BERT E. GARRETT PRESIDENT FOR 1930

The annual meeting of the Ward's Island Association was held on Tuesday, August 27th, in the Shelter. The Association elections were held on the same day.

With the exception of the dance chairmanship all other officers were elected by acclamation.

Those who have come forward and offered their services to the Association for next season, are showing the real spirit. In having each office filled by competent members at the close of this season makes the work that much easier for the president next season.

Next year's activities of Ward's Island Association will be in charge of the following executive:

President	Bert Garrett
Vice-President	John Hillock
Secretary	Sam Roy
Treasurer	Harry Tasker
Asst. Secretary	Ed. Vaughan
Tennis	Ted Sanderson
Baseball	Curly Warwick
Bowling	Bill Brown
Ladies	Mrs. Knight
Entertainment	Nels Craig
Jr. Boys	Jack Mohun
Jr. Girls	Mrs. Sisson
Editor	Eddie Dillon
Dance	Jim Lackey

B. E. (Bert) Garrett, president-elect of Ward's Island Association, is used to working in the interests of Ward's Island. Although he has just completed his fourth season here, he served on the executive in 1928 as entertainment chairman, and this year he looked after the interests of the ball players.

In the winter time Bert is just as busy. He is an executive member of the Toronto Hockey League and represents that organization in the Toronto Amateur Hockey Association.

Bert is also well known in Masonic circles, being secretary of St.

John's Lodge, No. 75, A.F. & A.M., of which he is a Past Master.

In between times our new president looks after the adjusting for Nerlich & Co., Front St. West, the fancy and sporting goods people.

Twelve years ago, Bert became a benedict, and is blessed with three daughters. His island address is No. 10 Second St.

YOO HOO, MARTHA!

This little story might be called "Martha's Return." And weren't the natives tickled when Miss Norelius passed up a flock of invitations to come back to this little sand pile and honor Bill Corman's bridge and euchre with her presence after winning the ladies' swim.

It all happened like this: Captain McCormack, of the good ship "Luella," spotted Martha and company pulling up to the wharf in a launch, and like a good fellow tipped off the folks by setting up a series of toots.

This was the signal for Dad Lowery to drop the dish towel and tear out his front door like a fire horse followed by about a thousand odd. Yes, Dad was first again and had a grand chance to kiss the fair Martha, but happened to notice that Ma was standing right behind him.

However, Charlie Priestman and Tommy McClure threw modesty to the fishes and each gave Miss Norelius a gallant salute—grease and all.

Later in the evening, Martha was formally introduced at the bridge and euchre, and a lot of nice things were said back and forth, and everybody was mighty pleased about it all.

We hope that Miss Norelius will carry away pleasant memories of the days she spent at Ward's, and who knows: perhaps another season we may have the pleasure of welcoming her back again to these shores.

Last Saturday we held our annual tournament and 12 rinks participated, of which number four came from Hanlan's Point. The weather was ideal and everybody enjoyed the day's sport.

The first prize was won by H. Baines and his rink, which consisted of "Had" Wright, Bill Brown and Chas. Watson, who won all 3 games. Geo. Robb's rink took second prize with 3 games, 4 points short of the winners. He was assisted of Ed. Ball and Bill and Fred Ruston. Stoddart's rink from Hanlan's secured the 3rd prize, winning two games. The visitors were entertained at the Hotel.

Hanlan's very kindly brought over the Inter-Island Cup, which Ward's won this season, and it certainly is a beautiful trophy.

Bill Brown has taken over the chairmanship for next year, and under his guidance the bowlers of 1930 are assured of a successful season. One will go a long way to find a more enthusiastic bowler than Bill.

I wish to thank those who have assisted me on this year's committee. "Had" Wright, Bill Brown and Ken Robinson have worked hard, and I am sure I am voicing the sentiments of all bowlers when I say these gentlemen's services have been appreciated.

Congratulations to my rink mate, Bert Garrett, president-elect. If he works half as hard as he did for baseball and on my rink, the Association will not have much to worry about next season.

In the final for rinks, "Had" Wright defeated Tom Dobie by 17 to 8. The winning rink consisted of T. Crowley, J. Mohun, F. Corin and H. Wright. On the evening's play they were worthy of the honors.

