YOU ARE INVITED ----

The Chinese Community has been invited by the Building and Development Committee of the City of Toronto to make its representation to the Committee with respect to the future of Chinatown. The meeting will be held on Monday, June 16, 1969 at 8 p.m. at City Hall's Council Chamber.

The Save Chinatown Committee will be presenting its brief to the Building and Development Committee.

To the Chinese in Toronto, Chinatown is their root. It is also the centre of information and of communication to the Chinese in Toronto. Furthermore, it is a source of moral and psychological support to the new Chinese immigrants. To the Canadians in general, Chinatown is a colorful place and a tourist attraction --- a reflection of the multi-racial and multi-cultural aspect of Canadian life.

The Save Chinatown Committee is not requesting the City to preserve every old brick in Chinatown. So far, the City does not have a plan for the area, and we are only asking the City to work with the local community in the preparation of a guide plan instead of letting the area to be developed on a piece-meal basis. Chinatown must be developed and improved upon. This will only come about through the efforts of both the City Government and the local residents. Let us help in the development of Chinatown! After all, we are the people who live and work here.

If you are interested in seeing Chinatown maintained as a vital entity, COME TO THE MEETING AT CITY HALL'S COUNCIL CHAMBER ON MONDAY, JUNE 16 AT 8 P.M.

We are all invited to the meeting. So, please come. We need you!
