Ward's Island, Toronto, June 29th, 1929

No. 2

A Word From The President

To the old members of the Association, I would say, "Get your name down early for the activities in which you wish to participate." If you will give your executive the same loyal co-operation and support this year as you have done in the past, we will have a great summer.

To our new residents: Everything on the island is run by the Ward's Island Association. Elsewhere in this issue you will find a schedule of the fees for the various departments. From now on there will be something doing every night. The baseball, bowling and tennis goes on each night in the week. The dances take place on Wednesday and Saturday evenings. Friday is reserved for the entertainment committee. Take my tip and don't be away on a Friday night.

Commencing the 2nd of July, there will be two fully qualified and competent supervisors on the job to take charge of the junior, ages six to sixteen.

All these things are provided for you, along with many more, by our joint efforts through the Association. By living here you automatically share these benefits. Your duty is to become a member. The executive would like to have the residents 100% members. Everything is ready for a big summer if you do your part.

E. M. DILLON.

NEW SUPERVISOR FOR BOYS

We have been very fortunate this year in securing Mr. William Bodrug to look after and train our boys. Mr. Bodrug has been physical director and swimming instructor at Central Y.M.C.A. and has had a very wide experience in boys' work.

Mr. Bodrug comes to us very highly recommended by men of high standing in both religious and athletic work. Let us all get together and give Bill the co-operation necessary to make this the very best year in good things accomplished for our boys.

The big season opens on Tuesday, July 2nd. We want every boy on Ward's Island to report at the Shelter at 10 a.m. on this date, when everyone will register and meet the new Chief. All plans for the season will be arranged at this meeting. Any suggestions from the boys will be welcome.

M. J. DEDMAN.

FROM MR. DODD

Tidy up around your tent.

All garbage must be kept in proper receptacles.

Sprinkle chloride of lime in the sand around your tent, and rake it at least three times during the summer.

Bon fires are prohibited on the island.

Residents going to and from the late boats, can add to the comfort of the other residents by not making a noise.

No additions are to be made to your place without permission.

Don't forget that radios can become a nuisance.

If you change your city address, please notify us at once.

Any complaints are to be made direct to me.

If you have any suggestions that will make Ward's a better place in which to live, let me have them.

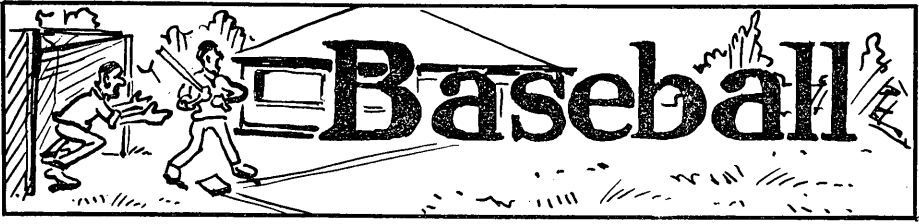

WALTER F. DODD.

The Same Good Eaton Service Again This Year !

THIS year we again offer you Eaton's City Prices, Quick Delivery and High Standard of Service on all your requirements while at your summer home. Shopping at Eaton's offers you the double advantage of low prices and added convenience. As in the city, deliveries are made twice daily. The same careful, personal attention that has always characterized Eaton service obtains on your 'phone or mail orders from Ward's Island.

"You Save When You Spend at Eaton's"

THE T. EATON CO. LIMITED

The 1929 baseball season opened last Tuesday evening with a volley of loud bangs, when Vin Allsop's Dingbats took on Jack Smith's Osoezes. The opening ceremonies were started when Bert Garrett introduced His Worship Mayor McBride, who made a neat speech, cautioning the players to play the game win or lose. Fred G. Grant, president of the Toronto Amateur Softball Association, was also present and made a few appropriate remarks. Mayor McBride then went to bat and took a healthy clout at one of Fred Grant's benders. Our president, Ed. Dillon, was behind the bat.

The game started with Jim Lackey pitching for Dingbats and Wilf Cutler twirling for Osoeze.

Dingbats opened the scoring in the third, collecting four runs. Osoeze hit their stride in the sixth, and collected six counters. After that the pitchers had a tough time and a regular slugfest followed. Home runs and triples were common, the strong wind carrying the ball to deep left field over the fielders' heads. The score was added up and Dingbats were winners 14 to 12.

