PREFACE.

The publishers in presenting the third edition of their business and Farmers Directory of the counties of Bruce, Grey and Huron, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district, it will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village, with postoffice lot and concession, a complete list of towns with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither but have made every effort to make a reliable work worthy of the confidence of business people

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support we remain,

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,

PUBLISHERS,

INGERSOLL.

COMMERCIAL :-: UNION

I care nothing about with the U. S., but I do desire Union with the citizens of Exeter and surrounding country. Owing to the depression of the market, I have been able to purchase my new stock much below the regular wholesale prices, and will give my customers the benefit of it. My stock consists of

DRY GOODS,

Groceries, Hats & Caps,

BOOTS & SHOES,

Crockery, Glassware, Etc.

The prices of which are in no way influenced by Customs Duties or other tax impositions. I do not give my goods away, but sell them at the lowest figure consistent with good business principles. Parties in want of goods, consult their own interests by examining my stock before purchasing elsewhere. Remember this is a New Stock.

No TROUBLE to SHOW GOODS
