Ward's Island, Toronto, June, 1934

No. 1

## REMARKS FROM THE PRESIDENT

Dear Friends:—

Another Summer is here and as we wend our way to the Ferry to take us to the Happy Hunting Grounds to meet and renew old friendships and meet new friends, to seek the pleasures that only our Island with its community spirit can give. We know you are all looking forward to the Dances, Bowling, Tennis, Badminton, Horseshoes, Baseball and all other sports that makes Ward's Island loved by all.

For the Juniors, we are pleased to tell them now, that they will have the same supervisors to look after their needs and pleasures this year and hope they will do their best to make 1934 a rousing good one. Miss Patterson and Mr. Perryment, would like very much to have the pleasure of meeting the parents of the Junior members under their supervision.

It is with deepest sorrow that we have to announce the passing of our dear friend and patron, Walter Dodd, as he was one of our best

friends and will be missed by all. We extend to his family our deepest sympathy.

Other members of our Association who have passed on are B. A. Rockett, T. H. Callas, Miss F. Maddock, A. G. Riddell. To their families we also extend our sincere sympathy.

To W. Clarke, Mrs. Tracy, Dr. Dolson and Mrs. Mullinger, we wish to express our sincere sympathy in their bereavement of their parents.

A number of our members who have been very ill during the past winter, we are glad to report are on the road to recovery and hope they will be with us on Ward's Island this summer to regain their health.

We wish to congratulate Blach, Dodd on his appointment to his new office and I know the Committee will do their best to assist him in every way in looking after our Island.

GOOD LUCK, BLACH.

Owing to unforeseen circumstances, we regret to lose three members of our committee during the winter season. F. Beam, through business reasons. L. Sisson, through sickness, and Mr. Clarke not being able to be with us this year. We are pleased to announce that Edgar

Tolley has taken over the dances and B. Blackhall the Tennis, and we know these offices are in capable hands. The Chairman for the Horseshoes has not yet been filled.

During the winter your Committee held several meetings in the interest of the Islanders and are looking forward to an exceptionally good season this summer.

The Winter Dance, although not a paying proposition, was well attended by Ward's Islanders and a very enjoyable time was had by all those present.

I know every member of your Executive are hard workers and ones who have your interest at heart and hope you will give them your co-operation in every way to make the summer of 1934 a pleasure for all.

Your Secretary has to devote a great deal of his time during the summer to his work and I know you will help him by joining the Association as soon as possible so that he will be able to enjoy the pleasures of the Island as well as the members of the Association.

I would like to take this opportunity to express my thanks and appreciation to the last year's Executive Committee for the help and assistance they have given me.

In closing, I wish you all the best of health and happiness.

ART SAYWELL.

## TENNIS

Greetings to all regular and prospective tennis players. The writer has been pressed into service as Tennis Chairman, since the Chairman-elect, Mr. Clark, is unable to be with us this season.

The official opening on Sat., May 26th, was made possible, in a large measure by the co-operation and industry of several of our ardent members in laying the court tapes the evening previous.

The Chairman sincerely hopes that this season will prove enjoyable to all those partaking in the sport, and this pleasure will in no small measure be due to the improved condition of our courts, and the assured efficiency of the Committee, which consists of the charming Dorothy Wright the redoubtable Edgar Tolley, and the indefatigable Jack Wilson.

The writer has had several attractive price lists submitted, on racquets, repairs and tennis balls, and while the naming of these respective companies in this column is not feasible, you will be well advised to see any member of the Committee for information before making a purchase.

In conclusion, let me reiterate that I hope that you will all spend a most pleasant summer, and in particular enjoy the tennis.

BERT BLACKHALL.

Chairman.

## BASEBALL.

With the Grand Opening of the baseball season all set for the last Friday in June—June 29th—we will soon be able to sing, "Happy Days Are Here Again."

And if the players and fans all get pulling together, and back up the Baseball Committee, it's going to be a bigger and better season than ever—even surpassing the good old days, 'way back when, etc., etc.

Bill Wickett was elected last Fall as Baseball Chairman of the W.I.A. for 1934—and immediately got busy. Plans are coming along rapidly and he has put Ken Barnes and Reg. Abraham (better known as "Walter") on his Committee. Bill is Managing Director, and his past record in Island Baseball has proven him to be one of the best. Ken is keeper of the "Strong Box," and will see that all the equipment, bases, bats, etc., is arranged for at every game. Walter will compile the batting and fielding averages from the official box scores, and write up the baseball column for the "Weekly." An official scorer is being appointed — announcement shortly.

