When steamers leave New York before 8 a.m., passengers should leave Winnipeg the day previous to that given above.

All Steamship and Railway Ticket Agents sell tickets at the lowest rates obtainable, and engage berths or staterooms for intending passengers, without extra charge.

Money is saved by purchasing tickets at starting point, as the through fares, in connection with ocean passages, are generally less than the ordinary rate to the seaboard.

The cheapest saloon fares provide for single berths in rooms (usually inside) containing three or more berths. The next higher fares provide for berths in rooms better located, containing two berths inside room, or three berths outside room. The highest fares are for outside rooms containing two berths in best location. The Saloon privileges, table, etc., are precisely the same for all saloon passengers, regardless of the price paid for stateroom accommodations.
