**Special St. Valentine
Announcement**

To the Members:

**St. Valentine
Masquerade Dance**

ON Thursday, February 14th, the Club will hold a St. Valentine's Masquerade Party. This is the first costume dance the Granite Club has sponsored and the House Committee is going to considerable expense in providing special entertainment and favors for this evening. Dinner will be served at 6 and 7.15 P.M. Reservations will be limited to 350 and members wishing to participate in this event should make their reservations early. Dancing will be from 9 P.M. until 1 A.M. The charge on this night will be \$2.50 per cover.

Dining Room

We wish to draw your attention to the number of new dishes which are being prepared under the supervision of Monsieur Pierre Grossé, Chef de Cuisine at the Granite Club, who has with the assistance of capable chefs and pastry cooks evolved new creations in food which cannot be procured elsewhere.

A very enjoyable feature of the dinner and dance on Saturday night is the 15 minute entertainment given by the Granite Trio assisted by a well known vocal artist or musical novelty number.

Afternoon Teas

Afternoon Tea is served every afternoon in the ladies' Sun Room. Special arrangements may be made for small or large buffet teas.

New Dutch Grill

We wish to thank the members for their patronage of the new Dutch Grill in the Sports Lounge and draw to their attention that same is open from 12 noon until 11.45 P.M. Quite a number of the members are giving skating parties in this section, also afternoon Badminton and Curling teas.

Arrangements for parties and teas in the Dutch Grill should be made to Mrs. Robertson in charge of the department.

Swimming

A Swimming Meet will be held on Friday evening, February 22nd, at 8 o'clock for Juniors and Juveniles. Members are requested to enter names with the Swimming instructor. Further announcement later.

Skating

The masquerade skating party was a wonderful success and the Committee are endeavoring to work up special attractions for a Club Carnival some time in March. Members who would like to take part in this Carnival should leave word with the Sports Secretary.

Juvenile Members

A number of complaints have been received regarding the conduct of some of the Juvenile members. Knowing that in most cases it is through ignorance of the Rules and Regulations of the Club that misdemeanor occurs, we hereunder quote extracts from the By-Laws and Resolutions of the Board

in connection with the Juvenile Members:—

1. The attention of Juvenile members is expressly drawn to the fact that the Granite Club is primarily an adult's Club. The creation by the Club of this class of membership is in the nature of an innovation and it is the hope of the Directors that Juveniles will so conduct themselves and observe the rules as not to give reasonable cause for complaint by adults.

2. The privilege of membership has been granted to the youth in the hope that a real benefit will be derived morally and physically by them from their association with the Club. It is for the Juveniles to see that they make a proper use of these privileges and give no reasonable cause for the curtailment or cancellation, in whole or in part, of the Juvenile Class of membership.

3. Juvenile members must not be guilty of any boisterous, unladylike or ungentlemanly conduct while on the Club premises.

4. Smoking by Juvenile members is strictly prohibited.

5. The interpretation placed by the House Committee, or by any officer or employee to whom such authority is delegated by the House Committee, shall be final.

6. Juvenile members are not permitted in the locker rooms after 6 p.m. on week days, except Saturday (other than for the purpose of dining with their parents). On Saturday they are not permitted in the locker rooms between the hours of 12 noon and 6 p.m. Between 6 and 10 p.m. the privilege of skating is extended to the Juvenile members.

The Directors will appreciate the co-operation of the parents in the observance of Rules and Regulations relative to Juveniles.

Sunday Music

On each Sunday afternoon between 3.30 and 5.20 the Granite Club Trio under the direction of the Gelsin Brothers, assisted by a well known soloist, present a very fine programme of sacred and classical music. Music lovers very much appreciate these concerts.

Barber Shop

The barber shop has proved a real convenience to a number of the members and to improve the service in this department we have placed another chair in the shop, so that in future there will be less waiting as we now have two barbers permanently on the staff.

Squash

Much activity is shown in the Squash section of the Club. On Saturday, January 26th, the Granite Club Squash Team played Hart House and it is with much pleasure we announce that the games were a draw. Members wishing to take up this sport should get in touch with the Club's professional, A. Allett.

Badminton

Owing to the prevalence of influenza during the early part of January the

Club's Championship games were postponed until early in April. The Badminton section on February 23rd will entertain the St. Catharines players. On February 5th at 1.45 p.m. a ladies' Round Robin will be played. Members desiring to enter should put their name on the list provided for that purpose on the Sports notice board.

Indoor Golf

The professionals, Johnston and Hulbert, are in attendance each day and appointments may be made with them personally or by telephoning for instruction. The Golf School is open from 10 A.M. to 11 P.M.

Curling

February is essentially a curler's month. At no time in the recent history of curling has such interest been shown in this sport, and under the direction of your most capable curling committee the Granite Club, during the month of February, will be represented in the following Curling classics:—

The Governor-General's District Cup
The Toronto Bonspiel
The Dominion Championships

The Shannon Trophy, which is symbolic of the Club Curling Championship,

begins Wednesday, February 6th, and is scheduled to be completed Saturday afternoon, February 16th.

Enclosed you will find copy of curling schedule for February, which those who are interested in curling should place in their vest pocket for future reference.