In conclusion, permit me to express my appreciation for the manner in which all bowlers have co-operated with me all season.

If I made any mistakes, I hope I am forgiven.

Jack Swain is this season's champion single bowler, he having defeated Geo. Tolley after a great

struggle in the final. The score was close: Swain, 16; Tolley, 15.

Congratulations, Jack. You certainly deserved the honors.

My good wife and I wish to thank the bowlers for their beautiful gift.

It has been a pleasure to me (as chairman) to give a portion of my time to such a fine body of sportsmen, and I trust that I will be among you for a long time and to help foster the good old game on this Island.

Many thanks again for your kindness.

Bert Wright's Brownies are baseball champions for 1929. They defeated Percy Millar's fighting Otazels last Saturday afternoon by the score of 3 to 0 in the final game of the series.

The two teams came together seven times before the winner was declared. Last Saturday's match was one of the best games Ward's Islanders have seen in years.

Bruce Lackey, twirling for Brownies, allowed only three hits and not one safety was collected until the sixth inning. He walked only one man.

Ad Hillock, pitching for Otazel, also turned in fine effort. He allowed only five hits and one walk.

Otazel missed their big chance to score in the sixth, when Goddard and Sanderson singled and Percy Millar got on when Barnes fozzled his hunt. Ad Hillock then sent out a long fly to Mottram, in left. Goddard, who ran off third, came back to touch the base, and was caught at the plate for the third out.

Brownies scored two in the seventh, when Murray drew the only walk and Ken Barnes and Charlie Hillock singled. In the eighth, Bob Maginnis hit to Sanderson in left field, who caromed his throw off the corner of the Shelter into centre field. Bob romped around the bases for the third and final counter.

LAKESHORE MUSIC

The Sandersons are not only fine tennis players, but also fine players of all manner of musical instruments. The other evening, about thirty people assembled at the Sanderson home to listen to a musicale. Helen played the piano, Doug the violin, while Wilf sat apart playing a baseball bat. The orchestra rendered several fine numbers and then played an obligato to vocal solos sung by Miss Mollie Hamilton.

Miss Hamilton sang with magnificent feeling—even Wilfie stopped his practice swings with the bat—and we trust the entertainment committee will induce her to perform in future concerts. Ted Sanderson essayed to sing with his rich liquid baritone, but Wilf commenced to swing his bat so menacingly that Ted retired in favor of Molly, whereat Wilfie became peaceable once again.

The seagulls paused in their flight, the passers-by lingered, loath to leave, Peter the watchdog howled to high Heaven, the guests roared "Sweet Adeline," the neighbors phoned Mr. Dodd, Mr. J. C. Sanderson spilled ginger ale, the murmuring trees and thundering surf joined in the chorus, while the moon hung beautifully o'erhead—in other words, we are trying to tell you we had another musical evening at Sanderson's on the Lake Shore.

DOUG SANDERSON WINS GROUP FINAL

"Brad" Bradshaw has been playing winning tennis against all and sundry for quite some time, but even the best of them can't go on forever without an upset. The upset was furnished on Monday evening, when Doug Sanderson took 2 straight sets from "Brad" by scores of 6-3, 6-3, to win the Class "A" group finals.

"Brad" took his unexpected defeat like the sportsman he is, and we predict that it will now be more difficult than ever to outscore the Broadview ace. His usual steady play was quite spotty, although he displayed flashes of his best form at intervals.

So much for the loser, and now a few words for the winner. Doug started off at a lightning pace and hit steadily off both wings. But it was his fast forehand drive off the portside that gave him most of his points, and his occasional sallies to the net usually ended the rally by accurate volleying. Until recently Doug has been inclined to be erratic, but he has evidently found himself, and the other evening he had his fast drives under perfect control. The long sustained rallies and clever driving of both men was a treat to watch, and indicates how much tennis has progressed on Ward's Island in recent years.

Doug will likely play tennis at the Toronto Tennis Club in another

season, and with the foundation he has built up on our courts, should become a real star among the leading players in Toronto.

We offer heartiest congratulations to Doug, who achieved a real tennis success in outscoring "Brad," and thus establishing himself as the Island champion for the 1929 season.

