## BASEBALL

Baseball officially got away to a good start on Friday, June 29th, when the weatherman arranged an ideal evening for such an event. Otazels and Osoeze came together at 7.15 p.m. and lined up along first and third base lines. President Arthur Saywell, in a brief well-delivered address told the players how Ward's Island residents appreciated the contribution made by the baseball teams to the life and spirit of Ward's Island and wished for them a bigger and better season than ever in 1934. He then pitched the first ball and Ed. Tolley, as batter, showed the crowd how sluggers could get hold of any pitched ball in the good old days and drive it out.

The game was one of the best opening games in years, ending in a win for Osoeze 6-5. Brilliant fielding and good pitching so early in the season was remarkable, while on the other hand glaring errors in base-running was equally surprising. However, the fans, who turned out in large numbers, were royally entertained and the enthusiasm indicated that it's going to be a great year if the players continue to put the same pep into all their games.

The features of the game was a great running catch by Ab. Henderson of a hard drive by Ad. Hillock to left centre. It was labelled for a

homer, and Ab. probably saved the game for Osoeze then and there. Jack Smith's fast fielding at third base, especially on bunts also bordered on the sensational. When Wilf. Sanderson is in a game there's always at least one man working hard—but his over-anxiousness in this game was nearly disastrous. With runners on first and second in the 7th Sandy drove out on a Texas leaguer and each runner advanced one base, but Sandy kept right on going till he shared second base with another runner and cost his team an out. This provided much merriment for the fans but Sandy can never be accused of not trying—figuring the runners should have advanced further on his hit.

The second game of the schedule brought together Dingbats and Brownies on Tuesday, July 3rd, resulting in a 9-5 win for Brownies. This game was featured by the great fielding of Joe McLaren on first base for Dingbats, and good pitching efforts by George Tarsey and Ellis Cockburn. Fred Clinkett, Jr., the Brownies regular pitcher could not get away for the game and George substituted so acceptably that practically every run was scored against him on errors. Speaking of errors, they came thick and fast but we will be lenient and say most of them were due to lack of

### CUPS DONATED FOR BASEBALL

President Saywell has donated a Cup to be presented to the leading batter and another Cup will be presented to the leading fielder for 1934.

Only players participating in three-quarters of their team's regular games are eligible to win. Inter-Island and exhibition games are not taken into consideration, as all play-

ers on the four teams must have an equal chance to win.

Joe Leake is donating a Cup, to be presented to the player chosen as being the most valuable to his team throughout the season of 1934. Joe finds his business in the City will prevent his being with us to any extent this year. To show his heart is still in the game as it is played on Ward's Island, Joe is donating this Cup, to be known as the "Joe Leake Cup."

The spirit which prompts the donation is well-known at Ward's. Joe has done a lot for baseball on the Island, as many of us have witnessed. This will all tend to increase the appreciation which we feel will be generally voiced by the baseball fans when the announcement appears. A committee of representative fans on the Island will decide the winner. They have been chosen and their names will be announced as soon as their consent has been obtained.

### EXHIBITION BASEBALL GAMES

On June 27th Joe McLaren brought over the Famous Players' team from the City for our first exhibition games. The loyalty of the fans was rewarded as Ward's showed the benefit of their spring training by winning 11-5.

Ward's continued their winning ways against City teams on July 2nd by defeating the Flint Bible Class team from Parkdale Baptist Church. Our old friend Don Crawley is a member of that team, and brought the boys over. It was a good game and the ever-faithful fans of Ward's Island were on hand to add their enthusiasm to the game.

### INTER-ISLAND BASEBALL SERIES

On June 20th the Ward's Island Baseball Committee jumped on bicycles and in the rain headed for Centre Island. Here's the result:—

The games in this series have been arranged and the dates are as follows:

July 14th—Centre vs. Ward's.

July 21st—Ward's vs. Hanlan's.

