PREFACE.

The publishers, in presenting their TENTH ANNUAL EDITION of the City of Hamilton Directory, present their acknowledgments for the patronage so liberally bestowed, and beg to state that everything has been done to render the work complete and reliable—every house in the city having been visited by our agents. In a compilation of this kind it is impossible to obtain perfectly accurate information, many persons misjudging the character of the work, will purposely give incorrect names, others refuse information, and the orthography of proper names offers another great obstacle. We trust this work will contain but few errors, and we respectfully urge our claims to lenient criticism.

Our patrons are requested to see that all subscription orders for our next edition bear our name.

Several of our patrons complain that certain persons are in the habit of constantly borrowing Directories, and when most needed they are not to be found. The best remedy for this evil is not to permit the book to leave your premises. Every business man requires the book and can afford to purchase it.

MANUFACTURERS OF STANDARD

Electro Gold and Silver Plate.

MERIDEN, CONN.,
NEW YORK,

SAN FRANCISCO,
CHICAGO,

BRANCH FACTORY,

Corner of Cannon and Wellington Streets,
HAMILTON, - - ONTARIO.

OUR TRADE MARK FOR WHITE METAL

Many of our Patrons having, through a similarity of names, purchased other wares under the impression that they were of our manufacture, we are compelled to ask especial attention to our Trade Marks.

OUR TRADE MARK FOR KNIVES, FORKS AND SPOONS:

"1847, Rogers Bros., A1" or "1847, Rogers Bros., XII."

The A1 goods are extra heavy plate, and the XII signifies that in addition the goods have an extra quantity of silver on all the parts most exposed to wear.

The fact that our name and Trade Marks are being so closely imitated should be a sufficient guarantee to the public that our Wares are the best in the world.

WE RE-PLATE OLD WORK AND MAKE IT EQUAL TO NEW.

ONE OF THE WONDERS OF THE WORLD ! THE CONCERT ORGAN AND AUTOPHONE.

THIS SIZE \$6.00

This engraving represents the instrument, and the mode of playing it requires no skill or musical knowledge, and even a child may play the most difficult pieces.

We put this new Musical Instrument on the market solely upon its merits, and with confidence that it will give complete satisfaction.

It is simple in its construction, not liable to get out of order and easily managed. Can be played by a child six years old. Will furnish amusement to all. It contains 22 notes and plays in three different keys. It is tuned so that it is a good accompaniment to the voice. The workmanship is of the best quality, the wood being black walnut, finished in good style. We invite comparison in regard to its musical as well as its mechanical execution. It is truly wonderful what a scope and with what precision it executes. It is one of the kind that speaks for itself, and need only be seen and heard to be appreciated.

REID INTERVIEWED.

How the News of Armstrong's Return was Received.

Mr. James Reid is an old and respected merchant in this city, and is considered one of "the solid men of the town." The news contained exclusively in yesterday's TRIBUNE that the new Mrs. Reid has two husbands has created a general sensation in the city. Mr. Reid was interviewed to-day in reference to the matter.

"I can't deny that Armstrong is alive, for I don't know anything about him. I always understood that he was dead, and I had a lawyer investigate. The result was to give information that he was dead. More than that, a letter came from a man in Toronto, and it read as if the writer had been at Armstrong's death-bed. I made all possible inquiries, and so did Mrs. Reid, before our marriage, and we could not find any trace of Armstrong."

Mr. Reid is naturally very much exercised over this startling turn in his affairs, and of which he knew nothing till he read it in THE TRIBUNE. The first husband has not turned up since, and it is doubtful when he will be seen again.
