## EDITORIAL.

It was gratifying to see a little interest awakened in connection with the election. This spirit should grow so that no office from the president down can be secured without keen competition. Our Association will grow stronger if we have men elected who are honored by being selected from a number of capable candidates. We welcome the new members on the executive, and trust they will add the necessary impetus to make the season of 1920 the best ever enjoyed.

We have been pleased with the commendation of last year's illustrated weekly both from our members as well as from people in no way connected with our Island home. Now we want to make this year's fifty per cent. better. One way to do it—and that is for every individual who has photographs of general interest to hand them to the secretary, Mr. Howard. Do this at once, as the issue must be published shortly.

The one great lack of our Association is a new clubhouse. Our sailors are

without quarters. We must meet this need or else we will miss the boys—and our loss will be the gain of those clubs which have suitable accommodations. It can be said that such a move is, at the present time, foreign to the sailing members, as there are some sixty who have agreed to take canoe or dinghy racks, but continued disregard of their wants will naturally drive them elsewhere. This rental would ensure quite a revenue in itself and form the nucleus of a large income.

In addition to the aquatic life, there is our dancing. The shelter is entirely too small for the Tuesday evening attendance. The world, as you know, is dance crazy, and our little Island has not escaped the germ. Almost any evening of the week a number of Wardites wend their way to Centre or Hanlan's. We should satisfy their desire at home. With a large smooth floor, surrounded by wide verandahs, built over the canoe and dinghy racks, we could run a number of dances each week. These would be large revenue makers, even with our small charge. In addition to the dance, we could take care of all other entertainments in a wholesome manner.

Judging from the receipts of our present dance, and taking into consideration the income for rack and locker space, there should be no hesitation on the part of anyone to endorse this proposition heartily. A twelve thousand dollar clubhouse will pay for itself in six years, if not before. It is no bubble chase; it is a certainty.

A modern and up-to-date clubhouse would give new life to our aquatic sports. It would augment our present high standing among the various clubs in the city. Our local water events would increase in interest and become one of the most prominent features of the season. The junior members would

have one more clean and healthy sport at their command, which means our future standing in the athletic world on water. Let us remember that we owe the boys a start towards proper manhood, and it has been proven that healthy exercise is a lad's greatest help in this direction. For the welfare of the Island as well as our Association, let us have a new clubhouse, and let it be erected and ready for use in the spring of 1920.

## BOWLING

Since our last issue the Bowling Schedule has been finished and a record established, only one game of the whole series being cancelled. This speaks volumes for the interest shown by the bowlers in the game this year and the committee appreciate the efforts of the Captains who did splendid work in looking after their teams and arranging for substitute players. The final score is as follows:

SET A.	Won.	Lost.
1. McBride .....	8	7
2. Brown .....	9	6
3. Sleeth .....	7	8
4. Gregory .....	9	6
5. Conlan .....	9	6

SET B.	Won.	Lost.
6. Ingles .....	7	8
7. Wightman .....	6	8
8. Tupper .....	8	7
9. Gowans .....	7	8
10. Hillock .....	8	7

SET C.	Won.	Lost.
11. Mills .....	8	7
12. Douglas .....	6	8
13. Ball .....	9	6
14. Greeniaus .....	6	9
15. Dodd .....	5	10

SET D.	Won.	Lost.
16. Wilson .....	9	6
17. Christman .....	7	8
18. Peirce .....	8	7
19. Jolly .....	7	8
20. Bowman .....	6	9

In Set A—A three-cornered tie had to be played to produce a winner, Conlan won from Gregory, Conlan won from Brown; Conlan winner of Set A.

In Set B—Tupper and Hillock were tie for the lead and in the play off Hillock won; Hillock winner of Set B.

The semi-finals—The draw was as follows:

Conlan (Set A) vs. Wilson (Set D.)

Hillock (Set B) vs. Ball (Set C).

Wilson won, score 14 to 13.

Hillock won, score 18 to 8.