July 28th—Hanlan's vs. Ward's.

Aug. 4th—Ward's vs. Centre.

Officials for these games will be appointed by the team not playing on day of scheduled game.

Players for Inter-Island Series and future Exhibition games will be chosen from the following: J. Smith, Edgar Tolley, D. Horne, C. Christman, Blach Dodds, A. Hillock, F. Mottram, J. Anderson, R. Crowley, Geo. Tarsey, Doug. Waghorne, Wilf. Lavery, Ken Barnes, Grant Pestal, Art Barnes, Wilf. Cutler, Harry King, F. Bowman.

### GIRLS' SUPERVISION

Fifty-six girls registered for supervision on July 3, which is a record opening registration. There are 22 seniors, 24 juniors and 10 midgets to date. Since so many girls have recently turned 12 years of age and thereby qualifying as seniors it was imperative to teach these girls tennis in order that they might play tennis throughout the rest of the season. Consequently for the first week of supervision all morning activity with the juniors and midgets was suspended. The regular organized work commences Monday, July 8th. Please note the timetable.

Midgets—Tuesday and Thursday morning; Monday, Wednesday and Friday afternoon.

Juniors—Monday, Wednesday and Friday all day.

Seniors—Every morning, Tuesday and Thursday afternoon.

## FEES! FEES! FEES!

Someone has said there are only two sure things in this world—Death and Taxes. Perhaps there should have been added to this list Association fees, because as sure as the 1st of July comes along there is an incessant demand for fees. Of course, everyone recognizes the need of paying their dues but some members tarry, and thereby cause the Secretaries needless long waits at the Clubhouse with no business in sight. So, come on, folks, let's get this business of paying our fees for the year off our chest at once, and enable your Executive to get on with the work of the summer. The Secretaries will be at the Club House every evening next week from 7.30 to 9.30 for this purpose.

As most members are aware, fees for all the different activities can be paid at the same time as the Association dues are paid, and the Secretary will be only too glad to mark up the back of your membership card with a receipt for any or all activities on the Island.

Now, having read all this paragraph, what's it all about—and the answer is **FEES! FEES! FEES!**

## THANKS, MR. DIBBLE

The Islanders wish to thank Mr. Dibble for his thoughtfulness in arranging a special collection of garbage last Saturday.

You should have seen Capt. Brown of the "Luella" last Saturday afternoon greet an old friend whom he had not seen since he left the home town. The reminiscences were enjoyed by all the front enders.

## WARD'S WIN INTER-ISLAND TENNIS OPENER

After the heat and dust of battle had cleared from the tennis courts last Saturday, Ward's had won six out of seven matches from the invading Island Aquatic players.

Once again Ward's seem well away to another league triumph, although we understand that the Centre Island Community Tennis Club, the new entrant in Island series, have a number of dark horses to place in the lists.

The last match of the day was probably the best. Lefty Murray and Angus MacKay, leading Centre performers, lost a very close three set duel to Doug. Sanderson and Ad. Hillock. Hard but accurate stroking by all four players kept the on-lookers on the edge of their seats from first to last. It was tennis doubles as it should be played.

Fred Mottram with Ed. Tolley and Jack Sanderson with Aubrey

Munday comprised the other worthy doubles winners for the local club.

Aubrey Munday played heads up tennis to extend Murray, the Centre ace in a singles event. Aubrey didn't pull out a win but showed that he is going well enough this season to face the best of Island players on even terms.

Dot Wright played her usual steady game to win from the best feminine opposition from Centre Island. Dot was rarely extended.

Eileen Riddell and Christie Clewlo had little trouble in winning their ladies' doubles. They can be relied on for a number of victories again this season.

The writer, umpiring the match between Ad. Hillock and Angus MacKay had a chance to see the great improvement in Ad's. game as he outlasted the Centre star in a three-set match. With the right kind of practice Ad. will be a real contender in Island tennis.

