N.B.—Penalties for infractions of the Act in this respect are severe. Permits may be suspended or cancelled for any violation of the Act. Cancellation precludes the holder from obtaining a new Permit of any variety for a period of one year from the date of cancellation.

Additional information may be obtained from any Government Liquor Store.

PURCHASES

When ordering liquor, Permit holders are required to sign a purchase order stating name, address, Permit number, brand (a separate order being made out for each brand); and quantity desired and submit their Permit for endorsement by the Vendor. Beer in quantities from one bottle to six bottles quarts or pints, may be purchased by a Permit holder at Government Liquor Stores and carried away by purchaser. Orders for beer for quantities in excess of six quarts or six pints may be placed at Government Liquor Store and paid for. The delivery of such orders will be made from the adjacent Brewery or Brewery Warehouse free of charge.

From Liquor Board Stores in certain locations which are not served by Brewery or Brewery Warehouse, beer in quantities not exceeding two dozen quarts or four dozen pints may be purchased and taken away by purchaser but even from such stores quantities in excess of two dozen quarts or four dozen pints will be delivered from the nearest Brewery or Brewery Warehouse, at purchaser's expense.

CITY DELIVERIES

Deliveries of wines and spirits will be made in cities where Government Liquor Stores are located at a cost of 30c per package, payable at time of purchase; one package to contain not more than 12 quarts or 24 pints. This delivery charge will also apply on beer delivered from Liquor Board Stores.

WHILE EACH STORE CARRIES A CONSIDERABLE ASSORTMENT OF THE LIQUORS AND WINES WHICH APPEAR ON THE PRICE LIST, ALL OF THE BRANDS LISTED ARE NOT CARRIED.

The brands of domestic beers carried by the various Liquor Stores are only those of Breweries that have stocked their products in the particular city or town where the store is located.

MAIL ORDER

Orders by mail should in every case state Permit holder's name and address, brand and quantity required, also number of brand as shown in Price List, and be accompanied by Permit for endorsement (which will be returned) and by a remittance sufficient to take care of cost of order. In the event of the brand ordered being out of stock, the Vendor may substitute another of similar quality or price, or when necessary to substitute a cheaper brand, will remit difference in price to purchaser. Liquor will not be shipped until payment has been received. All Mail Orders for spirits or wines must be sent to nearest Government Liquor Store. Mail orders for beer may be sent to either nearest Liquor Store, Brewery, or Brewery Warehouse.
