PROGRAM

The Individual Corset.

To the woman who can appreciate the style and beauty of a natural figure, the "a la Grace" corset should especially appeal, since it combines the very latest decree of fashion with the ease and individuality of a perfect fit.

Each new model is thoroughly tried and tested, fitted and refitted in our salons until it represents the acme of fashion and comfort. Only a special quality of warranted rust-proof steel boning is used, giving flexibility and allowing the body plenty of freedom.

a la Grace Corsets are finished in such a variety of styles that no matter how dainty and discriminating a woman may be, there is a corset that will suit both her exacting taste and the requirements of fashion.

C/C a la Grace Corsets

are sold under a full guarantee. This means that the figure must be perfectly fitted, that the lines of the corset will be graceful and stylish; that a la Grace Corsets are warranted rust-proof and will always retain their shapes.

They will all tell you that there is no toilet requisite more satisfactory than

Princess Skin Food

They depend on it as the **one** indispensable article for the toilet. They have good reason to believe in it; they've used it for nearly 20 years; they know that it improves their personal appearance. They have used it for massage, as a cleanser and as a soothing and healing emollient. Men with sensitive skins use it after shaving. **Price \$1.50** at druggists or delivered. Free sample and our handsome new book on request.
