EAST & NORTH-EAST SUBURBAN

"WHO-CALLED-ME?"

LISTING TELEPHONE NUMBERS OF RESIDENTS, PROFESSIONAL MEN AND BUSINESS HOUSES BY EXCHANGE AND NUMBER.

(This "Who-Called-Me?" has been compiled in a manner to ensure maximum accuracy; however the publishers cannot guarantee the complete absence of mistakes. Although no responsibility for errors and omissions can be assumed the publishers do welcome the bringing to their attention of any inaccuracies so that correction may be made in the next edition of this Directory).

Copyright, 1965, by Might Directories Limited, 192 Spadina Ave., Toronto 2B, Ontario.

FOR THE INFORMATION OF THE USER

- Since the alphabetical telephone exchanges (BAldwin, etc., etc.) are gradually being replaced by "All Number Calling" we have listed the exchanges contained in this section in numerical sequence. See the top of each page following for the alphabetical equivalent of the numerical exchange.

- See front fly-leaf for map indicating area covered by this directory.

- This "Who-Called-Me?" removes the question mark from "blind" telephone numbers left on your desk or appearing in classified advertisements. This information will prove especially helpful to Real Estate Agents, Used Car Dealers, etc.
