Senior Warden's Night

MESSAGE FROM THE WORSHIPFUL MASTER

I have already extended my grateful appreciation and sincere thanks to all present at our Installation and Investiture Ceremony on January 19th, which proved to be another happy and successful evening in Cathedral Lodge. I also desire to thank all those who so kindly expressed their regrets in finding it impossible to be present. We particularly missed our brethren in His Majesty's Forces, and our hope is that they will be back with us this time next year.

Next meeting is Senior Warden's Night. An interesting programme is being arranged and we hope for a large attendance of our own members. The meeting will close in good time.

COMMITTEES FOR 1943

This summons contains the names of the various committees which the Worshipful Master has appointed to assist him in conducting the affairs of the Lodge for the ensuing year. YOUR name may appear on one of them, and if so you are requested to get in touch with your Chairman and lend your full support. Many hands make light work.

DO YOU KNOW:

The men whose names appear on the enclosed list? They are the members and brethren of your Lodge and this list is intended to assist you in getting better acquainted with each one. Cathedral Lodge already has a reputation for its friendliness, but you need not feel timid about trying to enhance it. Our D.D.G.M. set us a good example at our January meeting. Let's show him how it works.