Christie Clewlo has been knocking at the door for two or three years, and this season she has definitely entered the Hall of Fame of Island tennis. All her matches in the ladies' tournament were clear-cut wins, and richly deserved. Helen Sanderson, lacking practice this season, won her way into the finals, and put up a plucky match against Christie, although losing by scores of 6-1, 6-3.

Christie gets splendid length and pace on her fore-hand drives, and her sliced backhand is an adequate defence. A keen student of the game, Christie has profited by her observation of first class players after whom her game is patterned. It is a pleasure to watch the effortless style she displays, and we confidently look forward to seeing her become a real star as time goes on.

TENNIS NOTES

Well, well! Did you read Ev. Marshall's article in last week's Weekly in which he inferred that he or anyone else could not be expected to beat Brad Bradshaw?

It looks as though Ev. was beaten before he started. However, Doug Sanderson did not take this attitude, and on Monday night, Aug. 26th, he stepped into the breach and won two straight sets from Brad.

Some of the rallies lasted for two or three minutes. Each shot was well placed, and the smashing drives were all within a few inches of the back line.

Al. Peirce and Bill Corman put on a match which was quite similar insofar as long rallies are concerned, only it was on the slow motion style.

This being the last issue of the Weekly, I want to thank the members that we have for their co-operation during the past two seasons that I was in office. Tennis has been a pleasure for me to handle through the help of my committee, Bill Corman and Ted Sanderson. Jack Wilson has been a big help to me, always was to any chairman, and always will be. To our new chairman, Ted Sanderson, I wish every success, and will give him my hearty co-operation during 1930.

The girls' doubles were run off last week, with Christie Clewlo and Miss E. Mottram the victors. Miss L. Swain and M. Walker, who were runners-up, played brilliant tennis and the whole set was nip and tuck all the way.

On Tuesday of this week, Lorne Shoemaker and Bruce Lackey played off the semi-finals for the Willis St. Clair Cup. Each player got a set and the third set went to 6-8 before the match was decided in Bruce's favor.

By the time this issue is out, Doug Sanderson and Bruce will have met in the final round. This will, without a doubt, be a match worth seeing.

HERE AND THERE

There have been many thrills on the Island this year, but if you want a real new one, ask Frank Hanger about his evening exploration with Fat Millar. Nickels for telephone calls, lighted matches for dial work, a thrilling motor ride, and a fare-the-well Bro. Watkins at St. Clair and Yonge Sts, have the makings of a thrilling moving picture drama. Of course, Billy Moore had to be along to make the story even more entrancing.

How about having an joint all-island corn roast some of these fine nights now that the landlord goes to bed early and beach fires are almost a nightly occurrence with visitors from the city. Surely we residents can get away with a real fire once in a while!

Saturday, Sept. 14th, will see all the chairmen chucking their jobs for the season. The club house will be locked up for the winter and will be filled with supplies, canoes, etc. By the way, if you would like to store your canoe there, just get in touch with Harry Tasker and you will be taken care of. Your bill for same will follow in due course.

HARD LUCK, TOMMY

T. A. McClure, of Ward's Island, was an emergency case at the Exhibition hospital when his boat, Billy Mac, came to grief in one of the sea flea races. McClure suffered a broken hand and injured shoulder when his steering gear failed, and he was thrown against the seawall. Taken from the lake by the life-saving patrol boat, he was rushed to the hospital by police ambulance, and later allowed to go home.

GOOD BOY! MENDELL

Ward's Island is getting to be famous as a training ground for swim stars.

Mendell Burditt, 5th place winner in the 1929 Wrigley, spent the best part of the summer here. This gentleman has a 100% following on this Island. His gentlemanly straightforward manner and the hard steady work he put in training for the swim, won him a host of friends on Ward's Island.

Mendell can rightly be classed among the great Marathon swimmers and his effort in working into 5th place to win the \$1,000 reward shows the stuff that is in his make-up.

DANCE

Well, folks! Last Saturday was the last this season for the dance. It was a good one, a farewell dance that you will remember until next year when the season opens up again.

I hope you have enjoyed this year's activities, not only the dance but all of them. But our own little gathering at the Shelter is, after all, the best, and if you have not taken advantage of them as often as you could have this year, make up your mind you will be in the fun more often next year.

