THE

MONTREAL CITIZENS' DIRECTORY

Will be, next year, so improved and enlarged as to give one hundred and fifty pages more of practical and useful information.

Will next year attain the highest degree of accuracy and be the most perfect directory ever published in America.

The publishers intend, after a year or two, to sell their directory, bound, at the very low price of $1.00.

The price of three or four dollars for such a work has deprived, for many years, hundreds of Citizens from the advantage of having a directory both at their offices and at their homes. Those times are over.

The publishers will be glad to give every useful and reasonable information desired by the Montreal Citizens, without charge.
