FARMERS' AND BUSINESS

DIRECTORY

——FOR THE COUNTIES OF ——

DUFFERIN, PEEL AND YORK

FOR 1890.

VOL. VI.

UNION PUBLISHING CO., OF INGERSOLL,

PUBLISHERS.

PREFACE.

The publishers in presenting the sixth edition of their Business and Farmers Directory of the counties of Dufferin, Peel and York have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office, lot and concession, a complete list of towns, with business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support we remain,

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,

TERMS.

Orders by express, C. O. D, must be accompanied by at least $1.00 to guarantee the taking of the goods. We add return charges on money when amount is below $15.00. Remit postal money order or by registered letter or express.

We desire, by filling all orders direct to give you the benefit of General Agent's commissions and so largely increase your profits.

Send on your orders; you will make no mistake ordering as large an amount as your capital will warrant.

This entirely new and novel article consists of a very beautiful Case, in book-form, containing 6 Papers of our celebrated EGG-EYED NEEDLES, different sizes, 25 in each paper—150 NEEDLES IN ALL. The Case is manufactured from fine English card-board and is handsomely ornamented in rich colors, and its neatness, compactness and durability makes it a useful and ornamental receptacle for needles, both at home and abroad. Only by manufacturing the goods in great quantities and where labor is very cheap, they can be afforded at our extremely low rates.

In offering you the Agency for this new article we don't say you can clear $10 or $15 a day [though no doubt some active and experienced canvassers WOULD DO THIS], but if you are satisfied to make from $3 to $5 a day, without any great exertion—say 8 hours' work—and be your own master now is your chance. This certainly is far preferable to constant injurious confinement in shops and mills, or hard labor, day after day, in house or fields.

Our most successful Agents leave the case for examination. Any one can see for themselves that THE GOODS ARE FIRST-CLASS, and less than ONE-HALF THE STORE PRICE FOR COMMON NEEDLES! If you work in this way, you leave, say 100 cases in the morning, and collect in the afternoon. The average sales are about one out of every three you leave, but very often you will sell one-half; should you however dispose of BUT ONE IN FOUR, you would then realize a profit of about $4 per day, and this you can hardly fail to do under any circumstances. You can easily leave 25 an hour, from 8 to 12 o'clock, take an hour for rest if you wish, then begin to collect the money at 1 and be done at 6.

The fact is, the more you leave the more you can collect, and therefore sell; but if you leave 75, which is not much more than half a day's work for an old agent, you can make much more than ordinary day wages. WHERE HOUSES ARE FAR APART you sell and deliver as you go along, as the GOODS SELL ANYWHERE AT SIGHT.

If you want to get a better idea of the article before engaging in its sale, we will pay the postage and send you a FULL SAMPLE CASE ON RECEIPT OF 25 CTS., that you may examine for yourselves. You can let any member of your family or lady friends try the needles; they will tell you what they are; ask them if they would not be glad to get this amount of needles for 25 cts. EVEN WITHOUT THE CASE.

The Cure of the Throat and Lungs.

Dr. Robert Hunter of New York and Chicago, the founder of the practice of treating throat and lung diseases by medicated air, who has made a specialty of these diseases for over 40 years, in association with Dr. James Hunter, has opened a branch office for Canada at 71 Bay street, Toronto, where catarrhal, bronchial and consumptive diseases are now treated by medicated air as successfully as in New York and London. This treatment has been so successful as to cause its adoption in all hospitals for the special cure of the lungs in England and throughout Europe, where Dr. Robert Hunter introduced it in person, as he is now doing in Canada.

Patients can be treated at home. Those unable to come to the office for examination are sent a list of questions to be answered, on the return of which Dr. Hunter gives his opinion of the case and explains the treatment.

A little book explaining their mode of cure can be obtained free by applying at 71 Bay street.