Mr. Potter, of the Parks Department, who has long been a good friend of ours, has agreed to look after the grounds, and guarantees we will have one of the fastest diamonds in Toronto or vicinity. The whole playing field will be gone

over—the diamond resurfaced and the outfield raised and graded, to prevent "puddles" after heavy rains. City surveyors will measure out the infield, thus eliminating all arguments as to distances. Every Wednesday and Saturday the first and third base foul lines will be freshly chalked out, and every afternoon before a game, seats placed along first and third base lines for the fans. A new screen backstop cannot be secured this year, as it has not been included in the Park Board's estimates, but the present one is being repaired and put into first-class condition, making it one of the best in Toronto district. Altogether, it's a big order, but Mr. Potter stands ready to give baseball on Ward's Island a big boost.

Four teams will again operate—Otazel, Dingbats, Osoeze and Brownies. Jack Smith and Harry King, good old reliables, are with us again, ready to lead teams in the race for the Island championship. Bob McGinnis cannot get to the Island this year, and Phat Millar feels pressure of business will not permit his again acting as captain. We regret these two, who have so faithfully captained teams for years past are unable to continue. But Ossie Moore has been chosen to captain Dingbats, and Ad Hillock has been chosen for Otazels. Jack Smith again leads the Osoeze team, and Harry King

claims the Brownies are his forever.

The schedule for the season will soon be released, and after each game will appear the names of the umpires to officiate. All players and umpires should place these schedules in their mirrors—and resolve to be on duty every time as scheduled.

Batting and fielding averages will be kept on every player—the leaders, such as the Big Six—published every week, and awards, possibly a cup, made at the end of the season—one to the leading batter, one to the leading fielder.

All who wish to play are requested to hand in their names, stating the position played, to one of the committee, as noted below. All names handed in will be drawn for when the Captains and Committee meet this week. We want all with us who would like to play. We will find a team for you, and then you go to it, and work for a regular berth. Young players will be given every opportunity to make good.

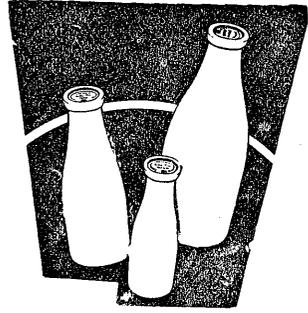

Inter-Island baseball will again proceed—let Ward's Island set out to retain the cup lost last year. Details should be ready to announce shortly.

Arrangements have already been made for some outstanding attractions by way of leading city teams visiting us on Wednesday and Saturday evenings, and we would like to arrange a game for Dominion Day, July 1st.

Altogether, the Committee now put it up to the players and residents of Ward's Island to help make 1934 a great baseball year.

### THANK YOU

The early arrivals at Ward's this season wish, through the "Weekly", to thank the Toronto Transportation Commission for the change in the Time Table to the hourly service given them at the request of the Association.

## APPRECIATION.

Mr. A. Saywell,  
Pres. W.I.A.

Dear Mr. Saywell,

Will you convey to the members of the W.I.A. Executive my sincere appreciation and thanks for the beautiful flowers sent during my illness.

They were a constant reminder of our many friends at Ward's Island and helped to make the time pass more quickly.

Now that the warm weather has arrived we hope soon to be able to get over to our Island home.

We hope that the summer of 1934 will be a very happy and prosperous one for you and your executive.

Sincerely yours,  
ANNIE H. McAREE.

## BASEBALL BRIEFS.

Shades of the champions of 1923—Bert Wright is again on the Island, and we look forward to seeing him in action once more.

Ab Henderson again speaks of retiring, but we think the old game still can lure him—and baseball on the Island needs him.

The evergreen Chas. Christman will be on the job—and they don't make any sweeter players than Chuck, playing the game every minute of the time.

Jack Wilson says his hat is in the ring for the batting championship. Never can tell what the incentive to win that cup will do.

Stan and Doug Ruddell have shown old-time form in spring training. Looks like a comeback campaign, and we would like to see them in there.

Wilfred Sanderson,—“Sandy,”—sends word he is moving over right away, and asks if a competition will again be held to determine the most valuable player to his team.

Phat Miller insists he is retiring. He should listen to Connie Mack's advice: “Never quit till they make you,” And that's not yet awhile. Phat has a lot of good baseball in him still.

Rumour is that Wilf Cutler is going to stage a comeback to celebrate Toronto Centennial Year. Atta Boy, Wilf, just the right time to step up to the old rubber again.

## GIRLS' WORK.

Hello Girls:

Well, it's over. Yes, the winter, and thank goodness. It's beyond the time of many of us since so trying a winter has been experienced in these parts. Everyone is ready for vacation time.

And so, once again, we turn our attention to good old Ward's.

Already Toronto's Summer paradise is resounding to the clang of many hammers, the hum of saws and the swish of brushes. It's Spring, preparedness time.

