BUSINESS DIRECTORY

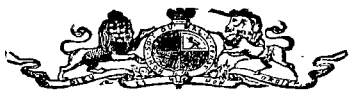
AND DARLINGTON TOWNSHIP.

1900.

VOL. XII.



ISSUED BIENNIALLY BY THE

UNION PUBLISHING CO., OF INGERSOLL.

PREFACE.

The Publishers in presenting the twelveth edition of their Business and Farmers' Directory of the Counties of Dufferin, Ontario, Peel and York have endeavored to merit the approval of the public by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or viilage, with post office, lot and concession, a complete list of towns with business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain,

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,

PUBLISHERS,

INGERSOLL.

We teach BUSINESS at this College.

IT'S THE WORK THAT TELLS.....

HERE'S THE TEST OF A BUSINESS COLLEGE

We refer with pardonable pride to men like Hugh Blain, W.T. Matthews, R.T. Coady, W. K. McNaught, and hundreds of other successful merchants and financiers—graduates of this college—as evidence of the work done here. Success awaits those who obtain this kind of teaching . . .

Our subjects include BOOK-KEEPING, STENOGRAPHY TYPE-WRITING, PENMANSHIP, BUSINESS PRACTICE and ADVERTISING—taught by experienced business men and experts in their particular line . . .