Every member of Ward's Inter-Island team deserves congratulations, and we look forward with interest to the meeting with those "dark horses" from Community centre.

## TENNIS NOTES

Hearty congratulations are in order for our Inter-Island tennis team, who last Saturday decisively defeated I.A.A. 6-1. A more complete account will be given elsewhere by our former champion, Ev. Marshall.

I should like to thank Jack Wilson for the very capable way in which he handled the entire meet.

The holiday brought forth more than the usual number of fortune hunters.

The morning "sweep" had some 48 players, with \$12 in the "pot".

After some excellent matches Doug. Sanderson and Lou Coleman emerged the victors with Chuck Hillock and Ellis Cockburn taking the place money.

A second sweepstake was run off in the afternoon, and apologies are in order if anyone was left out who wanted to play. This statement applies particularly to Ed. Tolley, who bewailed our negligence in overlooking him.

The reason for his belated appearance seems to be due to Eddie's passion for Carp fishing.

He met with no success since his homemade dough was not sufficiently enticing to the well-stuffed Carp. In future Ed. will use a chunk of Barker's Bread. (Advt.).

But getting back to our subject, the afternoon "Sweep" was won by F. Moffatt and Dick Davis with C. Moffatt and Miss Olive Brown taking second money.

The Canadian Lawn Tennis Championship will be played at the Toronto Lawn Tennis Club on July 23-28 inclusive. It is hoped that some of our members will compete, since the experience would be invaluable.

Entry forms and particulars may be obtained from the Charman. General admission and reserved tickets for the entire series will sell at \$2.00 and \$2.50 respectively.

### SUNDAY EVENING SING-SONG

There will be lantern slides and a talk to the kiddies at 8.30, followed by a regular Sunday evening sing-song, interspersed with solos. This evening is for everybody on the Island, and will be carried on every Sunday evening during the summer.

## WARD'S ISLAND IMPROVEMENTS

Mr. Potter of the City Parks Board in charge of the Islands has had his men busy on Ward's Island this year and the improvements generally are welcomed and appreciated. The tennis courts are more crowded than ever as a result of the good work done there. The baseball players and fans have also commented on the excellent condition of the diamond and the smoothness of the outfield compared with other years. The backstop has been put into first-class condition, the foul lines chalked out, and the benches placed along first and third base lines each evening. This has resulted in increased interest and attendance at the ball games. Altogether, the willing co-operation the Island is receiving from Mr. Potter and his men is worthy of our praise and reciprocating co-operation.

## EDITORIAL

As this is Centennial year, when history is being "dug up", it seems most appropriate that we should dig into the past history of "Ward's".

Very few know how Ward's came into existence, when the Wiman Buildings and the Hotel were built, or by whom. Your Editor has been fortunate in finding one who knows practically all the past doings.

In the next issue, one of our own boys, Mr. John Withrow will begin the "History of Ward's Island". You will enjoy reading it.

There is too much broken glass lying around the Island, especially on the beach. It is the duty of everyone, young and old, to pick up broken glass wherever they see it. Efforts should also be made to prevent the small boys from using milk bottles as targets. You or yours may be the next one to get a bad foot cut. Do for others what you would like others to do for you.

## NEWS ITEMS

Clem Pocklington graduated from the College of Optometry this spring and at the closing dinner in the Royal York gave the Valedictory. He is now gaining valuable experience in charge of an optical studio in Fort William. This will be the first summer that Clem will spend off Ward's Island since he was in long clothes. We all wish Clem every success in his new work.

We extend congratulations to Miss Isobel Lyon who has graduated from the Ontario College of Art. Isobel was successful in obtaining a scholarship every year during her course and honours in the finals. We are pleased to see her and her parents back on Ward's again.

The Misses Ellen and Beth Sovereign were visitors with Mrs. Geo. Goulding recently. These young ladies are daughters of Bishop and Mrs. Sovereign of the Yukon and Athabasca Districts.