For the married people, your dance has been in the nature of an experiment, and results show that there should be provision made to carry them on regularly. You seemed to always have a good time and as one dance followed another they have become more popular—that is proved by the attendance. If you will discuss the matter with Jim Lackey I am sure you will find him willing to make arrangements for next year.

I want to thank those who helped me this year, especially Ed. Tolley, who so cheerfully agreed to take charge whenever he was asked. It is mighty convenient to have some one who will look after your duties when you wish to go away, and I certainly appreciate Ed's help. Also the girls who were kind enough to come in to dance with the little ones; your presence was appreciated not only by the children, but also by their parents, and I want to express here my thanks for your help in keeping the children amused.

As this is my swan song, I am allowed a few personal remarks. It has been rather interesting and pleasant to have the honor of running the dance, and while it is with relief that I welcome the end of

the season, there have been many times when it was a real pleasure to have the opportunity of doing work for you.

DOUG RIDDELL.

MIDWINTER DANCE

Friday evening, Feb. 21st., will be a big night at the Palais Royale, when the annual midwinter banquet and dance will be staged. Jim Lackey, next year's chairman, is right on the job, and secured this desirable date before the rush.

"Come and bring your friends," says Jim. "If we have not already got your city address, send it along to Mr. Roy, 677 Annette St., in order that you will be sure to receive your invitation."

MARATHON WINNERS

If efforts go for anything, Ward's Island should produce several good long distance runners in a few years. The running of the Junior Marathon for boys eleven years and under, for the Ward's Island Weekly cup, donated by Jim Wilson, was keenly contested.

boys started in the race, which was slightly over a mile, and eight finished. The winner was Jack Beard; 2nd, Art Dedman; and 3rd, Lloyd Jackson.

The race for boys under 16, for the Milt Dedman cup, was won by Rob Roy. The second boy to finish was Reid Vinnett, with Bill Tasher third.

The boys who finished in first place in both Marathons will also receive miniature cups besides the

large trophies. The two boys who finished second were presented with handsome silver medals for their creditable effort. The third place winners will receive bronze medals. The miniature cups and medals were also donated by the donors of the Marathon trophies, the latter being up for competition each year.

DEMONSTRATION NIGHT

The Junior Boys' and Girls' demonstration night, held at the Shelter on August 30, was greatly enjoyed by the Islanders.

The clogging by the girls and also the Pyramids, were quite smart.

In the boys' section of the program, the tumbling and wrestling bouts were the features. The bouts by the little fellows, were packed full of action.

During the evening, Art Dedman in a neat speech presented Chief Bodrug with a handsome club bag on behalf of the boys.

AT LAST IT WAS "DID"

Thursday morning the usual lates were wandering slowly down the wharf as usual when the gang-plank was hauled in. The Hillock-Dodd-Davie-Lynn, etc., combination made a wild scramble over the sides, with Chuck taking first prize with a seven-foot jump. Next time the Cap. blows the whistle they will know that he means it.

AU REVOIR

This is the final issue of the "Weekly" for this season. It was held over a few days in order to include as much of the wind-up of things as possible.

The three months that have just passed were all too short, and there is just a wee bit of sadness in the job of pulling up stakes and leaving the "place of good times" behind.

Thanks to very many willing workers, 1929 was one of the best seasons, both from a financial and entertainment standpoint.

For the first time in several seasons, all the jobs on the execu-

tive have been filled for the coming season. This is a good omen for 1930.

CHURCH NOTICE

Another splendid service was held on Sunday, Sept. 1st, 11 a.m. Rev. Mr. Wilson's address was on "The Service of Life." We are certainly indebted to Mr. Wilson for bringing us Mr. Wm. Buck, who gave us several fine numbers.

The closing service, Sept. 8th, 11 a.m., we wish to make a banner one. Come out and fill the Shelter. Rev. Mr. Wilson: Address is "The Great Adventure." Tom Wilson has kindly consented to sing for us.

A WORD OF THANKS

The Editor,

Ward's Island Weekly:

Dear Sir—

In this last issue of your paper, I should like to thank the Islanders for their many courtesies to me this summer.

I have thoroughly enjoyed preaching on the Island this season, because the people have been very responsive and have given me every encouragement.

