

THE RED CROSS.

THE ACKNOWLEDGED LEADER
OF ALL PARLOR STOVES.

FINEST SYSTEM OF CIRCULATING FLUES.

MOST ELABORATE AND TASTEFUL
ORNAMENTATION.

THE RED CROSS is the embodiment of elegant workmanship throughout, and is at the same time the most Economical and Powerful Heating Parlor Stove in the market.

It is devoid of all impracticable theories, is easily managed, *and the nickel-plated sections do not discolor with the heat.*

It can be used, with slight additional expense, as a double heater, to convey hot air to a room above.