A Big Year is ahead of us. Preparations are being made for it, but in all this rush and bustle, let us not overlook one of our biggest "jobs," the amusement and welfare of our younger ones. Many details are involved in this work. One would almost need to be a "Thurston," a "Houdini" to find and produce enough activity to keep the present generation occupied from dawn to sunset.

It is our sincere wish that we shall again this year have Miss Patterson back with us in charge of this department. The well managed activities of this section have proven the untiring efforts of Miss Patterson.

We are confident many applicable and helpful suggestions could be made to help make this season one of the most enjoyable.

Yours for a bigger year.

GLADYS E. MARSHALL.

## WARD'S ISLAND ROWING CLUB

Boys, members of W.I.A. of high school age are eligible for this newly formed interest. Application forms will be available in about a week's time from any of the officers. Ralph Sturgeon, Commodore; Bob Atkins, Captain; Bruce Randall, Vice-Captain; Russell Callis, Secretary; Alec Sinclair and Jack Guest are going to act as Hon. Coaches, and this means success.

## LADIES' BOWLING

Well ladies, here we are again, ready for a big summer at good old Ward's Island, and of course, we don't think of Ward's unless we connect Bowling with it. I do hope, ladies, you will turn out strong in numbers and support this wonderful privilege we have right at our door. I hope we will have as good a time as we did last year.

Mr. Atkins is arranging I believe to start off the season on July 1st with a mixed tournament, so be sure and be ready for a real good time this season of 1934.

M. McCLURE.

## HORSESHOES

We regret that Lorne Sissons will be unable to carry out his plans for horseshoes and quoits. The Executive, hope very shortly, to secure some one to look after this interesting sport.

## EDITORIAL

Frank Beam says that the editing of the Weekly is very simple when you get on to the hang of the thing. Well, he may be right, but the hang has almost got on to me. To gather up all the loose ends of news since we last gathered at Ward's is some job. Many items of interest will be missed in this edition but with the hearty support and co-operation of every Islander we hope to include them in the next issue. Please don't be afraid to make suggestions to the editor.

Your Executive have held monthly meeting throughout the past winter and have laid plans for every department of sport on the Island. These plans can only be carried out successfully when they have the hearty support of every resident on the Island. Get in touch with the various chairmen early—make suggestions—pay your fees—don't have them bone you for your fees at the end of the season—you will feel much better by paying up promptly at the beginning of the sports.

The editor welcomes all the newcomers of whom there are quite a

number. To them I would say, "Don't be backward in coming forward". Get out into the various fields of sport and you will soon get acquainted with the other members of the WARD'S ISLAND FAMILY.

Enough said for now.

## OUR ADVERTISERS

At the commencement of another season at Ward's Island a word to the members concerning our advertisers would seem timely. We all know that the Ward's Island Weekly costs considerable money to produce each week during the summer, and if it were not for the revenue received from the business firms who favor us with advertising we would be unable to have a weekly paper. This, I think all will agree would be a serious loss and would take away some of the pleasure we receive in scanning the pages of the Weekly for the latest news and happenings. All this leads up to the salient point that we all should, as loyal Ward's Islanders, reciprocate with these advertisers by giving them our business and boosting for them in preference to those who do not see fit to advertise in our paper. All kinds of businesses are included among these firms, and each is willing to give you the best of service.

Once again, let us remind you—

**PATRONIZE OUR ADVERTISERS**—they make this paper possible.

## NO DOGS ALLOWED.

This is a reminder to all residents that dogs are not allowed on Ward's Island.

Those now keeping dogs are requested to arrange for their removal on or before the 22nd of June. Your co-operation in this matter will be greatly appreciated by

B. F. DÖDD.

## GIRLS' SUPERVISION

Just a note, but an important one. First, I am looking forward to seeing ALL the girls of Ward's Island, under the age of 16, at the shelter 10.00 o'clock sharp, Tuesday morning, July the third. Secondly, and most important, all the girls 12 years of age and over are to bring 2 tennis balls and a tennis racket. Buy it or borrow it or make it but HAVE it the first day of supervision, especially those girls who have just turned 12. This is most important. The third note is that I particularly want to see the just-out-of-supervision girls at 11.30 the same morning. You know the ones I mean without mentioning any names. I have something important to tell these girls. Any of the older girls who might desire to come to this meeting are invited to do so. You will be interested. This is not a supervision group. Lastly, there may be some new girls of supervision-age on the Island for the first time. Look them up and invite them to come to the shelter with you on Tuesday morning. Let's get our registration as complete as possible the first day so that we might definitely choose the various teams.

Regards to you all.

