"TWIN"

 "BROS."
 IMPROVED
DRY HOP YEAST.

The "TWIN BROTHERS," after many years successful business in the Dominion, are desirous of expressing their sincere thanks to their customers and the public for past favors.

They refer with pride to the unexampled preference shown for their Yeast. During the last few years Canada has been inundated with various brands of so-called yeast, amongst which we may enumerate :

Mrs. Churchill's Yeast,
The Diamond Yeast,
The Dominion Yeast,
The Star Yeast, &c.

Dead and Buried

THROUGH THE

ACKNOWLEDGED SUPERIORITY

OF THE

'Twin Bros' Yeast

All these worthless Trade Marks are now bankrupt and their offspring out of the Market; the superior qualities of the "Twin Brothers'" Yeast having completely killed them. The Country knows them no more. The little remaining on store-keeper's hands is so much rubbish, and we warn all against it.

Our Agents are now going through the country, taking up Old Stock, and replacing it with "Twin Brothers'" Latest Improvement. The Yeast we are now placing in the Market is warranted to be, without exception, THE BEST ARTICLE EVER INTRODUCED to the public, and makes the SWEETEST and LIGHTEST BREAD ever known.

For sixteen years the "Twin Brothers'" Dry Hop Yeast has enjoyed the confidence of the Trade, and to-day stands without a rival. It is the only article that has commanded such universal satisfaction, and has a world-wide reputation.

At the late World's Fair in Vienna it received the Gold Medal and honorable mention from the Committee.

We ask everyone to give it a fair trial, feeling assured that when once properly used, no household will be without it.

Ask your Grocer for it and see that he gives it to you FRESH.

PREFACE.

A great want having been felt and frequently expressed, both by residents of the village and many merchants in the City of Toronto, for a complete Directory of Yorkville, the publishers, at some risk to themselves, undertook to bring out a work of the kind desired.

To the Merchants, Manufacturers, and other inhabitants of Yorkville, the publishers take this opportunity of returning their most sincere thanks for the patronage they have received, and also to the inhabitants generally for the courtesy and assistance they have met with during their canvass for information. In particular they are happy to record their sense of gratitude for the assistance received from W. H. Archer, Esq.,

DESCRIPTIVE AND HISTORICAL SKETCH OF YORKVILLE.

YORKVILLE is an incorporated village in the County of York, situated due north of the City of Toronto ; population, about 4,500. From the Toronto Bay the ground rises gradually, until at Yorkville it is upwards of fifty feet above the level of the lake. The air being pure and healthy, Yorkville has for many years been a favorite place of residence for those who prefer to live away from the noise, dust and turmoil of city life.

The Street Railway cars running daily from the Town Hall, Yorkville, to the St. Lawrence Hall, Toronto, between 6 a.m. and 11 p.m., at intervals of five minutes, afford every facility for easy access to the busy centres and places of interest within the city.

The low municipal taxation, which has heretofore been less than one-half of that in Toronto, being another inducement to those who desire to have a homestead in a perfectly healthy neighborhood, and with all the other advantages which the village has to offer.

Forty-five years ago Yorkville consisted of nine houses, one of which, the Red Lion Inn, has ever since its erection, been continuously a tavern. Of the other eight buildings one was a distillery, one a brewery on Bloor street, the remainder being private residences. Until 1853 it remained part of the Township of York. In that year it was incorporated a village, the first Councillors being James Dobson (the first Reeve), John Severn, Thomas Atkinson, James Wallis, and Peter Hatty ; all of whom, except Mr. Atkinson, deceased, are yet residents. The village coat of arms, a jack plane, beer barrel, brick mould, anvil, and bull's head, being symbolical of the business avocations of the members of the first Council. Yorkville has had a distinct individuality, so to speak, from the first, and the inhabitants seem to prefer self-government.

Yorkville has several handsome public and private buildings. Amongst the former are the Town Hall on Yonge street, and the Public School House on the Davenport road. It has English, Congregational, Baptist, and three Methodist Churches; a Temperance Hall, etc., within its bounds, besides several others within easy access in the north and south. Many of the private residences are very handsome.

Through the public spirit and enterprise of the Municipal Council and the Reeve, John Severn, Esq., Yorkville has had since the fall of last year (1875), Water Works which afford a constant supply of pure water for domestic purposes and due protection against fire. The water being obtained from a living stream is remarkably pure, and is conducted by iron pipes to every part of the village. The Yorkville Water Works, Retaining Basin, and Reservoir are situated just outside of the Municipality on the north, and when completed, the equipment will vie with any other of like capacity in the Province, both as regards efficiency and economy in its construction. Water hydrants are to be found on all the streets in the Municipality in such position as to reach any house in the event of fire, and a Fire Alarm Telegraph is now being constructed.

Although essentially a place of residence, Yorkville has been and is justly celebrated for its excellent brick and drain tile manufactories, where about eight millions of brick and large quantities of tile are made annually. In particular we may mention the manufactory of Mr. Leonard Pears, on Davenport road. Messrs. Staunton & Son have a large wall paper factory here. There are also other factories and a large brewery belonging to Mr. Severn, where ale and porter are manufactured "second to none" in the Province.

Possessing abundant supplies of water, gas, and all other requirements of metropolitan life, Yorkville seems bound to become a large and prosperous town.
