PREFACE.

The publishers in presenting the fourth edition of their Business and Farmers Directory of the counties of Elgin, Middlesex, Norfolk and Oxford have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support.

We remain,

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,

Publishers,

INGERSOLL.

Entered according to Act of Parliament in the year 1883, by J. F. Morrey, in the Office of the Minister of Agriculture.

A WONDERFUL LAKE.

Eight miles from Cheney, the County seat of Spokana County, Washington Territory, and on the line of the Northern Pacific Railroad, is situated Medical Lake. This Lake is about two miles long, and from a half to three fourths of a mile wide, with an average depth of about eighty feet. It is famous all over the county on account of the peculiar qualities of its waters. When analyzed, they are found to contain sodic and potassic chlorides; lithic, sodic, magnesic, ferrus, and calcic carbonates; sodic silicate, and aluminic oxyd.

Now, these well known remedies, coming as they do, direct from nature's own factory, are perfectly pure and correspondingly valuable. Thousands of thousands of wonderful cures are related as the results of drinking and bathing in this Lake.

The waters of the Lake are evaporated and the salts which remain can be sent all over the world, and by putting a small amount into water you obtain the same results as if you were at the Lake itself.

These salts bear the highest endorsement of some of our most eminent physicians, and it is claimed that the powders are a specific for Dyspepsia, Indigestion, Liver, Kidney, Bladder, Blood and Skin troubles, and Sick Headache, Paralysis and Rheumatism. It is the great nerve-giving power.

Following are a few of the testimonials from citizens of London, where these wonderful salts have been introduced for the last few months only:

One of the Best Known Citizens of London Cured of Paralysis.

London, Ont., April 11th, 1888.

J. A. Boulanger, Esq., Dominion Agent for the Medical Lake Salts, London, Ont.:

DEAR SIR,—Permit me to say that I have been afflicted for near two years with nervous paralysis. I have had the best medical skill I could get, but failed to get relief. At your request I tried the merits of the Medical Lake Salts, and I am happy to say with wonderful results. I was afflicted on the right side, my right arm and leg were almost useless, after using the Salts for about two weeks I could walk out for a mile, if I wanted to, and my hand and arm gained very fast in strength. I have been using the Salts now about three months, am feeling well, and have almost regained my usual strength and vigor. I can recommend the medicine, as I know it is good. Other members of my family have tried it for various ailments, and found it good in every case, and believe it will do all it is claimed. Any one desiring to refer to me are welcome.

Yours truly,

STEPHEN SAUNDERS, 527 Dundas St.,

London, Ontario.

P. S.—I know a hundred of our citizens that have been using the Salts with remarkable results

Robert Hannah, Justice of the Peace,

474 Dufferin Ave., London, says:

This is to certify that I have used the MedicalLake Salts for kidney troubles, sour stomach, sleeplessness, etc., etc. I found great relief in using the Salts from the pain and uneasiness I was suffering. It increased my appetite, and I could relish my food well after using the Salts for a few days. I am 76 years old, and was astonished at the speedy relief I got from the Salts I can cheerfully recommend the medicine, and wish it all the success it deserves.

London, Ont., April 12th, 1888.

J. A. Boulanger, Esq., City:

DEAR SIR,—At Mr. Saunders' request I send you a testimonial as to what I know about the Medical Lake situated in Washington Territory, United States. I have been at the Lake and camped on its shores about two years ago. My health was greatly improved by drinking its waters and bathing in the same. I took my son with me to the Lake; he was subject to fainting spells, and had very bad sore eyes. After he had been to the lake three or four days, he was perfectly cured, and has been quite well ever since that time. I saw numbers of people there very sick with dyspepsia, rheumatism, kidney troubles, dropsy, and almost every form of disease. They all seemed to improve in a very short time, and every one I talked with seemed loud in their praises of the wonderful curative power of the water. I can cheerfully recommend to any one who is sick to use the Medical Lake Salts, as I feel assured it will do them good.

Yours truly,

MRS. CHAS. CHAMBERS.

566 Maitland St., London, Ont.

For do you doubt the Rev. H. S. Farrall of Iowa City, Editor of Iowa Methodist, whose wife will gladly inform you of its merits; or Miss Frances E. Willard, President Women's National Christian Temperance Union, who spent two months at the Lake; or Chas. S. Fee, Esq., General Passenger Agent for the Northern Pacific Railway, St. Paul, Minn.; Hon. John Brattain, Baker City Oregon; Hon. J. N. Dolph, Senator for Oregon, Washington, D. C.; Hon. M. C. George, Washington, D. C.; Hon. Z. F. Moody, Governor of Oregon; John Leary, President First National Bank, Seattle, Washington Territory, and many others.

Are you aware that this Company have the sole right of the Lake, and that the capital stock is $100,000, fully paid and non-assessable, and have General Martin Been, President; Prof. F. C. Ruttan, Treasurer; and Hon. E. S. McComas, Secretary.

Price $1 per Box, which will medicate ten gallons of well or cistern water. Sent anywhere by mail on receipt of price.

☞No matter what your ailment may be, try the merits of the "Medical Lake" Salts.

