4. Original public petitions of 1882 for the establishment of a public library

As instructed by the Board, the chief librarian submitted to the City Clerk a request for the handing over to the Public Library Board the original petitions of 1882, together with any other similar documents concerning the public libraries which may now be in possession of the City, in order that these may be lodged with the Public Library Board to be preserved as part of that Board's official records, giving an assurance that they would be available for the City's purposes if and whenever required.

By resolution of the Board of Control on April 15th, 1941, it was:

"Ordered: That the foregoing request be granted and that the City Clerk be authorised to place in the custody of the Library Board, for the purposes indicated, the original petitions above referred to."

Seventeen petitions as follows have been received and will be placed on the table at the meeting of the Libraries and Finance Committee:
