IS THE BEST!

## INTRODUCTION.

OTTAWA is still prosperous, increasing in population and wealth, with many fine residences being built, as well as blocks of stores. There is a danger of it growing too fast, and we feel like sounding a warning.

There is no doubt that our Directory of Ottawa, for 1898-99, will be found to be equal to any previous issue.

We have done our best to keep it up to the highest point in useful and reliable, up-to-date information.

There are eleven more pages in the A.B.C. part of the work than in our last issue, thus shewing a steady increase in the population.

We have avoided increasing the size of the book any more than is actually necessary, by the increased amount of information.

Thanking all who have so kindly assisted us in procuring information,

We remain, yours truly,

The MIGHT DIRECTORY CO. of Toronto, Limited,
