DANCING

July 13th! Do not forget this date. Mr. Foster has procured for us an artist from New York of great repute to play in his orchestra that night. We hope for a large turn out of Ward's Islanders and their friends to show our appreciation of Mr. Foster's efforts in obtaining this special musician to play for us.

How do we like the dances? I would say we do. We could not otherwise say anything different because every effort has been put forth by our Dance Committee to make everything clean, comfortable and pleasant, snappy music to heat you up and electrical devices to cool you off.

What is wrong with the Dance Committee that they do not give the dogs a dance for at least a half an hour?

Remarks overheard at the Inter-Island B. Ball game: "I say, Ector, take your feet out of the fly paper, Dempsey wins out in the fourth. Ward's wins out in the ninth."

Did you see Ectors' home made bat to make home made run for Centre? It did—"not" Was the Centre team handpicked, or just the regular team?

Ector had a strong ally in his mother (some baby).

The Annual Regatta of the Lake Sailing Skiff Association was held under the auspices of the Royal Hamilton Yacht Club at Hamilton on Friday and Saturday, July 1st and 2nd, and two days' of excellent racing, close finishes and general good time were enjoyed by a large number of visitors.

The visiting sailors and the L.S.S.A. are indebted to the R.H.Y.C. for the manner in which the Regatta was conducted and the excellent entertainment provided.

The officials in charge of the Regatta and on whom the success mostly depended were: Officer of the Day, J. H. Gernsides, Rear Com. R.H.Y.C.; Starter and Timekeeper, Geo. C. Hancock, Rear Com. R.H.Y.C.; Judges: H. O. Pooke, R.H.Y.C.; Wm. Brown, R.H.Y.C.; A. P. Inglis, President L.S.S.A.; C. Roberts, Commodore N.Y.C.; M. J. Crosbie, Sec. Treas. L.S.S.A.

On Saturday night a smoker and prize presenting concert was held in the Club House of the R.H.Y.C., and it was one of the most enjoyable ever held at any regatta. The sailors of the small and large boats mingled and swapped yarns, and we all feel that we are indebted to the officers of the R.H.Y.C. for a large boost to the sailing game. The visit of the Toronto sailors to Hamilton will also do much to revive the game under the mountain.

The L.S.S.A. Officials appreciate the excellent manner in which the Regatta was conducted and the entertainment provided, and Hon.-President Johnston very aptly expressed it all in his little talk at the concert.

Good Luck to the Royal Hamilton Yacht Club and its very efficient officers

NOTES

Who has any kick about accommodations in Hamilton? The new Club House is a credit to any club, and it is only regretted that we have not a duplicate in Ward's.

SANITATION CLAIMED UNSATISFACTORY.

Apparently the sanitary provisions
now prevailing on the Island are con-
sidered decidedly unsatisfactory by
many members of the W. I. A.

It is claimed that the lavatories re-
quire more attention than is being
given them at present.

The lavatories do become messy over
the week-ends and after holinays. But
as far as the WEEKLY is concerned, it

would seem that the fault is not with
the arrangement or the system but
rather with the care or lack of care
that is given.

We are able to say that the men's
sections seem to be quite well looked
after. If the ladies have a just com-
plaint, the matter should be taken up
with the members of the Ladies Com-
mittee, as we understand that this was
one of the reasons for having the La-
dies on your Executive. These Ladies
are easily approachable. You know
them. Ask them if they will not give
this matter consideration.

SAILING — continued

Walt. Windeyer had the misfortune not to arrive in time for Friday afternoon's race, but he showed the true spirit when he sailed in Toronto in the morning, load his boat on a truck and race to Hamilton in an endeavor to enter there in the afternoon.

Ask Frank Warde how it happened. He brought the Tinning Cup back to its proper resting place.

Getting married seems to have improved Art. Turrell's racing, or was it the fact that his charming bride was pulling for him. Mrs. Turrell could not see any one else in the race.

A bunch from Ward's went out one day For a dinghy race around the Bay. 'Tas not expected there would be a spill But Miss Fortune won out—and over went Bill

But do not think that a little water, In the least would dampen that sailor's ardour

But when 'Sandy's' cops hove into view, Bill's name, fair reader, Bill never knew.

"Bill" Bowman has gone to England for the summer—at least until August—we believe. All Ward's Islanders will miss Bill. He can't get back too soon.

What a wonderful thing is paint! The ladies agree with us. "Save the Surface and you Save All."

Looks like we'll be able to have some mixed doubles this year. Good!

Bob, when are you going to let us have a Has-Been and Never-Wasers game? Red says he can stand another now.