Hoping that good will come of our little services, I am,

Yours sincerely,

R. V. WILSON.

Jim Wilson has an outfit that would make your mouth water. He has been presented with a \$100 fishing kit. The patent inter-fold-ing case contains an assortment of every known bait. Green frogs range in graduated sizes by the dozen. Lines fine as silk and stout enough for tarpon. Jim should have the veri-best Fisherman's luck.

WINTER GYM FOR BOYS

Parents of Ward's Island will no doubt be glad to learn that Chief Bodrug is organizing a gym class for boys of Ward's Island this fall and winter at Central Y.M.C.A.

Instruction in swimming will, of course, be a feature of the class work and will be a continuation of the good work in this department which the Chief carried on during the summer. A class of thirty is being planned, to start about the third week of September. Those wishing to take advantage of this special grouping should get in touch with Bill Bodrug at Central Y. M. C. A., 40 College St.

JUST LIKE SOME OF US

"How's your husband getting along, Mrs. Fogarty?"

"Well, sometimes he's better an' sometimes he's worse, but, from the way he growls an' takes on whin he's better, Oi think he's better whin he's worse."

Just imagine the last issue of the Weekly without one of Bill Cornan's typical letters over his own signature. What's the matter, Bill? Your column has been one of the most interesting in every issue and just because you turn a handsome balance over to the executive, instead of being one of the big liabilities is no reason why you should jump into retirement. The chairman who follows in your footsteps will have to go some to equal you in your entertainments, but when it comes to finances—boy, oh, boy, he will have a hard row to hoe.

JUST FORGOTTEN

After the water sports some thoughtless participants neglected to return four paddles, which have since been billed to the Association. Please return them to Milt Dedman, 7 Channel Ave., and ease your conscience.

DAILY VAUDEVILLE

It may not be generally known that the large vaudeville houses often have scouts travelling round the country looking for new material and new performers. We would strongly recommend that they take the 8.25 from the Island some morning, and even if it means the loss of Harry Baines and Art Saywell, the corresponding notoriety that the island will secure will be worth while. The "retort courteous" is almost always in evidence—with the "courtesy" left out.

A HIGH KICKER

Mrs. M.: "I had a nasty fright this morning. I put my foot on one of the electric rails."

Mrs. D.: "That won't hurt you so long as you don't have the other foot on the overhead wire."

BRUTE

Medium: "The spirit of your wife is here now. Do you wish to speak to her through me?"

Inquirer: "Yes, ask her where she put my summer underwear."

PRIZE NIGHT

Come to the Shelter on Friday night. It's prize night. It will also be surprise night.

WELCOME HOME

We were all glad to see Mr. Walter Dodd around the island again. After a few weeks in the hospital, he says Ward's Island is a welcome change.

The natives behaved admirably while Walter was away, except for the odd shot of alley golf Sunday evening. The fine reports which he received while in the hospital had much to do with his speedy recovery—along with the good wishes. "Never felt better, thanks," says Mr. Dodd.

BROAD AND NARROW MINDS

Small-minded people are denunciatory and inflammatory in their speech. Broad-minded people are restrained and conservative.

Small-minded people see little good in those who disagree with them. Broad-minded people see some good in everybody.

Small-minded people are often very much concerned about other persons' business. Broad-minded people ignore it.

Small-minded people are envious of those who do well. Broad-minded people are merely ambitious to do well without being envious of those who achieve it.

Small-minded people exaggerate the little they do know. Broad-minded people realize how little, relatively, anybody knows.

Small-minded people scoff at knowledge and culture. Broad-minded people realize the value of acquiring both.

Small-minded people are unduly suspicious of other persons' motives. Broad-minded persons are inclined to give others the benefit of the doubt.

Small-minded people usually talk a great deal without thinking. Broad-minded people think a great deal without talking.

Small-minded people think filth, talk filth and read filth. Broad-minded people regard filth as filth, whether actual or figurative.

Small-minded people think they are always right. Broad-minded people know how easy it is to be wrong.

Small-minded people are constantly sitting in judgment upon others. Broad-minded persons are content for others to sit in judgment upon them.

Small-minded people form an opinion from insufficient information. Broad-minded people weigh calmly all the facts before reaching a conclusion.

Small-minded people think they are more important than they are. Broad-minded people are more important than they think they are.

Which are you—small-minded or broad-minded?

Back-to-Town Suits and Frocks
