

Dear old boy - I can't find paper so I
write on an envelope. I fear this week
will be heavy to you but it will be the worst
& from now onward it will go easier. Try
like a dear, and fix your whole mind
on what you are doing, work a play, for
that is the way to happiness & success. I
hope to be round between 3 & 4 tomorrow
(wednesday). I meet Mr. Stordini
at lunch, and shall have a busy day.
Goodbye, dear old boy. Your mother
won 2/6 over Beckett. I always back the
wrong one.

Yours
D.
