Manufacturing Furriers

92-94 RIDEAU STREET - OTTAWA

IN presenting you with our Fur Catalogue, we show you the latest exclusive styles for the Season 1911-1912.

EVERY garment and article of fur shown in this catalogue is manufactured in our own factory under the direct supervision of a member of the firm. Furthermore, if we have not what you want, we can make it for you—and quickly—as our stock of fur skins is complete in every line.

WE use no inferior skins in the manufacture of our fur garments, the range of prices quoted for each article in this catalogue being for grades of fur that can be depended upon to your entire satisfaction.

OUR direct European and Canadian connections enable us to buy furs at first cost, which, coupled with our unexcelled manufacturing facilities, enables us to quote the prices shown herein, which speak for themselves.

IF we do not show what you require in this catalogue, write us and we will immediately submit estimates and full description of any garment that you might suggest.

WE have a special department for repairing and remodelling your old fur garments into this season's styles and give the same benefit of expert designing and workmanship to this branch as to our new work.

FURS requiring repairing or remodelling may safely be shipped to us, and upon receipt of them we immediately furnish you with estimates of cost along with our suggestions that may be of benefit to your garment, both as to style and durability. If our prices are not satisfactory we promptly return them, charges prepaid.