Our genial Joe Leake may now be found in charge of United Cigar Store branch on Spadina Road in Forest Hill Village. Joe will be pleased to have any of his Ward's Island friends drop in on him when they are up in that part of the world.

We are pleased to report that Mrs. Ev, Rennie is rapidly recovering from her recent illness.

## DO YOU TELEPHONE?

If so, why not patronize the telephone cabinet situated on the Club House verandah. The Association derives a small revenue from this phone, and members would be helping add to our funds by using this phone when wanting to make a call.

## MR. WALTER F. DODD

Mr. Walter F. Dodd, who passed away in the last days of 1933, was probably the best known man on Ward's Island. Walter, as he was familiarly known, moved to Centre Island over forty years ago but after a few years there transferred his interests to Ward's and soon became closely identified with its interests.

When Mr. Marshall relinquished the duties of City Representative about 1910 Walter was appointed in his place by the late Assessment Commissioner, Mr. Forman. One might truthfully say that he grew up with Ward's and helped make it the best summer resort on the continent. He signed our leases, collected our rent, looked after the City's interests and ours throughout the growing days of the Island. His duties were various and onerous but he carried them out faithfully and impartially.

He, with others, was instrumental in the formation of the Ward's Island Association and acted as secretary and treasurer for a number of years and latterly as Patron.

He was kind-hearted and sympathetic and helped many a family over the rough spots. To Walter, more than any one else, do we owe the fact that Ward's has been kept such a clean and healthy summer resort. He was a friend to all and will be missed greatly. It is up now to all who knew the father to help the son, Blachford, carry on the good work.

July 2nd evening a sweepstake of mixed doubles was played. Mrs. W. Kay and Mr. A. Munday were the winners.

On Saturday evening, July 7th, 8.45 p.m. a meeting of the Badminton section will be held in the Club House.

If we can get enough new players we will form a novice section, under instruction. Come out and take part those who would like to learn the game. I have a supply of racquets and birds on hand.

## A BEAUTY SPOT

Have you seen the transformation in the landscape down at Lands End at the Eastern Gap? If not, have a look—Bill and Mrs. Newcombe are to be congratulated on the beauty spot which they have created adjoining their summer abode.

Now if the Parks Department and the Government authorities could be induced to remove the unsightly debris of the old life-saving station perhaps Bill and the Missus would extend their good work westward. They might create a trout pond to keep the gold fish company.

If Sheridan Nurseries want any expert advice, they should consult the Newcombes.

Misses Artie and Margaret Macdougall (R.N's.), New York City spent the week-end with their sister, Mrs. Arthur Gay.

Doug. and Mrs. Waghorne and little daughter Joan, of Brantford, are visitors at the Dedman home.

Harold Hudson and Bill Wiltshire of the Imperial Life Staff, Montreal, are spending a few days with Harold's mother on the Lake Shore.

Harry Tasker and family are vacationing at Thorel, Lake Rosseau.

Geo. Mickleborough is back on the Island again at 36 Lake Shore while Mrs. Mickleborough is spending the summer with her parents at Vancouver.

Mrs. Byron and Jimmy, from Jersey City, are again visitors with

Mrs. Ed. Tolley. Jimmy says, "There is no place like Ward's Island."

Eddie Dillon has gone on a fishing trip in Haliburton district. Watch him stretch his hands when he tells you of the ones he missed. Mrs. Pascoe is keeping Mrs. Dillon company while Eddie is away.

Blair Wright of Montreal is visiting with Uncle Bill Wickett. Monty and Mrs. Wright expect to renew old acquaintances early in August.

Mr. and Mrs. J. Kirkland and family are residing for July at No. 7, 3rd St.

Dr. and Mrs. Mortimer (Wallie) Wilson of Windsor spent the holiday with their parents Mr. and Mrs. John Wilson on 2nd St.

