GRIFFIN & KIDNER, PRINTERS, 47 KING WILLIAM ST., HAMILTON.

PREFACE.

THE publishers, in presenting their FIFTEENTH ANNUAL EDITION of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, the great majority of whom they are happy to know are personal friends or acquaintances, that as in the past, so in the future, every means in their power will be exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be, and if errors are discovered we solicit a lenient criticism.

The present volume contains upwards of 12,000 names of male adults, widows, and women engaged in business, being about 25 per cent. of the estimated population (50,000).

Wishing our patrons a favorable year, we take our leave, hoping in due time to request their support for the *sixteenth* edition to this book.

Please see that all orders bear our name.

KELLEY'S PATENT CLOSET SEAT

PATENTED 1887.

NO OFFENSIVE ODOR. SELF-ACTING.
NO TROUBLE TO CLOSE DOWN THE LID.

THIS ingenious invention can be attached to any outside Closet. It is so constructed that the pan remains closed all the time and can only be opened when the closet is in use, thereby preventing any odor. It is self-acting and can be operated by the smallest child. No family should be without one. It can also be used as a night closet. It has been admitted by the medical faculty that a great deal of the sickness in large cities is caused by bad odors from water closets. At a small cost all this risk to health can be done away with and your closets made pure. There is a ventilating pipe, attached to each closet.

NOTICE TO THE PUBLIC!

WE deem it our duty to warn our patrons against certain "Directory publishers" who have recently appeared in the province, and who by the most disreputable representations obtain orders for their imperfect and often almost worthless publications. Several parties in this city have been victimized in this manner. Please see that all orders for the City of Hamilton Directory bear our name and address. Maps, calendars, business charts and other so called first-class advertising mediums will also bear investigation.

NOTICE TO THE PUBLIC.

CITY DIRECTORY.

We respectfully call the attention of our fellow-citizens to the following :

Since 1873, when we commenced the publication of this work, we have been residents of the city, our interests centre here, and all our assistants are citizens. The work is completed here, and as it is essentially a local enterprise and business necessity, and as every citizen has an interest in it, the book should not be the property of an outsider. In November last Messrs. R. L. Polk & Co., of Detroit, Michigan, came here without announcement, and after two weeks' canvass demanded the sum of three hundred and fifty dollars to buy them off. For reasons which every man of honor can understand, we rejected the proposal, and the result is they are publishing an opposition directory, for the avowed purpose of supplanting us. Our Directory is most carefully compiled, and includes everything essential to a first-class work. The alphabetical list contains about 12,500 names, male adults and widows and females engaged in business, which, taking the city and environs at 50,000, gives 25 per cent of the whole population. Our rivals depend on public favor by offering a big book, which includes the names of youths of both sexes from 16 years of age, by giving the addresses of workmen at their places of employment, and names of casual visitors and non-residents ; in short, everything to make a large and attractive-looking work. All this is not only superfluous, but annoying and misleading, as every employer well knows. Supposing any Canadian undertook to publish a Directory of the city of Detroit, the headquarters and residence of Messrs. R. L. Polk & Co., what would be the chance of success ? Would he not soon hear there was sufficient intelligence, patriotism and encouragement for home industry without the interference of CANADIANS and FOREIGNERS ?

☞ We respectfully solicit the continued support of our fellow-citizens, assured that the city of Hamilton will never submit to the reproach of being in this essentially local matter a mere outpost of Detroit, Mich., or a small link in the chain of a foreign and selfish monopoly. R. L. Polk & Co. publish the directories of Toronto and the province of Ontario. How long would a Canadian be permitted to publish the directories of Washington and the District of Columbia ? " Headquarters for publishing Canadian directories, Detroit, Mich. ; branch office, Toronto ; sub-office, Hamilton," don't look well. It is too anti-British-Canadian. ☞ Communications on this subject solicited.

To avoid mistakes, please notice that all orders presented for signature for the City of Hamilton Directory bear our name.

W. H. IRWIN & CO.
