## JUNIOR DEMONSTRATION OF 1928 THE BEST YET.

### Boys and Girls Give an Evening of Real Entertainment.

The fine exhibition given by the Juniors on Friday evening last certainly justifies the overwhelming majority vote in favor of supervision for 1929. The display was an eye-opener to many.

The programme opened with a few simple tumbling stunts in which all the boys took part. This was followed by a dumbbell drill by a class of girls and showed careful training by Miss Ferguson.

The little boys' calisthenic drill was quite a comedy to the audience but a serious matter to the boys. They were a treat to watch. Colin Blaver, who led them, should make a good sergeant.

The girls' clogging act brought rounds of applause. We seem to have some budding vaudeville stars in our midst.

The clown act put on by Bill Tasker, Colin Blaver and the "Chief" amused the crowd.

Great credit is due to Miss Ferguson for the showing made by the girls. Every item on their part of the programme was good. It showed that the girls were really interested in what has been provided for

them. Nothing could have been nicer, for instance, than the girls' pyramids.

The boys' boxing brought most of the crowd to its feet. In spite of rumors to the contrary, there were no lost teeth or injured limbs.

The life-saving demonstration was evidence that some of our girls acquired some useful and valuable information during the season.

We must mention the Olympic drill by the boys' leaders. They worked hard on this every morning and credit is due to them for putting on a very difficult drill in excellent style.

Mr. Fred Hicken and Miss Ferguson, the Supervisors, were each resented by the youngsters with a gift to show their appreciation.

It is fine to see the Juniors taking such an interest in what the Association provides for them and entering into their work with such a willing spirit.

## WARD'S WELCOME ATHLETES

### 123 Islanders in Civic Parade— Travelled in Four T.T.C. Busses.

Ward's Island was well represented at the civic reception to Toronto's Olympic athletes.

Four T.T.C. busses were required to carry the 123 Ward's Islanders who turned out.

Those who "enjoyed the ride" report a wonderful evening's fun. The arrangements were capably handled by Jack Carter.

### DID A GOOD JOB

At the Executive meeting on Tuesday evening a vote of thanks was moved to Jack Carter for the efficient way in which he handled the arrangements for the Ward's Islanders' participation at the Olympic athletes' reception.

### CHURCH NOTICE

Last Sunday morning a good crowd turned out to listen to the address by the Rev. S. T. Bartlett, which was much appreciated. The solo by Mr. Geo. Counter was certainly very fine and was much enjoyed.

Now next Sunday morning, Sept. 2nd, in addition to the address, Mrs. Dixon is favoring us and will sing in response to many requests "His Eye is on the Sparrow and I Know He Cares for Me."

### SUPERVISORS IN 1929 FOR BOYS AND GIRLS

---

**Annual Meeting Held at Shelter  
Tuesday, Aug. 21.**

---

The results of the ballot for supervision for girls and boys proved an "overwhelming majority in favor" as announced by the scrutineers at the annual meeting held at the Shelter last Tuesday, Aug. 21.

The retiring officers and committee chairmen addressed the meeting and the officers and committee-men-elect were introduced and also had a few things to say.

### JUNIOR BASEBALL

We wish to take this opportunity of thanking Mr. Jim Lackey for his consent to allow the Ward's A Junior team to play on the big diamond. The boys appreciate this very much and hope that there may be times that we can repay this courtesy to whoever will be looking after the baseball for 1929. We wish also to thank all who turned out to watch the game!

We must admit that the Sunfish boys were full of pep and played a wonderful game both in the field and at bat. Sunfish had too much pep and our boys had none and it disheartened them. However, our boys claim that the next game will be different and that they are not down and out yet.

This little note was written before the second game was played, but we are sure that if the boys go down to defeat that they will go down fighting hard.

Ward's boys can play a better game than they did a week ago and the members of Ward's Island Association who saw the second game will agree to that. The boys were a little disheartened the other night, but that is something that the boys will overcome with experience and in its place will be found that fighting spirit which is necessary in all lines of sport. This can be done by parents advising their boys to stay in the game and fight until the last man is out.

BILL BARNES.

### SUNDAY SCHOOL PICNIC

On behalf of the Sunday School staff, we wish to thank all those who kindly assisted in making our annual picnic a success, both with provisions and flowers in abundance and those who helped on tables and with games.

Sunday School next Sunday as usual.

## CHOIR AT SHELTER

The Choir of the Church of the Epiphany visited the residents of Ward's Island on Sunday evening last and put on a musical program that was greatly appreciated by a large audience. The members of the Choir were later entertained at the Lake Shore home of Reade Davis. Previous to the Choir program an illustrated talk on the Journeys of St. Paul was made by Jack Mortimer.