During July Mr. and Mrs. D. J. Sinclair will enjoy the lake breezes at 12 Lake Shore.

Mr. and Mrs. Harold Saywell were visitors over the week end at the Presidential Home.

Mr. Editor—

Who was the young lady who appeared at the ball game on Saturday evening dressed in shorts and mighty little else? Her costume may be alright for the beach but, in my humble opinion, is not proper for a baseball game.

### AN ISLAND MOTHER.

Mother, I think you are right. Since bathing suits without a gown are forbidden north of the boardwalk, a little more discretion in attire would be appreciated. (Editor).

## MEN'S BOWLING

By the time this appears in the "Weekly" the Scheduled Bowling will have started but that does not mean that it is too late for anyone to start. Monday, Wednesday and Friday nights are the schedule nights for the men and all bowlers are requested to report at the Green on these nights by 8.30, so that the teams can be drawn up and started without loss of time.

Weather permitting, there will be 25 schedule nights, and for the individual prizes the best 18 nights will count—2 points for a win and 1 point for a loss.

Bowling Fees are now due, and Tom Dobbie and Frank Beard will always be on hand to receive them.

On Monday, July 2nd, we had our first Mixed Tournament. There were 64 out—23 ladies and 41 men. The weather was perfect and I trust everyone enjoyed themselves, as I have had several requests to run another one soon. Harry Baines assisted by Mrs. Ivy, Mrs. Harman and Mr. Pike captured 1st honors with 3 wins and a score of 53. Second place, Tom Dobbie, Mrs. Stewart, Mr. Mullens and Milt Dedman, with 2 wins and a score of 50. Third place, John Hillock, Mrs. Williams, Mrs. Heyland and Mr. Sinclair, 1 win and a score of 43. The Grand Consolation prize was won by the remarkably steady bowling of Tom Conlan, Mrs. Pike, Charlie Sullivan and Charley Downes, no wins and a score of 23.

## HORSESHOES

Mr. Earl Ludlow has been appointed Chairman of the Horseshoe Section for this season. Earl brings to his new position a love of the game which can only bespeak success for this popular pastime. Barnyard Golf is in good hands, and the co-operation of the members is all that is needed to make this one of the best seasons on record.

Over the top again. Let's go. Over 85 have entered already. Schedule has been posted on notice board. Make sure your games are played by date posted so as not to lose by default. We expect horseshoe beds will be in good shape by the end of the week. Horseshoe fee is only 50c for the summer, you can pay this when you get your W.I.A. card, or to the chairman of the horseshoes, Mr. Earl Ludlow.

There has been promise of a prize for those who are eliminated in the opening series of three games in the A and B sections.

A series of games will be played later on in the season so as to secure the winners.

## WARD'S ISLAND WEEKLY

I wish to take this opportunity of expressing my appreciations to the Ward's Islanders for their interest and support in last year's program and feel that this year will even be bigger and better than ever. There will be some pleasing improvements this year in the recreational program, more emphasis will be based on swimming, community games, out-trips, hobbies, contests, Indian council rings, picnics, hikes, camp-fires, inter-island visits, etc.

Last year's group system and Ward's Island standard summer policy will be carried on as usual with leaders, assistants and captains taking charge of groups with the same spirit of competition as previous years, softball league, lacrosse, field hockey, push-ball, tennis, horse-shoes, marathon runs, marathon swims, swimming meet, athletic meet, etc.

In planning our program we are inclined to be samplers of everything, as the boy's interest changes rapidly, so with this in mind I have formulated the work into a four-fold purpose program:

### Health—

Play Games, Novelty Runs, Gymnastics, Exercise, Canoeing, Picnics, Sun Bathing, Health Club, etc.

### Vocation—

Hobbies, Leadership, Lectures, Nature Lore, Camp Craft, Skills, Drawings, Photography, Organized Play, Interest Clubs, etc.

