

BIBLICAL RESEARCH SOCIETY

BASIS OF FAITH

We Believe:—

1. That the Bible, in the original languages, is the verbally inspired Word of God, and our final authority;
2. In the Triune God, Father, Son and Holy Spirit;
3. That Jesus Christ was God manifest in the flesh, born of a virgin;
4. In the Genesis record of creation, of Satan's intervention, hence man's disobedience, fall, corrupted nature, and natural lost condition;
5. In the efficacy of vicarious atonement for sin by the shed blood of our crucified Lord, Jesus Christ;
6. In his bodily resurrection, His ascension to God's right hand, and His present intercession, as High Priest for us;
7. In His personal, bodily, pre-millennial and now imminent return (a) for His saints, and (b) with them to reign;
8. In salvation by grace, through faith in Jesus Christ, and that the saved are adopted into God's family and regenerated and indwelt by the Holy Spirit;
9. In universal bodily resurrection, the saved into everlasting blessedness, the lost into everlasting punishment;
10. In the Church's supreme responsibility to publish the Gospel to all men, in every locality and generation, but to the Jew first.

Our Aim:—

The evangelization of all Israel in this generation by means of specially prepared Gospel literature, distributed FREE.

Our Policy:—

Co-operation with all like-minded individuals and organizations.

Our Attitude:—

Faith that the Lord of the harvest will supply the needs of the work through His people's freewill offerings.
