WARD'S ISLAND, TORONTO

August 14, 1920

PARAGRAPHS

Warm weather at last! Let no one murmur or complain else winter may come back again.

Faces are beginning to brighten up since the water has reached a degree of warmth that encourages bathing.

Cut glass seems a more popular prize for the men than cigars. The fellow that makes such a choice is most sagacious, not only gaining great favor with his wife, but having the pleasure of watching the cut glass scintillate for years to come, while the cigars would soon be dispelled in smoke.

Capt. Saunders is to be complimented on the fact that during bathing hours a guard is stationed on the pier within hailing distance, thus adding one more measure of safety to bathers.

KICKER'S NIGHT

We're going to have a "Kicker's Night" on a date that will soon be announced, when we expect a mass ensemble of all kickers, kronic or kasual. Real and imaginary grievances will be

aired at this meeting. Every one who has beans to spill should upset them at this Bon Entente. If you are sore at the way things are run, this will be your opportunity to unburden your soul—or forever hold your peace. If, however, you feel entirely satisfied and are having a whale of a time for your two bucks, why come out anyway and enjoy the fun.

EUCHRES

The W.I.A. euchres are certainly drawing crowds this year, and everyone has a good time and seem to enjoy themselves, especially the winners.

A funny thing happened this time, in selecting the prizes the Committee were told to get cigars for the gentlemen's prizes instead of glass.

We won't mention any names but you all noticed what the winners picked. However, one can hardly blame Art and Frank for striving for a stand-in with their wives, to make up for the all-night sessions of bowling and sailing, so stick to it, boys. Keep up the good work.

Our next euchre will be held the first week in September.

BIOGRAPHS

ED. HOWARD.—We have been kind of afraid to say very much about the secretary till our dues were paid, but now that this is off our mind, we can, with impunity, let loose on Ed. Mr. Howard, as we shall call him, at least, once during this article, is financial adviser of the Ward's Island executive, and believe me, the Government could put in an inspection any time they like to audit our books, and we know they will find everything in apple pie order. There is only one place on the Island where Ed. is to be found more than at his own home, and that is the W.I.A. office. By a great deal of persuasion he occasionally is induced to run over to his tent for a meal, and we have heard that he sleeps there. The rest of the time he is busy working for the interests of Ward Islanders. He gets just the same salary as the rest of us, but does ten times as much work for it. Our secretary may look like a very inoffensive sort of fellow, but we want to warn people right here that he is not the man to stand for any monkey business. If he gets real annoyed he is a fearful fellow and it behooves everyone to keep out of his way. He is just as liable as not, to suddenly hurl at anyone who has peeved him a horrible frown. One of the things that makes Ed. most ferocious is to hear of some Ward Islander going around enjoying the sports and having a whale of a time only to discover that he is not a member of the W.I.A. If you have not paid your dues you better run in and see Ed. some night and fix it up with him.

RED HOT WEINER

When it comes to being right on the spot,
And catching balls not supposed to be caught,
We hand it to Weiner
And all who have seen her
Admit she's certainly "Red Hot."

BOWLING NOTES

The Gentlemen's schedule is going along nicely, but some of the skips have quite a number of postponed games to play, and the Bowling Committee would ask all skips to arrange to play off these games not later than August 19th, as that is the date the schedule is supposed to be finished. If any games are not played by that date, the Bowling Committee have the authority to cancel all games not played.

Please refer to Notice Board on the bowling green and see list of postponed games, and get them played off as soon as possible.

Following is a list of leaders in different sections.—

	Won	Lost
Set A—S. McBride	8	4
Set B—F. Armstrong	6	3
Set C—W. Brown	7	3
Set D—H. Pierce	7	4

The new green is getting better every week and we hope by next season we will have a real green, as the Committee contemplate closing the green about the middle of September, and have the greensman top dress, level and seed the green this fall, before the majority of the Islanders leave for their city homes.

The bowling green was a picture on Monday night, the ladies looked charming in their many colored sweater coats, and they sure are some bowlers. A picked team of lady bowlers played a picked team of gentlemen bowlers on the holiday morning and the gentlemen won out in an extra end by one shot.

The gentlemen looked chesty in their white ducks and sport shirts on Saturday night. Don't you think so, ladies?

Some of the skips were down on the green early Saturday night, why? Because the Baseball game was postponed, they wanted to start their games early and did not wait until the usual hour of 8 or 8.30, consequently some of the bowlers arrived after the games had started. Be reasonable you impatient skips.

BASEBALL NOTES

Benny says it's hard to shave jelly. We notice Bill Sisson cut himself last week.

Iron Dukes beat Otazel on the holiday, 10 to 3. Fat was interested in the dinghy races.

City Hall team beat a team from Ward's, on Wednesday, by 9-6. They are coming back, and we hope to be able to reverse the decision.

Ward's Regulars defeated Goodyear B.B.C., 10-6, also on Wednesday night. The heavy batting of Ward's was a feature, also a grand catch by Goodyear's 3rd baseman.

Sam Clarke could not keep the ball out of the orchard on Wednesday night.

Standing of teams to Saturday, August 7:

	W. L.		W. L.
Brownies ...	7 1	Dingbats	6 2
Osoeze	4 2	Tigers	5 3
Elks	3 4	Iron Dukes ...	5 4
Beavers	1 6	Otazel	3 6

Ward's journeyed to Centre on Saturday, and were beaten 12-6.

Ward's boys certainly did not play as they usually do, while Centre played errorless ball.

The game next Saturday, between Hanlan's and Ward's, has been postponed, and will be played the following Saturday at Hanlan's.

Are we downhearted? Well, watch us the next time out, and for goodness sake don't knock. Many a better team than Ward's have lost a ball game, and that's saying a whole lot.