The teams were as follows:—

Osoeze: Carter, Sirrs, Smith, Henderson, Smythe, Barnes, Ball, Cutler and Parker.

Dingbats: Riddell, Lynn, Sissons, Hallamore, Christman, Allsop, McKay, Clinkett, Roach and Lackey.

NEXT WEEK

Tuesday—Dingbats at Otazel.

Thursday—Brownies at Cenymca.

Friday—Otazel at Osoeze.

Games start sharp at 7.15. Fees payable now.

OLD TIMERS BASEBALL

A Saturday Night Baseball League has been organized composed of players who at one time showed us how the game should really be played. The old timers claim they are going to give us some good baseball. A splendid trophy has been donated with individual prizes. The donor would like to see every player give his best to make the new league a success. Any gentleman on the island who would like to play should hand his name to one of the captains. There will be three teams. The captains are Bill Corman, Harry Tasker and Frank Willis. The first game will be staged Saturday evening, June 29th, bringing together Bill Corman's Kummers and Frank Willis' Goers. The following are the teams and players:

Kummers — Captain, Bill Corman, M. Soules, A. Pierce, O. Lyon, A. Gay, A. Clayton, E. Dillon, A. Sinclair, T. Conlan, J. Wilson, B. Garrett, H. Gee, E. Lye, J. Booth, L. Hubbard.

Goers—Captain, Frank Willis, F. Staneland, J. Swain, M. Dedman, T. Kimber, E. Vaughan, W. Riddell, F. Hanger, R. Davis, J. Davy, B. Adams, A. Shephard, B. Sleeth, F. Atkinson, W. Fidell, Garnet Vail.

Stayers—Captain, Harry Tasker, H. Wright, J. Williams, W. Fydel, L. Sissons, T. Doby, H. Bains, L. Shoemaker, J. Mohan, C. Blaver, T. Pocklington, J. Elder, W. Moore, J. Minchen, U. D. Clark.

Next Week

Saturday, July 6—Goers at Stayers, 7.15 sharp.

Now that the season is open, white uniforms are in order.

Yes, the girls can wear the "sun tan backs," and short socks too. Arrangements have been made to have the store carry a large stock of Zip.

Lest we forget, it is well to remember that the fee of two dollars for men and one dollar for ladies should all be paid by July 1st. This is over and above the Association fees.

Do not use the courts at any time with heels on your shoes. Singles should not be played when others are waiting.

Ten o'clock this July 1st is the time set for the men's doubles tournament. (Post entries close at 10 a.m. sharp.) The doubles will all be played off during the day and thus leave the evenings open during July for singles, etc.

The St. Charles Trophy for the Ham players will be up again this year for competition. This cup was designed and donated by Al Randall and Bill Stewart, and was won by Syd Randall and Jack Williams in 1924. Anyone not having played tennis, and B class men, may enter this tournament. See Bill Stewart for particulars. The date will be announced later.

The first meet of the Inter-Island Tennis Club took place last Satur-

day when Ward's played I.A.A. at the latter's club at Centre. Ward's won 2 out of a possible 5 points. Christie and Flossie turned in a brilliant game, winning 6-3 and 6-3. Mad Lye and Helen Sanderson after a hard fought battle lost out 6-3, 4-6 and 5-6. Ted Sanderson and Bill Peirce won their match 6-3 and 6-1. Reade Davis and Francis Bowman lost their round, as did Jack Wilson and Perry Murray. Although each team put up a good game the opposition was a little better.

Any of the following committee will look after dues, etc. Ted Sanderson, Bill Corman and Bill Peirce. Don't forget. Last players on the courts put away the nets.

Wilf: Who was that peach I saw you with?

Jack: She wasn't a peach, she was a grapefruit.

Wilf: How come?

Jack: I squeezed her and she hit me in the eye.

CHURCH NOTICE

Service started for the season last Sunday, with a good attendance.

Rev. R. B. Wilson, who is in charge this season, is a young man of exceptional ability and he was listened to with intense interest by those present.

Tom Wilson, whom you all know, is at the piano. The committee feel that in securing the services of these two men, the Shelter should be filled every Sunday morning. It's up to you. Come Sunday morning, June 30th, 11 a.m. sharp. You will enjoy the service, which will be bright, short and interesting.

Sunday School commences Sunday, June 30th, at 10 a.m.

