THAT HEART OF GOLD.

1. There's a heart that to me is as deep as the sea,
And it follows me all this life through,
And wherever I go
There's a voice I well know,
Saying list' to that dear Heart of Gold.
2. There are times when the way seems so full of dismay,
And you just cannot see thru' the clouds,
But the lining is there
To return bright and fair,
Thru that wonderful Heart of Gold.

Refrain:—Oh give me that Heart, that wonderful Heart,
that wonderful Heart of Gold,
It's just a dream, a sweet, sweet dream, a dream
from above,
So draw near and hear how that Heart can
cheer,
The path you are roaming, although it be
lonely,
Oh give me that Heart, that wonderful Heart,
that wonderful Heart of Gold.