Finals—One of the best games of the season was played between Hillock (Set B) and Wilson (Set D). Hillock won, and his team composed of H. Fowler, E. Williams, Al. Irwin and W. Hillock is the champion team for 1919. These men are a worthy lot of sports and deserve the title of *Champions*. Each one of the winners was presented with a fine umbrella. A word to the losers, you played an extra good game, and if Al. Irwin and the rest of the team hadn't been exceptionally good, you might—well another year is coming and let us all look forward to a good time on the new green, with even better support to the new chairman of the Bowling Committee.

The final game of 1918 was played on September 4th, between Dave Wightman and Gordon Dunfield, Dave winning by a score of 22 to 7.

## NEW GREEN

The chairman of the Bowling Committee requires \$100.00 to pay up all accounts to date—so far over \$350 has been collected. There are still thirty to forty men on Ward's Island who we know will contribute \$5.00 to this new green account, now that they know that we really need the money. If you are one of the thirty or forty referred to, see Mr. Adams or Mr. Howard. The fence for the front, and the lights cannot be provided until funds are available. Now men, let's go over the top in this little campaign to pay our debts and complete the work. Thanks!

The retiring chairman, H. R. Adams, extends thanks to all who have in any way helped in making this year such a success, he asks for the same, and, if possible, better support, for the new chairman for 1920—good luck to him.

## BASEBALL

### Otazell vs. Tigers.

The Otazells won the final struggle for premier honors in Section No. 1 of the Baseball League by a score of 10 to 7. This ended an exciting contest, as both teams held the same percentage at the end of the series, and had played the nine-inning tie mentioned in our last issue. The batting of Stagman for the Otazells helped in overcoming the Tigers, who held the lead up to the fifth inning—in six times at the bat the big fellow sent the ball safely to the tall timbers on each occasion. Fat Miller and Walter Windeyer also handled the stick to advantage. Haviland of the Tigers pounded the leather for the circuit, and tied the score in the sixth inning, while Clewlo brought the crowd to its feet by jumping in the air and spearing a line drive labelled for several runs. Perrin and Purchase each made some difficult catches in the field which well deserved the commendation handed out to them by the fans.

Score	.....	1	2	3	4	5	6	7	8	9
Otazell	.....	2	0	1	2	1	1	1	0	2—10
Tigers	.....	4	0	2	0	0	1	0	0	0—7

### Otazell vs. Brownies.

The first play-off between Otazell, the winner of Section 1, and the Brownies, winner of Section 2, was played Tuesday evening, August 26th. The betting was three to one in favor of the Brownies, and the moneyed supporters of the Otazell boys were few and far between. Imagine the surprise to all the rooters when Otazell doubled the number of runs made by the Brownies and won 12 to 6.

There may be many alibis sprung, but the fact remains that the Otazells won by hard work and earned the victory so little expected. Windeyer was in excellent form and never lost his grip, due partly to the fighting support of his catcher, Fat. Others also played the game of their lives. Frank Williams brought forth many ovations through his ability to hold on to the ball, and received a great hand by running in and

Otazell .....	1 4 0 2 1 3 1—12
Brownies .....	0 0 0 1 2 2 1— 6

The second contest between the Otazells and Brownies showed a decided reversal of form when the latter trounced the winners of the first game by a score of 19 to 5. The Otazells lost some of their former pep, while the Brownies played true to form. The game for two innings promised to be a closely contested one, but clean hitting, mixed with errors, enabled the Brownies to pile up so many runs that they were forced to stop the slaughter in order to finish the game before darkness set in.

Score .....	1 2 3 4 5 6 7
Brownies .....	0 0 4 2 0 6 7—19
Otazell .....	1 0 1 0 3 0 0— 5

The third and decisive game was won by Brownies 10 to 7. The winners evidently believed in landing the first blow and placing their opponents *hors de combat*, as they swatted the ball to all parts of the lot, and with the help of home runs by Williams and Abbott, annexed eight runs in the first inning. The Otazells fought hard, however, and managed to stop the Brownies, at the same time making a desperate effort to overcome this big handicap. But their plucky endeavor, which was greatly admired by the crowd, was in vain, and they were forced to surrender their claim of championship of 1919 to the Brownies of Section 2.

Score .....	1 2 3 4 5 6 7
Otazell .....	0 0 3 0 0 4 0— 7