New Entertainment Chairman Says His Little Piece

Listen, gang! If Eddie Dillon has an announcement in this issue of the Weekly to the effect that I have fallen heir to the job of entertainment chairman, then by Heck, I'm on, and I warn every one of you that I'm going to do my darndest to put a couple of kicks into every Friday night, and likely receive a few back.

Do you know, folks, that I am actually getting a thrill just from writing this, and have a sneaking idea that I'm going to enjoy my new job?—so there, Eddie. I quite realize that bridges, euchres, amateur nights, minstrel shows, special concerts, masquerade and "Prize Buying" constitutes a heap of work, but that's all gentle compared with the jobs my wife can think of, and speaking of prize buying—oh! let's wait.

And listen to this:—the bowlers have very kindly (??) agreed to omit Friday nights from their schedule, so, ladies, don't ever again let me hear you murmur that this is a "Man's Island." It's up to you to snub onto that male half of yours every Friday night and march him over to the Shelter, and if we catch him on the green in a "pick up" game we'll know who wears the britches in your canvas bungalow.

If anybody has any suggestions to spring, pop them early and often. Don't wait afterwards.

Remember this — I'm willing to take a fling at prize buying, and if you should win a bridge lamp or one of Ralph Douglas' Ford sedans, be satisfied, for they are "not returnable for credit."

This is all. If Eddie has no notice as above mentioned, then I

know he's found a real chairman, and that lets me out, so don't read this letter of mine, and come out Saturday night and help revive baseball on this "narrow neck of sand almost surrounded by water."

Next Friday night there'll be something doing in the Shelter—I haven't the faintest idea what, but drop around and see. Always slip the odd quarter in your jeans (or elsewhere), for fear we pull something that requires an "ante." It's all for fun or I wouldn't even be interested; I've got my aim fixed on the excellent score set up by Bert Garrett last year, but you've got to fall in line or I'll go "Boom."

Nuff.

BILL CORMAN.

EDITORIAL

A month or two ago I had the privilege of attending an executive meeting of the Ward's Island Association for the first time.

Up to that time I had taken the good times enjoyed at Ward's for granted. That a large amount of work had to be done each season by a group of islanders, I confess I never gave much thought.

Some time along in July I kicked in my fees. Sometimes later, I enjoyed the ball games, the dances and entertainment and in return gave the minimum of co-operation. I hope there were not many like me in that respect.

Let's get away to a good start this season. Instead of having the secretaries miss a lot of fun wait-

ing around for us to pay up, let's go find one of them to-day and hand over the cash early.

I might add that my fees are paid, which accounts for the vim that was injected into the little selling talk in the above paragraphs.

By the way this is a NEWS-paper, so don't forget to send in some paragraphs about your friends who are too bashful to burst into print themselves.

Sign your name plainly so we'll know who our best reporters are. Write on one side of the paper only, and put it in the Ward's Island Weekly news box located at the corner of Channel and Fifth Street.

Here's a tip. Don't do too much destructive criticising of how things are run on the island this season. You may find yourself nominated and voted into one of the tough jobs.

The large amount of building going on around Toronto is a sure sign of prosperity. What with the Royal York and the many new verandas erected on Ward's this spring, things must be on the boom for sure.

IN MEMORY

Members of Ward' Island Association will regret to learn of the death of Gertrude M. Soules, beloved wife of M. S. Soules, 34 Lake Front, who passed away on June 11th, in her 34th year, at the family residence, 176 Kingswood Road, Toronto.

Of a kindly disposition ever ready to help those in need, she was beloved by all who were privileged to call her friend. Sincere sympathy is extended to the family in their great loss.

DANCE

The opening dance on Saturday, June 22nd, was a great success, judging by the number who attended. Although the floor was rather sticky, owing to a slight error in applying the go-fast, this fault has been remedied, and the floor will be in excellent condition within a week.

We must thank Mr. Dodd for his consideration, as we started late, and we were allowed to finish without cutting the dances short, but the dance must end by 11 o'clock; so please bear this in mind and come early.

The orchestra was good. Lou Coleman and his boys certainly did their bit to make the dance a success.

The Wednesday evening dance was not as well attended as might be expected, but everyone had a good time, which is, after all, the important point.

Would the children please come to the Shelter by 8.15 or shortly after, for we want to give them a good dance, and this cannot be done unless we begin on time, as the adults must begin at 9 o'clock so as to finish on time.

