WONDERFUL WORK DONE BY

MADAME LA BELLE

(PRENNER)

The Great European Complexion Specialist

Madame La Belle
8 years ago.

Madame La Belle is the Grandmother of Dermatology in this country, and one of the oldest in Europe. Success is awarded her because she is not fingering in the dark—she is a student of anatomy, well acquainted in physiology and thoroughly learned in osteology, therefore she can be rightly called a specialist in dermatology.

SUPERFLUOUS HAIR removed by Madame La Belle will not return—no electric shock—no pain—no marks left.

FRECKELINE (\$2.00 Jar) Removes Freckles without peeling, burning or irritation to the skin—the skin gets prettier, softer and healthier from Madame La Belle's day. The first day it is used, the Freckles leave and will never return.

FOSSETTI CREAM (\$1.00)—For Pimples, Red Nose or any Eczema—a wonderful preparation. Many testimonials can be found in Madame La Belle's office which would surprise the public.

SCALP CURE (\$1.00)—For Eczema of the Scalp. Dandruff or Falling of the Hair—no better cure extant, will prevent the hair from falling out and bring back the youthful color, keep it from turning gray, and stop irritation.]

HAIR LOTION (\$1.00)—Will make hair grow on any bald spot (man or woman) no matter how bald and glossy the spot is.

SKIN FOOD and TONIC, for Dry Tissues. \$1.00.

BUST, NECK and HIP DEVELOPING is done with the greatest success at Madame La Belle's Parlors—a young lady now on exhibition so that ladies may prove the fact. If your cheeks are falling in, the skin dry, becoming wrinkled or lined, call on Madame La Belle, and she will make the most marvelous improvement.

Manicuring and Chiropody. Ingrowing Toe Nails removed painlessly. Class open daily for students—a splendid opportunity for ladies to learn the profession.

CLARIFIED MILK

The centrifugal clarifying process for cleansing milk has passed the experimental stage, and it has now been demonstrated beyond doubt that milk which has gone through this process is absolutely free from all sediment and foreign matter, while the quality of the milk itself is not injured to the slightest extent.

Clarified milk is cleaner, tastes sweeter, and as all foreign matter has been removed it will keep sweet longer than any other milk sold in Toronto.

TICKET TO THE

Pan-American Exposition Buffalo

Including Return Railway Fare from any Point in Ontario, Five Days at any

FIVE DOLLARS

Tickets Good for Any Time During Exposition

Explanation.—We have had many letters saying that we could not fulfil our offer. The Coupons we issue are on the endless chain system. That is to say, you sell to five people, and each of these sell to five more, until everyone has them and they cannot be sold. Those who subscribe at the first are almost sure of selling their Coupons. Those who cannot sell and have the buyers send for their books pay for those who do. The reason that you are sure of your ticket is that the more we send to Buffalo the more we make.

SPECIAL OFFER.—All our Coupons bear a double number, one number being the number of the book and the other number the number of the coupon of the book. When we issue a book to you we take the number of the book, which is placed opposite your name. As your coupons come in we enter up the number of each coupon. By this method we can tell you at a glance what number coupon remains out, and can advise you, so that you will look up the person you sold to. As a special offer, we will forward to you extra coupons free, so that you would be sure to get five coupons returned to us. This will entitle you to a ticket just the same as if the coupons had all come from the one book.

We make a very small profit on this, but anticipate such a large number of people who will take advantage of this offer that our total profit will show a fair business margin. As we receive from each person that you sell to \$5.00, making a total of \$25.00, before we issue our ticket to you, you can readily see that we will be able to fulfil our obligations at all times, regardless of the number of people desiring to take advantage of our offer.

After May 4th if you wish the trip you will have to purchase a coupon, as we will not issue books unless accompanied by coupon.

**By selling 6 coupons you obtain an absolutely
free trip.**
