

"Radiant Homes" and "Happy Thoughts" and choice  
Stoves of all kinds, made at

**BUCK'S STOVE WORKS, : BRANTFORD, ONT**

# THE "HAPPY THOUGHT" RANGE

is the most successful and satisfactory ever made.

## IT IS A CELEBRITY.

The fire once started in the Fall is lighted for the Season, and runs as continuously as a Modern Base Burner; it will bake as well at 5 in the afternoon as at 9 in the morning, and is absolutely clean and free from dust and dirt. There are thousands more "Happy Thoughts" in use than any other Range made.
