CAPITAL, PAID UP - - - \$100,000.00

Entered according to Act of Parliament of Canada; in the year One Thousand Eight Hundred and Ninety-four, by the Proprietors, in the Office of the Minister of Agriculture.

INTRODUCTION.

We again take pleasure in returning our sincere thanks, for the valuable assistance rendered by many of the citizens of Ottawa in helping us to procure the necessary information for the present issue of our Ottawa City Directory for 1894 and '95.

It is very much more difficult than is generally understood to secure reliable information for a work of this kind, and we have spared no expense or trouble that is necessary with the intention of excelling any previous issue. We are glad to be able to state, that notwithstanding the cry of hard times, our patronage list exceeds that of any former issue, and although financially it is no bonanza for us, we are in hopes that ere long we may be able to realize a fair remuneration for our expenditure and labour in this undertaking. We are well aware of the fact that there is too much borrowing going on, and we think it is a shame for business men to tell our canvassers, that they have no use for a directory, when at the same time they are constantly bothering their more liberal or enterprising neighbors. When a copy of a work that is so useful and reliable can be procured for so small an amount, there is no excuse for imposing upon your neighbors.

We have had extensive experience in the Directory business for the last nineteen years, and we feel that it is our duty to again warn you against allowing yourselves to be imposed upon by fakes and trashy productions that have no merit in them.

A good reliable directory can only be produced by employing trained hands under skilled direction, and the greatest of care must be used in all branches of the work. It will pay you well to see that the name of The Might Directory Co.,(Ltd.) is on all orders signed by you, as we are in a better position to give you good value for your money in that line than any other individual or firm.

Those advertising fakes that are merely canvassed for orders for advertisements at any price you may wish to give them, are useless and you throw away just so much money.

You will please notice that although the Ottawa Directory is not larger than last year there are 1,711 individual names more in it, but it is more closely printed. As we now keep the type set up for the Ottawa City Directory we will in the future be able to issue it in less time, which will still add to the value of the work.

An increase of 1,711 individual names would represent the increase in the population of Ottawa for the last year to be 5,133, which is a very good showing for the capital of Canada. Correct number of names in last year's Directory 17,293, this year 19,004, multiplied by three gives a population of 57,012.

Yours Respectfully,

The Might Directory Company of Toronto, Limited.

J. M. MIGHT, *President and*
General Manager.

Directory Borrowers.

The patrons of our Directory are frequently inconvenienced by borrowers; not the stranger or private citizen, who steps into the office, looks at the Directory, gets his information, and goes out; but by business men, who continually need it for reference, yet are too mean to buy one. These are the men who carry off your Directory "just for a few minutes," which generally means a few days or weeks, unless you send for it before; it is scarcely in its place before another request—*Please lend me your Directory for a few minutes*—These same borrowers tell our canvassers that they have no use for a Directory—SHAME!