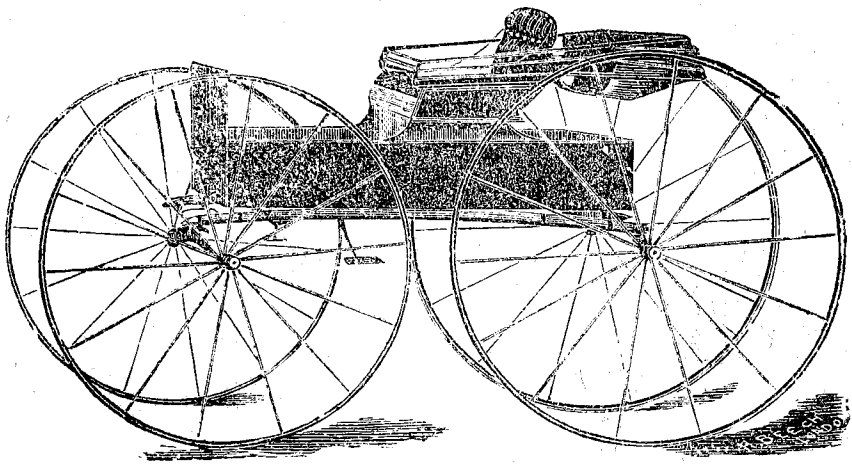
Dominion Carriage Factory.



D. KERR & CO.

ESTABLISHED IN 1855.

Carriages, Phaetons, Buggies, Dog Carts, Speeding Wagons,

Trotting Sulkies, Farm Wagons, Etc.

Our efforts are and have been directed towards the manufacture of an article which shall be the best that can be produced, and at as low prices as any other manufacturer in the Dominion of Canada. Long practical experience and careful attention to the wants of the trade, employing none but the most experienced mechanics, using the very best timber the country can produce, and the highest grades of material the market can supply, enables us to turn out rigs of the most substantial and in the most workmanlike manner. Every particular part of our rigs are made and put together under the supervision of one of the firm.

It is thus we are enabled to keep abreast of the times and look back with honest pride upon the high reputation our rigs have attained during our record of over thirty years in Ingersoll. As in the past so it will be our aim in the future, to maintain our present standard of Quality, Durability and Reliability.

Thanking the public for past favors, and soliciting an inspection of our stock. No trouble to show our rigs and quote prices. Without a trial there is no denial.

Respectfully Yours,

D. KERR & CO.,

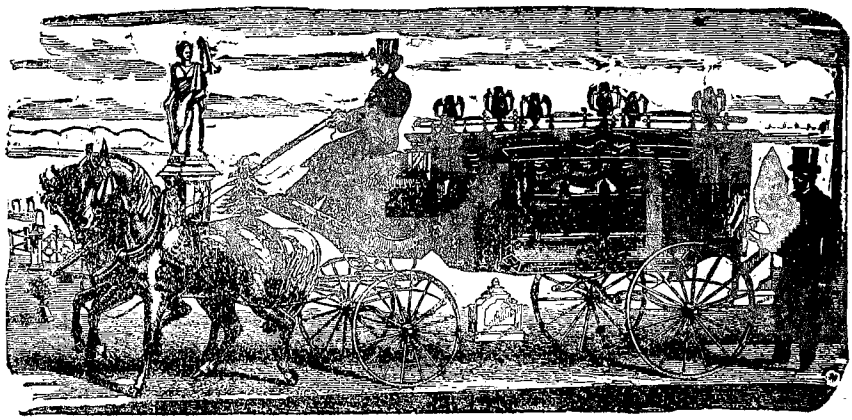
To The Public.



We have started an Undertakers' Establishment in St. Thomas. We are not and will not be bound down by the Undertakers' Ring in Prices. Our prices are 15 and 25 per cent. less than theirs. Bear in mind that wherever there is a ring the purchaser has to pay for it. Best stock of CASKETS and UNDERTAKERS' HARDWARE made in America. Inspection invited at all times. Caskets for which other dealers charge from $100 to $150, we sell at $75. Hearse and attendance free. All other caskets proportionately low. Two of the finest Hearses in the west, including White Hearse especially for children. Only one in the city. The influence and patronage of the public are respectfully solicited. Shop, three doors east of Grand Central Hotel, Talbot Street, St. Thomas. Telephone connection.

The Tilsonburg Observer

ESTABLISHED 1863.

Is the best known, most widely read and most influential newspaper in the Southern Counties between St. Thomas and Welland.

Tilsonburg is situated at the extreme South-western corner of Oxford, where it adjoins the North-western corner of Norfolk and the Nortn-eastern corner of Elgin, and the OBSERVER has a large and ever increasing circulation in all three Counties.

It has more local correspondence than any other half dozen newspapers in the district combined ; publishes the best market reports in the district ; and is consequently the best farmers' paper in the district. But *everybody* likes it and reads it and is talking about it : therefore it is the paper to take and the paper to advertise in if you have business or other interests in the vicinity of Tilsonburr.

OUR JOB PRINTING DEPARTMENT

Is one of the best equipped in Canada outside the cities ; and work is done at and below city prices.