If you have not danced this year at the Shelter, try it, and I am sure you will become a regular attender.

Chairman of Dance.

NEWS OF WARDS

Gord Anderson's smiling face will be missed from Ward's this summer, by his many friends. Gord has taken up residence at Windsor, Ont.

Mrs. P. G. Cameron and family, daughter of Mr. and Mrs. Ernie Lye, will spend the summer at Ward's. Betty Janes, aged eight months, is the youngest of the three children.

Mrs. Stewart, daughter of Mr. and Mrs. Walter Dodd, will be here in July with baby Beverley.

Mrs. A. J. Hember, of Winnipeg, is spending a few weeks with her daughter, Mrs. Alf Goddard, 7 Second.

Sweet, sweet are the sounds heard around 13 Channel Ave., where live Mr. and Mrs. S. McCord, fresh from their honeymoon trip to Chicago. The bride was formerly Miss Lillie Davison.

On June 27, Mr. and Mrs. Al Randall celebrated their 24th wedding anniversary. "Here's wishing them another two dozen," says Fred Clinkett.

Ward's Islanders will be glad to learn that we have now a "regular" medical doctor on the island. Dr. and Mrs. G. A. Davis are the

new occupants of Fidgetty Inn, 3 Channel. Allen and Teddy are the children's names.

Aileen Woods is taking a rest cure at Ward's, and finds the air almost as invigorating as Boston, where she recently sojourned.

Do you know that one of our junior girls is a smart mermaid? Yes, Babs Allsop swam in New York recently with the Dolphinets junior relay.

Mrs. Al Wilkinson with daughter Frances is visiting her parents, Mr. and Mrs. J. Hallamore, Wiman Building. Frances is the little toe dancer who entertained us last season.

Mr. and Mrs. Fred Armstrong, Lake Shore, have another grandchild, son of Mr. and Mrs. Paul Baker.

Wes Lackey, who pitched Percy Millar's 1928 Otazels to the championship, is far away from Ward's. His dad says he is now many hundreds of miles north of Edmonton with a party representing Dominion Explorers, Limited, a mining corporation. Here's wishing him a safe return.

A double barrelled farewell party was given last Saturday night by Mr. and Mrs. Arthur Lynn, 16 Channel, to Harry McWhinney, who left for a trip to England, and Milton Howe, brother of Stan Howe, 2 First, who returned to New York. The city visitors all missed the last boat, which made it a real party.

Maxine McClure, daughter of Tommy McClure, received a nasty cut on her upper lip last Sunday afternoon when she fell from a swing at the rear of Willow Ave. She was taken to a hospital in the city for treatment, but was able to return to the island.

Celia Pestell, 16 First, has been very ill at her city home. She is now making satisfactory progress toward recovery.

Tom Pocklington reports that Mrs. Pocklington, who recently left for England, went to sea without her trunk owing to a baggage mix-up. What a bother!

LADIES' BOWLING

All ladies wishing to bowl, who have not already handed in their name, kindly do so not later than June 29th. First game, Tuesday, July 2nd, at 8 p.m. We are expecting this year to have a very active summer in this sport, and would like to see all the ladies come out.

MRS. SWAIN.

BOWLERS, SHUN!

On Saturday, June 29th, the bowling season will open. Everyone intending to bowl is requested to be on hand at 2.30 p.m. sharp. There will be a tournament, for which the entrance fee is 25c., and the prizes will be numerous and worthwhile.

On July 1st, there will be another tournament, commencing at 2 p.m. The ladies will be present on this occasion to show up some of you CRACKS! There will be prizes and a fee of 25c. Everything is new on the green this year, even to the grass, so there will be no alibis.

Remember, please show your interest by being on the job on both occasions. The regular schedule will start on Wednesday, July 3rd. The regular nights will be Monday and Wednesday. Friday nights are reserved for tournaments and visitors. If you have not already placed your name on the list of players, do so immediately.

GEORGE TOLLEY,

Chairman.

The local church was making a drive for funds, and two colored sisters were bearing down hard on Uncle Rastus.

"I can't give nothin'," exclaimed the old negro. "I gives to nearly everybody in this here town already."

"But," said one of the collectors, "don't you think you owe the Lord something, too?"

