

Young Worshippers' League Supplies

THIS sheet is intended simply to introduce to your notice the Supplies recently issued by the Book Room at the request of the General Board of Sunday Schools, to meet the needs of those wide-awake preachers who are interesting themselves in the solution of one of the most pressing problems of present-day Church work, viz., the attendance of the children and youth at the public services of the Church on the Lord's Day.

LEAGUE OF YOUNG WORSHIPPERS

The Book Room can only provide the supplies, the living preacher is the one and only person who can gather and retain the children in the congregation. The ways and means supplied by the simple appliances hereon listed are but secondary, yet they will help. Nothing can take the place of the preacher's personality and message. Yet the MEMBERSHIP ROLL, hung on the wall of the Church entry or hallway, and marked regularly by the Secretary as the young folk come in, will materially assist the live preacher to "gather the children" again and again until it becomes a well-established habit to attend the Church services.

This Roll is 22½ x 28½ inches in size, contains spaces for 50 members, and is ruled for a whole year's attendance. Its price is 50 cents. The illustration is a very small fac-simile of the heading only.

The Certificate is a very attractive one, suitable for framing, and will make a pretty wall decoration for the boy's or girl's room. It is well printed in color and gold, is 11 x 8 inches in size, and costs 35 cents per dozen. The accompanying cut will sufficiently illustrate it.

The Membership Cards are in the form of a four-page folder and contain several appropriate items as well as the ruling for the individual member's attendance record. These cost 35 cents per dozen. See the reduced illustration for suggestion as to form and style.

The Buttons are eminently suitable for the young people to wear, and cost 35c. per dozen.

A sample packet of these supplies will be mailed to any address for 50 cents postpaid.

The Young Worshippers' League does not come into competition with any other part of Church work among the young. It may be made a part of the Sunday School, of the Junior Edworth League, or any other similar organization, or it may be conducted wholly by the Pastor apart from any of these organizations.

Its Aim is clearly set forth on the member's card, and with that surely every minister, parent, superintendent, teacher, and indeed every Church officer, will surely be in hearty sympathy.

If it is not yet a part of your Church machinery, set it going.

The above prices include postage.
