DIRECTIONS TO ENSURE SATISFACTORY SHOPPING BY MAIL.

HOW TO ORDER

1. Write your order plainly (using our order form if you have one), giving name (Mr., Mrs., or Miss), **Post Office and Province**. Always state amount of money enclosed, and how you wish goods shipped, whether by **Express, Freight or Mail**. **Cash must accompany all orders.** Always write your order with ink.

HOW TO SEND MONEY

2. Send money by **Express Order** when possible, or by **Postal Note, Post Office Order or Bank Draft**. When impossible to secure any of these, send by registered letter. If you send cheque have it marked "Payable at par in Toronto." Do not send silver for small amounts; send **Postal Note**, if possible; if not, you may send postage stamps.

NO NAME ORDERS

3. We frequently receive orders with no name or address. In some cases we can obtain the name from the enclosure, but are not always able to do so.

MAIL SHIPMENTS

4. Always allow plenty of money for postage. If there is any balance it will always be returned—whilst if there is not sufficient sent we will be obliged to delay your order writing for it.

Rate of Postage—FOURTH CLASS MATTER—Postage, 1 cent per ounce or fraction of an ounce. Limit of weight, 5 lbs. Limit of size, 30 in. long by 1 ft. wide by 1 foot deep. Orders weighing over 5 lbs. may be put in two or more parcels.

Registration—We register all packages over one dollar in value when amount is allowed. Registration Fee, 5 cents. We will duplicate without expense to you any registered package which may not reach destination.

EXPRESS SHIPMENTS

5. **Express** is the best way to ship goods of considerable value and medium weight. In most cases packages under 25 lbs. in weight go cheaper by **Express**, over that weight by **Freight**. Rates will be given you by your **Express Agent**, or write us for them. **Express Companies** guarantee safe delivery of all packages carried by them.

C.O.D. Shipments—We will send goods by express **C.O.D.** (collect on delivery), if one-fifth of the amount of order is enclosed. We deduct from bill amount remitted, and you pay express agent balance upon delivery of goods.

FREIGHT SHIPMENTS

6. For large, heavy shipments **Freight** rates are always lower than **Express** rates, but goods will be longer in transit. It will pay you to make up a large freight shipment, if you can wait a few days longer for goods. (See Par. 13—Club Orders)

Freight to Order Shipments—If there is a bank in the place to which goods are shipped you may remit us one-fifth the amount of order, and we will collect balance through Bank. When you pay balance to Bank they will give you the order to obtain the goods from the railway company. But by remitting full amount of order you run no risk and save collection charges.

If goods are damaged when received, sign for them in that way. **Goods shipped to a flag station** must be shipped charges prepaid. Always allow sufficient for this in your order.

GUARANTEE

7. We guarantee all goods equal to Catalogue representation and description, and if unsatisfactory we will cheerfully exchange for other articles or refund purchase price (if returned in good condition), except articles mentioned in Paragraph 10. What we say about our goods is truthful and accurate, and every order is filled by careful, intelligent, experienced buyers, whose object is to please you.

SAMPLES

8. Write us for samples of cut goods. We send them free of charge. Use our sample form for ordering samples if you have one, and describe as definitely as possible what you require. When ordering from samples enclose sample selected with the order. Make a second or third choice in case goods of your first choice are sold out. When returning samples use the same envelopes we send them in, putting on a

stamp, 1 cent per 4 ounces. Never seal a sample envelope or enclose correspondence, or we will be charged double letter rate.

COMPLAINTS

9. When you have any cause for complaint always write us promptly. We use great care in filling all orders, but if mistakes occur on our part we will promptly investigate and rectify them. **Delays**—If you do not get goods promptly write us, giving date of order, state how much money was enclosed, whether registered, and enclose a copy of order as nearly as possible. **Damaged Goods**—Before taking delivery of damaged goods, always point out the damage to **Railway or Express Agent**, or **Postmaster**, and be careful to sign for the goods as being received in damaged condition. Then write us at once, giving full particulars.

EXCHANGES

10. We do not exchange or refund purchase price for the following goods sent as ordered:—Goods cut off the web and sent according to samples, goods made to order according to measurements, toilet brushes, combs and other toilet articles, veils, gloves, or other articles of dress that have been worn. Other goods if returned promptly and in good condition we will exchange or refund purchase price.

HOW TO RETURN GOODS

11. Wrap securely, address package plainly to us. Write your name and address on outside of wrapper, with the word, "from," before it. Enclose bills when possible, and write us fully by the same mail regarding goods returned. Never enclose correspondence with goods returned by mail, the rules of the Post Office forbid it.

WE EMPLOY NO AGENTS

12. No one is authorized to take orders, or receive money for us. We give no discounts or commissions. Prices are strictly net to every one.

CLUB ORDERS

13. Two or more persons ordering goods at one time can greatly reduce cost of carriage by making up a shipment of 100 lbs. or more, and having all shipped by **Freight** to one address. 100 lbs. will go for the same amount by **Freight** as 25 lbs. Write each person's order on a separate form, and state to which address goods are to be shipped. We parcel each separately, and then enclose in one or more cases and ship to one address as a single shipment. We specially recommend this method of ordering to our customers living in Manitoba, the Northwest Territories, British Columbia, the Maritime Provinces and other distant points where rates are high.