"I does, sister, indeed," said the old man, "but He ain't pushin' me like my other creditors is."

KEEP WEE ONES OFF THE WHARF

At this time, when we are about to enjoy the many activities of the island, it would be well to give a little thought regarding the prevention of accidents, especially among the children. While Ward's has been comparatively fortunate in this respect, we should be ever on the alert lest some simple act be turned into a tragedy.

One of the members drew attention the other day to a number of wee tots meeting their daddies at the wharf in the evening. It would be very easy for one of these little codgers to be bumped off into the water while the crowd is hurrying homeward. Play safe. Make sure the children do not go where there is a possibility of an accident.

THOSE EYES—THOSE NOSE

Dear Mr. Editor:

Who's the best looking married man among the members of Ward's Island Association?. This is a subject that I have often heard discussed among the ladies. By the way the possibilities of the single men have not been considered. But when you stop to think, all the handsome men are naturally married. If we could narrow it down to two or three of the most stunning ones, would it not be a good idea to hold a contest on some suitable occasion to declare the champion. I am sure the ladies would take a great interest in it.

IMA LAIDEE.

Vinnie: Last night I dreamt I was pitching coppers and I pitched all night.

NONSENSE

This is just a guess. But keep your eagle eye on Bert Wright's Brownies in the old ball league.

Will someone buy Roy Crowley an alarm clock?

If you want entertainment, watch Bill Corman's Kummings and Frank Willis' Goers at the ball park to-night. It's free, too.

Bert Wright is the same old "spark plug." Only to-day he should be called a leaping Lena.

Have you seen Ed. Tolley's sunken gardens?

How old is Jim Lackey? There's a tough one for you.

There's a certain "slim" young lady living on Ward's who is deeply in love with a dark haired man. If some one doesn't soon introduce them there will be a tragedy.

Flossie: I can tell you the score of the game before it starts.

Curly: What is it?

Flossie: Nothing to Nothing—before it starts.

Caddy: That's a revoke.

Stan Riddell: What's that, sonny? It sounds like a bridge term?

Caddy: Nope; you played a club when you should have played a spade.

MISTAKEN

Jack Woods: I though they didn't allow any foreigners on Ward's Island.

Bill Stewart: That' no foreigner. It's Percy Millar with his new horn rimmed spectacles.

NEW GIRL FRIENDS

It is a poor year indeed that there are not several brand new arrivals on Ward's Island via the stork express. This year the wee girlies seem to have it all their own way.

As far as known at this date, the following will enjoy the bright sunshine and fresh air of Ward's Island for the first time:—Elsie Elizabeth Shoemaker, daughter of Mr. and Mrs. Lorne Shoemaker, 5 Second St.; Sheelagh Marjorie Larking, daughter of Mr. and Mrs. L. Larking, 112 Lake Shore; Isobel Margaret Wilson, daughter of Mr. and Mrs. Tom Wilson, 8 Fourth St.; Miss Rundle, daughter of Mr. and Mrs. A. E. (Dad) Rundle, 22 Lake Shore; Mildred Elizabeth Ward, daughter of Mr. and Mrs. Ted Ward, 9 Third St.; Donald Reginald Shaw, son of Mr. and Mrs. W. R. Shaw, 84 Lake Shore; and Allen Davis, son of Dr. and Mrs. G. A. Davis, 3 Channel

GOOD BOY, BILL

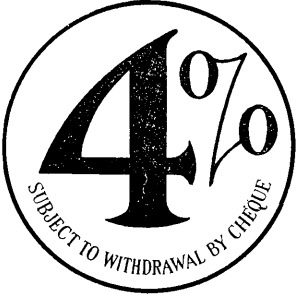

Deputation after deputation has waited on the effervescent Bill Corman. He has been coaxed, he has been threatened. About everything that could be done with him was done. After it was all over and Bill had concluded that his summer was going to be ruined unless he said "Yes," he said "Yes." So now that's settled. What? Oh, Bill is the entertainment chairman.

As Luke McLuke or Cicero or some such person said: "The right man in the right place."

JEWELRY FOUND

It seems that Al Randall wishes it to be known that he has in his possession a precious stone, presumably lost by an islander. Al is very close mouthed about the details, but those close to him say that it is a diamond, and a fair sized one at that. If you or any of your friends have lost any jewelry, call on Al and ask him to show you what he found.
