1st VERSE

From end to end of Empire,
A call went loud and clear,
That right is might and we must fight
For all we hold most dear,
From every land they answered,
Those sons of freeborn men,
And as their fathers did before,
They'll fight the fight again.

CHORUS

So here's to our country, the land that we love,
A toast to our country, send her guidance from above,
For we'll stick together, we'll fight 'til the right endures,
Here's to your King and my King, MY FLAG AND YOURS

2nd VERSE

All hail then, sons of liberty,
To ye who march, All hail,
A mighty throng to conquer wrong
And freedom's flag unfurl,
For loyal hearts beat faster,
As countless voices ring,
In grand acclaim, Britannia's name,
Hail Country, Flag and King.

CHORUS

So here's to our country, the land that we love,
A toast to our country, send her guidance from above,
For we'll stick together, we'll fight 'til the right endures,
Here's to your King and my King, MY FLAG AND YOURS

EMPIRE CHORUS

So here's to our countries, the lands that we love,
A toast to our countries, send them guidance from above,
For we'll stick together, we'll fight 'til the right endures,
Here's to your King and my King, MY FLAG AND YOURS
