PREFACE.

THE PUBLISHER in presenting his FIRST EDITION OF THE COUNTY OF WENTWORTH GAZETEER AND DIRECTORY desires to state that owing to the great popularity his Niagara District Directory has achieved, and yielding to the numerous requests of the business men of the City and Dundas to publish an accurate and reliable Directory at a reasonable price, he has in the present work complied with the demands of the public. Of course in the first edition there will naturally be errors, but he hopes there are but very few. Every possible pains has been taken to render the book accurate and up-to-date.

The Directory will be published by him every two years, and it will be to the interest of both parties that the people support the publisher.

COUNTY OF WENTWORTH.

The County of Wentworth is bounded on the north by Halton and Wellington, on the south by Haldimand, on the east by Lincoln and Lake Ontario, and on the west by Brant and Waterloo. It consists of the Townships of Ancaster, Barton, Beverly, Binbrook, Flamboro East, Flamboro West, Glanford and Saltfleet; the Town of Dundas and the incorporated Village of Waterdown. The soil of this county is very fertile, is well watered by numerous streams, and every variety of landscape, hill, valley, plain and meadow is to be met with. The scenery in many places is remarkable for its extreme beauty.

The first settlement was made in the County of Wentworth in 1786, and the population now, exclusive of that of the City of Hamilton, is 26,500. There are 272,300 occupied acres in the county, an assessed valuation of \$14,000,000 real property, and \$197,800 personal property. Of the occupied land 210,384 acres are cleared, there are 47,467 acres of woodland, and 17,181 acres of swamp or waste land.