Glad Al. Inglis is here. His decisions are always right. Besides, no batter dares do more than mumble when Al. is calling them. Keep 'em that way, Al.

Harry Ballagh says he has been receiving lots of sympathy and lots of congratulations from the bunch at Ward's. He says he doesn't know which to accept yet, but that in a year from now he will be able to tell us.

OUR service this year is even better than in former years. We deliver only the best ice—Hygeia—an ice entirely without parallel for purity, solidity and clearness. It is delivered by courteous obliging carriers who are anxious to give you the very best attention. Get your Ice from Wards.

SENIOR LADIES.

Mothers are asked to co-operate with the Executive to keep the kiddies off the Bowling Green. All ladies must join the Association before starting schedule games. Only flat rubber heel-ed shoes can be worn on the green.

Friends of Mr. and Mrs. David Hamilton will be glad to hear of the gradual recovery of Baby Betty and we hope to see her soon again on the Island.

Mrs. R. Douglas gave a tea party to a large number of kiddies last Thursday. Everybody had a good time.

It was interesting to note the large number of ladies rooting at the Ward's vs. Centre Baseball match.

Keep Monday, August 1st, an open date. This will be the great day of the season, when we need your presence and your money at the Garden Fete.

BENEFICIAL BOWLS.

I hear the doctors are recommending bowls just now as being more advantageous from a health point of view than almost any other exercise. The result is many people are having bowling greens arranged instead of croquet lawns.

Note: This is in England where Bill Brown learned the game and Bill Bowman is there now.

We might add that Fred Clinchett is certainly a bear for punishment with a tea mperiodically staging a "Christy Sunshine Girl," act.

"Peggy O'Neil" and "Mammy" went over great—at the dance, we mean.

THE STORY OF A MAN WHO HELPED.

A lawyer came to ask Jesus questions about how to love God and how to tell who his neighbor was, and Jesus told him his story.

A man was one day going along a lonely road when suddenly some robbers came rushing out from where they had been hiding. They beat him, and took away his money and even his clothes. Then they went away and left him lying there, all cut and bruised and nearly dead. By and by a priest came along the road, but he paid no attention to the man. He was not a friend of his. Then another man came by, a Levite, who was a priest's helper, perhaps, and he stopped and looked at the man, but he did not want to soil his clothes or take his time to help a stranger.

At last another man came. He was a Samaritan, one of the people that the Jews hated, but when he saw a Jew in trouble, he stopped his donkey, and in a minute was stooping over the poor man. He put oil and wine on the cuts and bruises, and he tore up his own clothes for bandages. Then he carefully lifted the man to his donkey's back and walked beside him all the way till they came to an inn, or hotel, where he gave the keeper money and told him to take care of the stranger. Of the three men who had seen the poor man lying on the ground, which one do you think would have the happiest heart that night? Of course, it was the man who helped. And anyone who needs our help is a neighbor.

"Love worketh no ill to his neighbor: Love therefore is the fulfilment of the law."—Romans 13: 10.

There would seldom be a quarrel if we all remembered this verse:

"As ye would that men should do to you, do ye also to them likewise."—Luke 6: 31.

SOME FISHERMEN.

When a husky athlete and one rising young business man get holidays at the same time there are sure to be doings. One fishes while the other sleeps away out near Port Dalhousie. Ask them?

A NEW ONE

This will tip you off to the fact that Bulmer's now have in stock Cowan's new Cream Bar in the blue label. This comes in both a 5c. and 10c. size, and the larger bar would be just the one for the losing Rink to buy for their opponents after an evening on the Bowling Green. Tom Conlon please note.

Simpson's 1921 Service for Islanders

Simpson's Service, developed through years of business experience, has never been more dependable or more efficient than at the present time. It is a very present help to Islanders.

New Service Departments are being opened periodically to facilitate shopping and to make it as enjoyable as possible. Phone orders are taken rapidly and accurately.

Shopping with a Transfer Card is quite the nicest, simplest and most convenient way. A card is given out with the first purchase, each article is listed, and no time is lost in waiting for change or parcels. One payment at the Basement Cash Office settles the account.

Simpson's Grocery and Meat Market is famous for its fresh stocks of food. The prices are the lowest consistent with quality. Our representatives on the Island will call for your order to be delivered on the following day.

With Extra Summer Furnishings to be bought, membership in the Home Lovers' Club is a decided advantage. The new terms are one quarter down, the balance payable in six equal monthly instalments.

Remember! Simpson's Store serves the Islanders best.

Watch for the Mid-month and New-month Economy Specials. It's surprising how much one may save on the little things.