### Recreation—

Harmonic Band, Kite Flying, Indian Work, Boat Building, Softball, Athletics, Sketching, Campus Games, Lacrosse, Treasure Hunts, Robin Hood, Rubber-neck Hikes, Stunts, Individual Awards, etc.

## Swimming—

Water Polo, Trick Swimming, Diving, Water Tests, Displays, Follow the Leader, etc.

We started off well on Tuesday with an attendance of 63 boys. We are going to have a wonderful summer together.

"PEP" PERRYMENT,  
Chief.

## THOSE AEROPLANES

Mr. Editor—

Something ought to be done about the aeroplanes that fly over the Island. Some fly far too low for their own safety, and others. If one happened to nose-dive on a cottage or tent, what comeback would the owner have, and on whom? Our insurance does not cover this class of damage. The flyers should also be requested not to fly over the Island on Sunday during Church services. I hope some speedy action will be taken to remedy this, by some one in authority.

ANNOYED.

## W.I.A. ROWING

The boys expect to be starting next Monday. We understand Jack Guest has arranged for their boat to be here then.

## DANCE

The chairman of the dance wishes to convey his thanks and that of the members of the Ward's Island Association to the boys of the orchestra, who, headed by Geo. Stair, came to our fair Isle on Saturday last in order to decorate the Shelter and I hope that the children, large and small, will respect the work that these boys have completed in placing these decorations by refraining from any attempt at emulating the "man on the flying trapeze" about the Shelter this year.

## LADIES' BOWLING

I wish to thank the ladies for the fine turnout on Tuesday night—our first game. We are pleased to have so many new comers with us. We will try and get started not later than 8.15.

I want, on behalf of the ladies, to thank Mr. Atkins and his committee for the fine holiday we had—Let's have more of them, Mr. Atkins.

## TENNIS NOTES

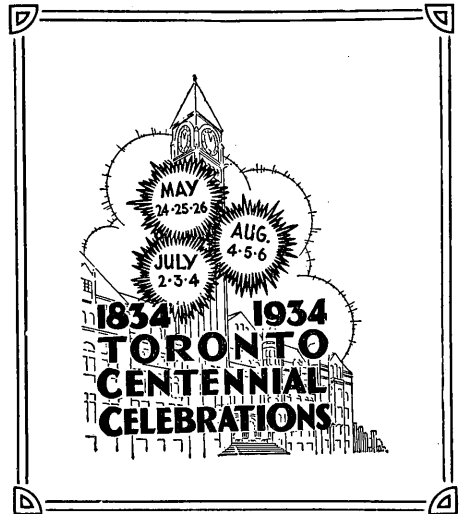

Dr. Blackhall, tennis chairman for the season was unable to officiate last Saturday, so Jack Wilson did the honors, making a good job of running off the events in smooth order.

Ad. Hillock deserves mention for his fine showing in the recent Broadview tourney, when he twice came within a point of winning over Hurndall, East Toronto champion. Nice work, Ad.

Ted Sanderson hasn't been playing much this year, while Doug. was detained in the early part of Saturday afternoon, so that Jack was the sole family representative as play commenced. The courts don't look right unless a few Sandersons are on deck.

The scenery becomes better each season with the increasing brevity of the ladies' tennis shorts. We hope to be umpiring ladies' matches in 1940 when the costumes will doubtless be even more picturesque than to-day.

Umpires find it difficult to call every shot on a taped court, and rely

at times on the sportsmanship of the players. Tennis is a game where you may be sporting and at the same time battle all the way.

Stan Howe still has his pipe, making the seventh year of continuous service for this trusty fumigator.

We didn't intend to write tennis this week, and haven't observed many court happenings up to date. Our special representative will be watching the members from time to time, so watch your step, as you will probably be mentioned in the near future.

## PERHAPS HE WHISTLED

An Englishman on a visit to the West decided to go horseback riding. The hostler who was to attend him asked: "Do you prefer an English saddle or a western?"

