NO BAY ICE 

Or Ice from any other source than **Lake Simcoe** has been cut by the **Bell Ewart Ice Co.**

We are the only company who deal exclusively in Lake Simcoe Ice, and have harvested nearly twice as much as all the other dealers combined.

All our Ice is planed and corrugated after leaving the water, thus enabling us to claim to be the **only dealers** who can supply you with Ice absolutely free from all impurities.

Before ordering, enquire what is going to be done with over **70,000 tons of Bay Ice** cut and stored by the different Ice companies.

By ordering from the Belle Ewart Ice Company you will run no risk of using anything but the purest of Lake Simcoe Ice.
