COURSE OF INSTRUCTION, EXAMINATION, &c.

56. The College will be open for work at the beginning of September each year and close at the end of June following. There will be a vacation of about a fortnight at Christmas time, during which the College will be closed.

57. The subjects of instruction for each class, throughout the entire course, are shown in Table I. The number of hours attendance by each Class in the several subjects,

weekly, and the total number of hours available for each subject during the full course of instruction, are given in Table II. The marks assigned for every subject in the full course are shown in Tables III. and IV., and the marks for Conduct in Table V.

58. (1.) The number of marks necessary to qualify in any year is 40 per cent of the total assigned to all the subjects of theoretical instruction of that year.

(2.) In each subject and in each separate section of a subject of theoretical instruction, a Cadet must obtain not less than 33 per cent of the marks assigned. If marks are allotted for term work, a Cadet must obtain 33 per cent in yearly examination work separately. In no case is the number of marks allotted for term work to exceed one-half of the marks assigned to the subject for the entire year. The expression "term work" includes all intermediate examinations.

(3.) The number of marks necessary to qualify in Drills, Exercises and workshops is 50 per cent of the total assigned for all these subjects combined for the year, at least 33 per cent being obtained in each separate subject.

59. Cadets will be marked for Drills and Exercises and for Drill Instruction according to their expertness.

60. From the maximum number of marks assigned for Conduct, deductions will be made only as recorded in the Defaulters' Book.

61. The character recorded on a Cadet's *Certificate of Discharge* will be in the terms authorized by the King's Regulations.

64. If a Cadet is absent from sickness, at any *intermediate examination*, marks will be allotted to him at the end of the term in each subject which he has missed, in such proportion as he may obtain at the other examinations during the term.

65. If a Cadet is absent the whole or any portion of a *yearly examination* in consequence of sickness, he may on his return for the ensuing term, be examined in the subjects which he has missed, or if he wishes it, he may be given an average on the intermediate examinations. In the latter case, the *maximum* marks obtainable will be limited to 40 per cent of those given to the subject. In the former case the *maximum* marks which he will be allowed to count in any of these subjects, will be two-thirds of the maximum marks assigned to these subjects.

66. If the absence of a Cadet from examination occurs in his *final year*, any examination he may have missed will be held at such time as may be determined by the Commandant.

67. If a Cadet affords to, or obtains from another Cadet, any assistance during an examination, or if he makes use of any improper means of obtaining information relative to an examination, he will, if it is his final examination for graduation, be debarred from receiving a Diploma; if at any annual examination other than his final, or at any intermediate examination, *he will be rusticated*, and, in addition, lose all the marks given for the particular paper, and will not be re-examined in it.

68. If a Cadet is rusticated, he thereby forfeits all marks which would have accrued to him on account of examinations held during his period of rustication.

The words "Distinguished" or "Pass" for any subject of instruction in which a Cadet is entitled to such record, will be entered on the face of his diploma.

(NOTE.—A “Diploma of Graduation” entitles the holder to the same Militia privileges as a “1st Class Long Course, Grade A Certificate,” which last is necessary to be held by all officers holding staff appointments, or who are confirmed in appointment to permanent Corps.)

74. Diplomas of Graduation are liable to be cancelled for misconduct prior to the date of *final discharge not earlier* than 14 days from the date of leaving College.

75. Cadets who leave the College without having finished their full course, but who have completed *not less than two years' service*, and who are otherwise eligible, are entitled to receive “Certificates of Military Qualification” *only*. (G.O. No. 2, Oct., 1884.)

76. The official “Diploma of Graduation,” “Diploma of Graduation with Honours,” and the “Certificate of Military Qualification,” are the only documents referring to a Cadet's College Course which are permitted to be issued. A Cadet who fails to qualify for such diploma or certificate, is not

eligible for a certificate or letter representing qualification in *any particular branch or branches of instruction in which he may have obtained the qualifying minimum.* Members of the Staff are prohibited from giving, directly or indirectly, to any person whatever, duplicate Diploma, Certificate of Military Qualification, or certificate of "Pass" in any particular subject.

COMMISSIONS IN HIS MAJESTY'S REGULAR ARMY.

77. Seven Commissions, viz. :—One in the Royal Engineers, one in the Royal Artillery, one in the Cavalry, one in the Infantry, one in the Indian Staff Corps, and two in the Army Service Corps of the Regular Army, will be given annually to the College.

He must, through his parent or guardian, not later than the 1st May of the year in which he is to graduate, notify the Commandant of the College, in writing, of his willingness to accept a commission. If this is not done the Cadet will be considered ineligible. In all cases the recommendation of a Cadet is to be accompanied by certificates as to his fitness morally, socially and intellectually for His Majesty's Service, signed independently by the Commandant and the two senior Imperial Officers of the College.

- (d) A Cadet who, on account of failure to qualify for class promotion, or who through protracted absence on account of illness (whether contracted at the College or otherwise), or who, for any other cause, drops into a class junior to that in which he entered the College, shall thereby forfeit his claim to consideration for a Commission in His Majesty's regular forces.

COMMISSIONS IN THE CANADIAN PERMANENT AND OTHER FORCES.

Should, however, the Commissions not be accepted by those passing among the first fourteen, the Commandant will be allowed, in very exceptional cases, to recommend a Cadet who has passed lower on the list, and who has shown special zeal and fitness for the profession of a soldier.
- (b) To be eligible for a commission a Cadet must have obtained a Diploma of Graduation with "Pass" in all subjects of instruction, and be reported by the Commandant to be in every way fitted for a Commission in the particular branch of the service for which he is recommended. In all cases the recommendation of a Cadet is to be accompanied by certificates as to his fitness morally, socially and intellectually, for His Majesty's Canadian permanent Militia, signed independently by the Commandant and the two senior Officers at the College.
- (c) A Cadet who, on account of failure to qualify for class promotion, or who through protracted absence on account of illness (whether contracted at the College or otherwise), or who, for any other cause, drops into a class junior to that in which he entered the College, shall thereby forfeit his claim to consideration for a commission in His Majesty's Canadian permanent Engineers.