"What's the difference?" he asked.

"The western saddle has a horn," replied the attendant.

"I don't think I'll need the horn," said the Englishman. "I don't intend to ride in heavy traffic."

## MEMBERSHIP LIST

Through an oversight the names of Chas. J. Christman and Jack Anderson were omitted in the list of members published in the last issue of the 1933 Weeklies.

Well, school is out at last—Every tent and cottage occupied—Supervision started—Every branch of Sports in full swing—Some fees paid and some not—mostly not. Now it is up to every resident to back up the Executive so that we all will be able to say "The best yet" at the close of 1934.

With Earl Ludlow in charge of Horseshoes and 85 contestants signed up, you can look for fireworks back of the Club House. Get acquainted with the schedule which has been posted.

"Some tree barks can be made into shoes," says a writer. But banana skins make the best slippers.

## CHURCH NOTES

Our Union services opened on Sunday, June 17th, with Mr. J. W. E. Newberry, B.A. in charge. Last Sunday we were favored with a solo by Miss Rowan, accompanied by Mrs. Smalley. We appreciate the kindly assistance.

We are fortunate in having Mr. Newberry to take our Services, his messages have been inspiring and enjoyed by goodly attendances at the last services. Mr. Tom Wilson, our pianist, is a wonderful leader.

To all Islanders and their friends may we again say, Come.

Services every Sunday during the season.

Sunday School—10 a.m.

Church Services—11 a.m.

The following have been re-elected to the Church Committee: Messrs. T. Conlan, Reade Davis, Dr. W. Dolson, A. F. Gay, J. Hillcock, C. McAree, J. Mortimer, W. Pestall and H. A. Adams.

The Sunday School is well attended. We are glad to see Mr. Pestall again taking charge, he has issued a special call for assistance in teaching. If any of our readers can help kindly speak to him on or before Sunday.

CHURCH COMMITTEE.

### **"FELLOWSHIP"**

If I can have it said of me,  
When ended is my time of toil,  
That I have fought to helpful be  
And have not labored just for  
spoil,  
I'll greet Death's angel with a smile  
And take his hand and journey on  
Believing that I've been worth while  
And still shall live although I've  
gone.

If friends of mine shall only say  
That I was friendly to them all,  
That I had time for them each day  
And answered every piteous call  
For help that fell upon my ears  
And stretched my hand out here  
and there,  
To guide a weary brother through  
his fears  
And ease the heavy burden of his  
care.

If I can have it said of me  
That I have borne my burdens  
well,  
That good in men I've tried to see.  
That good in men I've tried to tell;  
That I have faced my time of strife  
With patience, and have been a  
friend,  
That helpfully I've lived my life,  
I shall not fear to face the end.

If I can strew along my way  
The roses of remembrance sweet,  
Can leave a few friends here to say  
That I had cheered them in de-  
feat.

### **STOLEN**

A red canoe belonging to Marshall Vandervort was stolen from the Bay side on Sunday afternoon. Marshall would appreciate any information as to its present whereabouts.

### **GOOD AS NEW**

While a young mother was bathing her baby, a neighbor's little girl came in and watched the process. The child was holding a doll minus an arm and leg and much knocked about generally.

"How long have you had your baby?" she asked the mother.

"Three months."

"My, but you've kept her nice!" exclaimed the little girl.

### **MISTAKEN IDENTITY**

Mistaken identity has been the cause of many an amusing—and painful—blunder.

She was a big, strong woman, and the burglar she had captured bore unmistakable signs of punishment.

"It was very plucky of you madam," said the magistrate, "to have set upon the burglar and captured him, but need you have blackened his eyes and knocked out his teeth?"

"Well," said the woman, "how was I to know he was a burglar? I'd been up three hours waiting for my husband, I thought it was him."

A doctor declares that there is only one sensible thing to take when one is run down. The number of the car.
