet House.

FIRST—Our prices are lower than those of any other house in the city.

SECOND—Our stock is entirely new and consists of this season's goods only.

THIRD—All our stock is purchased direct from the manufacturers.

FOURTH—We carry more best quality Brussels Carpets than any house in Canada.

FIFTH—Our stock of Tapestry Carpets is superior to any on this continent.

SIXTH—We buy only from first-class makers, such as Henderson, Southwell, Templeton, Crossley, Brinton, Hughes and Firth.

SEVENTH—Nearly all our best patterns are made especially for us and confined strictly to our house.

EIGHTH—Being direct importers and cash buyers, we are in a position to sell carpets retail at and below wholesale prices

NINTH—All the newest designs are regularly forwarded to us by our Mr. J. W. PETLEY, who is a resident of Manchester, Eng.

INSURANCE CO'Y

OF ENGLAND.

Capital, Ten Million Dollars

Assets, Twenty-Eight Million Dollars.

Annual Income over Six Million Dollars.

Invested in Canada, chiefly with Government,

$750,000.

FACTS WORTH REMEMBERING.

The ROYAL has the Largest Surplus Funds of any Fire Insurance Company in the World.

The ROYAL has the largest deposit with the Dominion Government of any other Insurance Company.

The ROYAL owns more real estate in Canada than any other Fire Insurance Company.

The ROYAL does nearly double the business in Canada of any other Fire Insurance Company.

The Conditions of the ROYAL'S policies are more liberal than those of other Companies doing business in Canada.

☞ The liability of the ROYAL'S Shareholders is unlimited. ☜

In conclusion, remember that SECURITY should be the FIRST consideration and that you may better carry your OWN risk than entrust it where you have not ABSOLUTE security.

Agents in nearly every town and township in the Dominion.

☞ Losses promptly settled by Head Office in Canada, without reference to Home Office.

The Newly Imported
Percheron Stallion
GLORIOUX,

The Property of the Undersigned, will stand for Mares during the Season of 1884, at the Market Hotel Stables, Berlin.

GLORIOUX is a dark gray, slightly dappled, 17 hands high, and weighs 1920 pounds. Was bred at Noyent Le Rotrou in the old department of La Perche, France, by M. Miard ; he was got by M. Perrol's government approved stallion Norman, and has wonderfully inherited more of the valuable qualities of the Percheron race than are often found in one animal. GLORIOUX was imported from France in July of last year, and was purchased by Mr. McManus a few weeks after his arrival, from the great importing and breeding stables of M. W. Dunham, Wayne, Du Page County, Ill. GLORIOUX is four years old, and for combination of size, style and action has never been equalled in this section. He is pronounced by all who have seen him just the horse that was required in this county.

Terms :—Insurance $15 ; season $12, payable at last service ; single leap $10, payable at time of service. Insured Mares must be returned regularly to the horse or they will be charged as season Mares whether in foal or not. Parties disposing of their mares before foaling time will be charged for the insurance whether in foal or not. The above rules will be strictly enforced.

James McManus,
Proprietor and Manager.

The Newly Imported
Percheron Stallion
MOKENA,

The Property of the Undersigned, will stand for Mares during the Season of 1884, at the Market Hotel Stables, Berlin.

MOKENA is a dark grey, white strip in forehead ; foaled in 1380, and imported from France in 1882, and was considered the best colt of his class in that importation. MOKENA was got by imported Brilliant in 1271 ; he by imported Brilliant 1899 ; he by the famous old horse Coco. MOKENA stands 16½ hands high and weighs 1760 pounds, and will when fully developed go over a ton. He is a horse of very even conformation, having a very broad breast and grand quarters and shoulders, coupled with an extra good back, a beautiful loin, forearms and thighs well muscled down, immense bone and extra good feed. Having so much substance and great vitality so fashionably bred, he cannot fail to keep up the standard of the Percheron horse, which has now become so famous. Mokena's sire Brilliant 1271 now stands at the head of Mr. M. W. Dunham's breeding and importing establishment at Oakland, Ill., the largest of the kind in the world, and is thought so much of as a stock getter that he imported thirty of his colts in 1882. He also refused the handsome sum of $5,000 for him last season.

Terms :—Insurance $15 ; season $12, payable at last service ; single leap $10, payable at time of service. Insured Mares must be returned regularly to the horse or they will be charged as season Mares whether in foal or not. Parties disposing of their mares before foaling time will be charged for the insurance whether in foal or not. The above rules will be strictly enforced.

WOODSTOCK COLLEGE,

WOODSTOCK, ONTARIO.

During the last three years this College has undergone a thorough reorganization. In that time the attendance has doubled, a large endowment has been secured, and many thousands of dollars have been expended in improvements, all of which have enabled the management so to increase the efficiency of every department that the school now stands unrivalled among similar institutions. The organization includes the following:—

Collegiate Course.

This course is equal to that of many Colleges with degree granting powers. The following work receives special attention:—Preparation of students for Matriculation into any College in Ontario, or into McGill, Montreal; into the schools of Law, Medicine, and Civil Engineering; for non-professional examinations for public school teachers, etc.

Ladies' College.

While ladies are admitted to all the courses of the College on equal terms with gentlemen, yet special courses for them are provided in which they may have all the advantages of study under a large staff of able and experienced teachers, and at the same time follow their tastes in the class of work undertaken.

Commercial College.

The Woodstock Commercial College now stands among the leading Commercial Colleges of the continent. None more thorough or complete. Our premises have been thrice enlarged in three years, and are now fitted up with all the most recent improvements. There shall be no Commercial College in Canada better than this. Terms very moderate

Boys', or Preparatory School.

We can receive a limited number of boys from twelve, and ensure wise safeguards and careful instruction.