## UNION CHURCH SERVICES

All Islanders are asked to note the date of the opening of our Service—

**Sunday, June 17th, 11 a.m.**

Our Services are truly "Union". We invite all to attend.

This season we are fortunate in securing Mr. J. W. E. Newberry, B.A., to preach and take charge of our Services. He is highly qualified having secured particularly high awards in his last examinations at Victoria College, and which included 3 scholarships, one being for \$750, to enable him to study abroad. Let us have a large congregation on this opening date to welcome him.

Mr. Tom Wilson has again kindly consented to take charge of the piano. We are indebted to him for loyal and efficient service that means so much.

"Jack" Barley, as we all know him, has been appointed Assistant to Rev. Dr. Bingham at Walmer Road Baptist Church. Again we say congratulations and much success in this part of the Master's Vineyard.

Rev. Keith McMillan, our Minister during the greater part of the summer of 1932 has been assisting at Westminster Central United Church during the past winter. He graduated from Victoria College in April last. He wishes to be remembered to our people, and spoke very highly of Mr. Newberry, who is to conduct our services this summer. We congratulate him on his success and wish him everything in the service of the Kingdom.

Rev. Moir A. J. Waters, Minister of First United Church, London, Ont., extends his greetings to all and his most pleasant memories of the happy times spent with us in 1931 and the early part of 1932 season.

Thanks, Moir, we shall be indeed glad to see you, if you can make it convenient during this coming summer.

On behalf of the Committee,

## NEWS ITEMS.

Mr. and Mrs. Geo. Rowe, 18 Lake Shore Road, left recently on an extended trip to Ireland. This is the first visit back home since they came to Canada nearly fifty years ago. We hope they have a very pleasant journey.

Mr. and Mrs. H. J. Hamilton and Miss Mollie Hamilton enjoyed a very pleasant trip to Europe early this year. We are glad to see them back on the Island again. With Mr. Hamilton on the job we know that their beautiful garden will be properly looked after.

Miss Marjorie Guest expects to take a trip across the pond this summer.

Mrs. H. Rorke, better known as "Minnie," who for years was the popular solicitor of the Robert Simpson Co., is now in charge of the grocery store on Ward's. Here's wishing her every success.

We are pleased to report that Mr. and Mrs. "Dad" Lowrey, Mr. Wallie Randall, Mr. Alec Cooper and Mrs. Tom Wilson, Miss C. Mc-Aree, Mrs. Shoemaker, have recovered from their recent illness and all expect to be back on the Island this summer.

## MEN'S BOWLING.

At this time there is not much to say about the Men's Bowling. The winter was very severe, and played havoc with the green, but Mr. Potter and his assistants are doing their best to remedy the damage, and in about two weeks' time I hope to be able to say when the green can be used, so let every one say a prayer for nice weather with some rain, at least occasionally.

On Monday, July 1st, there will be a mixed tournament for the members, and this will start the season officially, for the men, as well as the ladies. A list will be posted at the clubhouse on which to enter your name for it, and, weather permitting, you can be assured of an enjoyable day.

The Committee, who will assist me in maintaining order, etc., on the green, are Bill Brown, Tom Dobbie, Hartley Gee and Frank Pearce, and we are going to do our best to make the season more enjoyable than any of the preceding ones. However, we will need the help of all the bowlers. So, here's hoping.

"Tuning up? Why are they doing it now? I ordered you a week ago."

A small boy, leading a donkey, passed an army camp. A couple of soldiers wanted to have some fun with the lad.

"Why are you holding on to your brother so tightly, sonny?" asked one of them.

"So that he won't join the army," the youngster replied.

DAILY DELIVERIES TO WARDS

### All Wet!

Ward's Island's a delightful spot  
On which to summer, when it's hot.  
But when it rains  
. . . . . it's not.

Ward's is a place to banish care,  
Where cool lake breezes fan the  
air,  
But when it rains  
. . . . . stay offn there!

#### THE POND UPON THE HILLS

I've fished on many rushing streams  
That seemed the answer to my dreams,  
And many weary miles I've trod  
To test the temper of my rod.  
On jewel-like lakes with wooded banks,  
I've offered to our Maker thanks,  
And vowed that there I'd always stay,  
That nevermore my feet would stray.

Yet in time I'd go and look  
For some secluded rippling brook,  
The perfect spot I hoped to find  
It seemed was only in my mind.  
But now my wandering days are past,  
I've found the sought for place at last:  
A perfect cabin bathed in sun,  
A place to rest when day is done.

A sparkling sunlit stretch of pond,  
With gently rolling hills beyond,  
A place of peace and goodly fish,  
The answer to my fondest wish.  
And so though winter send its snow,  
And all is dismal here below,  
My memory brings me happy thrills,  
I've fished the pond upon the hills.
