

SURPRISE SOAP.

JERSEY.

White as Snow

SURPRISE makes all linens, cottons and laces "white as snow" and sweet.

SURPRISE makes colored goods brighter and softens woolen goods.

SURPRISE does it without boiling or scalding a single piece.

"The proof of the pudding is in the eating." Simply use **SURPRISE SOAP** the "surprise way" once on wash day. If you don't like the "surprise way" — but you will — use the ordinary way or any way you like.

Every cake is warranted
to give satisfaction.

SURPRISE Soap, and who thus appreciate its merit, one of these really fine engravings.