## BOUND WEEKLIES

There are a few bound volumes of 1922-1923, 1924-1925, and 1926-1927, available. First come, first served. If you would like to secure any one or all of these, just hand your name and address to either the Editor or to Jim Wilson (accompanied by \$1.00 per volume) and you will be supplied. The "Circulation Staff" of The Ward's Island Weekly, pictured in this number, have been very faithful all season. Rain or shine they have delivered your paper every Saturday. If you care to reward the boys, we feel sure that "they could use it" and we know they deserve a small reward from every tent.

## EDITORIAL

The Ward's Island season is drawing to a close.

Next Saturday we publish the last of the 1928 issues of The Weekly.

It has been our endeavor to issue a paper "with malice toward none, with charity to all."

Only a small part of what is printed in any newspaper is written by the Editor.

Because we have not written it, we can say, with good grace, that some clever things have been contributed, for which we thank the writers who have helped us. On the other hand, we are equally immune if blame is due.

It may be that we have left unpublished those things which we should have published, and published those things which we should not have published.

If so, good reader, forgive us.

And, to paraphrase Service:  
If at times we've cussed a bit,  
You hadn't ought to of read that part of it.

The Editor wishes to take this opportunity to acknowledge the help received from the chairmen of the various committees and those in charge of the season's events, who have contributed notes and comments on the activities of their departments.

We wish also to acknowledge assistance received from various correspondents, who have contributed items of news and comments on different events and happenings, all of which have helped to produce a paper which would mirror the happenings and views of our community.

Christmas is coming.

Perhaps you have heard that one before.

One of these days you will place a hurry-up call to the coal man.

He'll send the coal—C.O.D.

Then you'll be sure that Christmas is coming.

What of it, you ask?

Just this:

In keeping with the fact that other publications do it.

And, all that sort of thing—

The Ward's Island Weekly this year will publish a Christmas Number.

And, just to beat the others to it—and because it happens to be the date of our last issue of the year—we will publish our Christmas Number next week.

“Only three more months until.”

Get your Christmas shoplifting done early!

### WHAT'S THIS! WHAT'S THIS!

By Dumf O'Neil.

I don't know what your game is,  
and I do not care a cent  
What goes in your cottage, what  
you do inside your tent.  
I don't care if you keep a dog—I  
do not even choose  
To follow up the tips I get of who  
has all the booze.  
And if in just a bathing suit you  
trip across the sod,  
That's really no concern of mine—  
it's up to Walter Dodd.  
I take in all the ball games, but I  
never know who won,  
I only know I've paid my dues and  
have a lot of fun.  
It won't make any difference to the  
hair upon my dome  
Because my neighbour's husband  
staggers when he's getting home.  
I'd rather loaf the livelong day and  
keep on writing jigs  
Than worry much about the cats  
or birds or guinea pigs.  
But there is ONE THING going on  
I just must know about.  
Yes! you bet your bottom dollar I  
am going to find it out.  
What is there in this yarn I hear  
about “September Morn,”  
When ———? goes in swimming  
at the early, early dawn?

### FERRY TALES And Items of News in and Around Our Village

(Contributed by Our Readers)

The great silence around the tennis courts for the past few weeks has been the cause of alarm. Our loss was Muskoka's gain. 'Cause why? Well, Vernie spent two weeks at Windermere and Bill Corman the next week at Rosseau. Fortunately both were home for the Olympic reception.

The Frank Willis Bowling Tournament was played on Tuesday evening, when a rink skipped by Jack Swain defeated a rink skipped by L. E. Sissons. The winning skip received a gold watch; vice-skip, Harry Baines, a combination screw-driver; Jim Davies, manicure set. The losing rink was composed of L. E. Sisson, skip; Wm. Armstrong, vice-skip; Dad Wright and Harry Pierce.

Some of the boys who grew up when blacksmith shops were flourishing institutions are rejuvenating the game of quoits. Among those seen at the game are Mayor McBride, Nat. Mills, Bob Clewlo, Reg. Shaw and Alex. Sinclair. They are playing to big galleries.

The keys to the Town Hall could not be located on Tuesday evening, so the Village Council met at the Pump. Later a meeting was held at the Shelter.

#### "4% TENNIS NOTES

I am not predicting anything but Alex. Sinclair looks like a dangerous competitor for the Wils St Clair Cup for men's singles.

At the time of writing Alex. has yet to play off with Jack Hillock to decide who will meet the winner of Gorman and Cliff Riddell of C Group. The winner of this then meets Ted. Sanderson for the cup, so choose your man.

Yes, Vernie Forbes was beaten in the semi-finals of A Group by Ted Sanderson. This was a real battle but Ted beat Vernie at his own game of well placed shots.

The ladies' singles are coming nicely. Miss E. Riddell won from Miss M. Lye 6-2 and 6-5. Miss Clewle won from Mrs. M. Peirce 10-2.

Wednesday, September 12, is the proposed date for a summer inter-island tennis dance at the I.A.A. club house, Centre Island. Dancing will be finished at Ward's by that date and anyone wishing to take in a nice snappy dance when the nights are long and not much doing, come along.

The inter-island tennis cup will be presented at this dance.