We certainly appreciate the large turnout at Centre, and sorry some had to walk home.

Any kind of a sport can win a game, but it takes a regular one to lose one. "Sam" says it takes a good Irishman to make him sit down, and he must have fell in a hole or sprained his ankle when one approached last Saturday. If there is one thing that makes our ball games interesting, it is the presence of our fair sex, and they sure do turn out in good numbers.

It may be interesting to some to know just how the boys play, and below is a box score of one of our usual games between Brownies and Elks:

Brownies				Elks

EDITORIAL

The days are going by. With some pleasant weather the balance of this month will go by very quickly. The first thing we know it will be Exhibition time, then the season seems to be pretty well over, although many do stay on well into September.

It is not too early for Ward Islanders to give serious consideration to the question of just who they will have to run affairs on this Island next season. A number of the present members of the executive have given several years' service and feel that they cannot be expected to further serve in an official capacity. Others must take their place, and there are lots of men on this Island who are capable and should be willing to take on this work. We want the most capable and the most willing.

The week before the election, which occurs toward the end of this month, nominations will be received. Any person standing for election must be nominated by a member of the W.I.A., and must certify his willingness to stand by signing his nomination paper. We would like to see many willing to offer themselves for election for the Executive. Look over and see who you would like to represent you here next year.

NOTICE OF GENERAL MEETING

A general meeting of the Ward's Island Association will be held on Thursday, August 19th, 1920, in the Pavilion, at 9 p.m., to discuss the following suggestions and amending the constitution:

1. All the members nominated for the Executive be named for each line of sport which they wish to represent.

2. Advisability of raising the fees of the Association.

3. That the general meeting be called not later than the second week in August in each year.

4. To amend clause 9 of the constitution by adding the words that all past presidents shall be members of the Executive.

E. HOWARD,
Secretary.

QUITE SUPERFLUOUS.

After a little tea party the children were playing some game quietly in a corner of the tent.

The lady of the house was curious to know what was keeping them so interested, so she called her own girl toward her.

"What game are you playing, Mollie?" she asked.

"Weddings, mother," replied the girl. "I'm the bride, and Margery Jones is the bridesmaid."

"And who is the bridegroom?" asked mother, knowing there was no small boy among the guests.

"Oh," came the quick answer, "this is only a very quiet wedding, you know."

THE CHILDREN'S MASQUERADE

The children's masquerade of July 30th, we are very glad to say, was a huge success. The personations, costumes and characters were wonderful and everyone was worthy of a prize; the hardest work our visitors from Genesee Yacht Club had, during their short stay with us, was the judging of the masqueraders and we feel satisfied they certainly used good judgment in their selections.

The prizes were as follows:

Fancy—Girls.

1st.—Florence Mottram.

2nd.—Isabel Allsop.

Fancy—Boys.

1st.—Frank Hillock.

2nd.—Bruce Randall.

Comic—Girls.

1st.—Lois Vaile as "Topsy."

2nd.—Edith Wilson as "Mr. Jiggs."

Comic—Boys.

1st.—Clem and Bill Pocklington as "Mutt and Jeff."

Mutt and Jeff created quite a sensation on the Island; Jeff being only sixteen months old. He acted his part well and was the most popular "man" of the day.

2nd.—Buster Shepard as "Huckleberry Finn."

Original—Girls.

1st.—Ruth Hillock as "The Old Lady."

2nd.—Isabelle Counter as "Bunny."

Original—Boys.

1st.—Wallace Sleeth as "Dago Organ Grinder."

2nd.—Edward Sinclair as "Skeleton."

Extra prizes were presented to: Jack Boyce, "The Vamp"; Alma Dunn, "Old Fashioned Girl"; Margaret Orr, "Peter Piper" and Ethel Armstrong, "Swiss Girl."

We decided that all the female brains were centred right here on our own little Island.

As the little ones toddled into the ring we wondered how any judge could choose which was best. Of course, every mother one of us knew ours was!

Those paper costumes certainly did look effective and we were sorry a few of them did not carry off prizes—if time and labor counted they surely would have done so.

How proud they were acting their little parts—the bride with her train and bouquet will surely never be a fairer one. The bold cowboy and the aged woman stepped aside to let the lady of the crinoline pass. There were clowns and sail boats, an Irish Colleen and a bunny rabbit. Boys masqueraded as girls and girls as boys. There were boys as vampires and girls as courtiers. Even poor old Teddy was brought in to swell the throng—much to his disgust. Last but not least came Mutt and Jeff—Mutt did all the work and Jeff got all the credit, which is generally the way.

The band started up, the judge scratched his head and decided:

When Jim Lackey's on second, I feel
That rooters may holler and spiel,
But the thing to be reckoned,
Is Jim's there on second,
So the game will be rapid and real.

SERVICE FOR ISLANDERS

Important from three standpoints is the service which Simpson's Island Delivery renders to summer cottagers—

First—We have arranged to have several representatives on the Island who will take your order. Thus you are saved the trouble of coming over to town to shop if cottage duties, picnics or busy times in general delay you.

Second—Once your order is given, your worries are at an end. No running out near meal-time for supplies and panting up the path with your arms full of parcels. If you desire, you need not leave your cottage verandah all day long. Simpson's delivery brings you supplies right to your very door the day following that on which your order is given.

Third—Last, but by no means least, you are able to take advantage of Simpson's splendid money-saving opportunities in personal and household needs from day to day. Particularly in the matter of meats, vegetables and groceries, which are the best and freshest obtainable, and offered at a minimum price.

But, if you do prefer coming over to town to shop, be sure to make use of another "Simpson" service—the Transfer Card. You obtain it with your first purchase—no waiting for change or parcels—and you simply pay in once at the Basement Cash Office.
